Sacred Moments A Photographic Journey:

Awakening To Sacred Presence Doreen D. Kostynuik, 2023-11-24 We are born into the magnificent invitation to become who and what we are writes Doreen D Kostynuik From a tumultuous childhood to nursing school to the awakening and arrival into her spiritual calling this book reflects the author's lifelong love of reading writing praying conversing and journeying toward wisdom Lucidly and beautifully written Awakening to Sacred Presence weaves a personal and spiritual narrative from the author's eighty years living part time as a Byzantine hermit and working as a spiritual director community leader and therapist Within these pages lies the gentle and humble invitation to readers to awaken to Sacred Presence around and within them to claim and exercise their own wisdom and actualize their gifts as offerings to the world Alongside poetry prayer journal entries storytelling and personal anecdotes Kostynuik provides exercises and insight to develop psychic muscles trusting inner knowing embracing aloneness moving through grief and extending forgiveness among other lessons At the heart of this book is a firm grounding in and insistence on being present to life and its teachings and being available to possibility The deceptively simple lessons of Awakening to Sacred Presence encourage readers to arrive in the here and now to surrender to the revelation of possibility and risk knowing themselves all that they are no more and no less **Amber's**

Journey Elizabeth Clark, 2013-02-26 The story centres around a collie who lived with a family in a tenement building in a deprived area of a small rural town called Brentwood The collie becomes overlooked within her human family and ultimately finds herself on the streets forced to fend for herself She is picked up by the dog catchers and placed in an animal shelter where she waits for her human family to collect her but in vain She eventually catches the eye of a retired nurse seeking a dog companion and is adopted by her Her new found family has encountered grief through the premature and tragic death of two members of their family through a drink driving accident The dog becomes a source of healing and comfort to the various members of the family including Kevin Beth's ten year old great nephew a hyperactive but socially inadequate youngster whose life the dog saves and the bond between boy and dog becomes inseparable The dog has a part to play in all the lives of this family where hospital life and farm life plays a great part where hurt and woundedness is healed where faith turns tragedy into triumph Beth's voluntary work in the hospital where she trained involves her faithful collie in serving in the cancer ward as a working dog bringing charm and delight to severely ill children Beth also comes under the magical spell of her four legged friend when she finds love in her later years
