

The background of the book cover is a painting of a landscape. In the foreground, a patchwork quilt with various patterns and colors (including blue, red, and white) lies on a grassy field. Behind the quilt is a dense line of dark trees. In the distance, rolling hills or mountains are visible under a sky with a warm, golden-yellow glow, suggesting a sunrise or sunset. The overall mood is peaceful and contemplative.

Starcat Shields, 2012-12-31 Starcat's Corner Essays on Pagan Living is about walking a reverence filled spiritual path in the midst of a hectic modern society Rather than rehashing the basics of Paganism Shields shares wisdom rooted in her own experience She answers the often overlooked question How do you live your earth based spirituality day in and day out particularly in a culture that doesn't share your values Shields offers insights to those who wish to enhance their personal spirituality foster loving relationships and live in harmony with the natural world **The Dream Encyclopedia** James R Lewis, Evelyn Dorothy

Oliver,2009-05-01 Explore the fascinating world of dreams with this comprehensive reference that examines 276 dream related topics from art to history to science plus insights into the great thinkers dreamers and researchers and interprets more than 1 000 symbols and explanations This is the ultimate dreamer s companion Dreams have fascinated the human mind throughout recorded history Some believe that dreams have healing powers spark creative inspiration or warn us of things to come The Dream Encyclopedia ponders these ideas and much more Learn how how factors such as self healing ESP literature religion sex cognition and memory and medical conditions can all have an effect on dreams Dream symbolism and interpretation is examined in detail while a special section with over 1 000 symbols and explanations interprets dream symbols and helps readers understanding the phenomena of dreaming Among the dream symbols unraveled are Airplane dreams may mean you have the power to rise above a situation or have the desire to break free of restrictions Falling dreams often reflect a sense that one has failed or fallen down in life Horse riding dreams most probably mean that the dreamer feels in control of his or her life Teeth in a dream may indicate control issues Zoo dreams may mean that a dreamer needs to tidy up some situation James R Lewis is a professor of philosophy and a recognized authority on nontraditional religious movements and has written the ultimate dreamer s companion This resource is unique in its in depth exploration of dreams the latest scientific research on dreaming and dream related topics Whether one is a serious student of dreams or wishes merely to peruse the subject for pleasure The Dream Encyclopedia explores the historical cultural and psychological significance of dreams With more than 120 photos and illustrations this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness

William James Bruce Wilshire,1984-06-30 The importance of this collection of writings of William James lies in the fact that it has been arranged to provide a systematic introduction to his major philosophical discoveries and precisely to those doctrines and theories that are of most burning current interest William James The Essential Writings is a series of philosophical arguments on some of the most obscure and head cracking problems in contemporary philosophy the relation of thought to its object the interrelationships between meaning and truth the levels and structures of experience the degrees of reality the nature of the embodied self the relation of ethics aesthetics and religious experience to man s strenuously and heroically active nature and above all the structurization of the experienced life world as the validating ground and origin of all theory Bruce Wilshire has provided an introduction to William James s thought on these and other related points which is at once both substantial and subtle

The Religious Dreamworld of Apuleius' Metamorphoses James Gollnick,2006-01-01 Apuleius Metamorphoses is probably best known as the literary source for the myth of Eros and Psyche and as a primary source of information about mystery religions in the ancient world There is another realm of the Metamorphoses which has until now received relatively little attention namely the many dreams found within it The Religious Dreamworld of Apuleius Metamorphoses offers an engaging portrait of the second century dreamworld Recognizing the centrality of the religious function and spiritual interpretation of dreams this book illustrates

their vital importance in the ancient world and the wide variety of meanings attributed to them James Gollnick draws deeply from historical and psychological studies and provides a historical background on the current interest in the role of dreams in psychological and spiritual transformation This study of Apuleius *Metamorphoses* adds to an appreciation of Apuleius the dreamer and the second century dreamworld in which he lived and wrote
