Adedimeji,2011-08-10 The webs of Shaitan pervade the horizon catching and clutching Muslims in rapid succession Shaitan is a hunter his arrows are the eyes the ears the tongue the stomach the private parts the hands and the legs How safe are we from the traps of Shaitan How immune are we from the arrows of enemy This small book highlights in a free and racy prose the major areas where Shaitan penetrates souls and the routes of escaping him The first part the web examines the woe bearing w s in the hands of Shaitan words world wealth women and wine in the context of our modern world The second part the way aims at making Muslims retrace their steps to Islam This it does by schematizing the imperative of knowledge and among other things providing a number of tips on perfecting salat the criterion between kufr and Islam

Muslim Pilgrimage in the Modern World Babak Rahimi,Peyman Eshaghi,2019-04-23 Pilgrimage is one of the most significant ritual duties for Muslims entailing the visitation and veneration of sites associated with the Prophet Muhammad or saintly figures As demonstrated in this multidisciplinary volume the lived religion of pilgrimage defined by embodied devotional practices is changing in an age characterized by commerce technology and new sociocultural and political frameworks Traveling to and far beyond the Hajj the most well known Muslim pilgrimage the volume s contributors reveal and analyze emerging contemporary Islamic pilgrimage practices around the world in minority and majority Muslim countries as well as in urban and rural settings What was once a tiny religious attraction in a remote village for example may begin to draw increasing numbers of pilgrims to shrines and tombs as the result of new means of travel thus triggering significant changes in the traditional rituals and livelihoods of the local people Organized around three key themes history and politics embodiment memory and material religion and communications the book reveals how rituals practices and institutions are experienced in the context of an inexorable global capitalism The volume contributors are Sophia Rose Arjana Rose Aslan Robert R Bianchi Omar Kasmani Azim Malikov Lewis Mayo Julian Millie Reza Masoudi Nejad Paulo G Pinto Babak Rahimi Emilio Spadola Edith Szanto and Brannon Wheeler **Making Muslim Space**

in North America and Europe Barbara Daly Metcalf,2023-04-28 Focusing on the private and public use of space this volume explores the religious life of the new Muslim communities in North America and Europe Unlike most studies of immigrant groups these essays concentrate on cultural practices and expressions of everyday life rather than on the political

issues that dominate today's headlines. The authors emphasize the cultural strength and creativity of communities that draw upon Islamic symbols and practices to define Muslim space against the background of a non-Muslim environment. The range of perspectives is broad, encompassing middle-class professionals, mosque congregations, factory workers in France and the north of England, itinerant African traders, and prison inmates in New York. The truism that Islam is a religion of the word takes on concrete meaning as these disparate communities find ways to elaborate word-centered ritual and to have the visual and aural presence of sacred words in the spaces they inhabit. The volume includes 46 black and white photographs that illustrate Muslim populations in Edmonton, Philadelphia, the Green Haven Correction Facility, Manhattan, Marseilles, Berlin, and London among other places. The focus on space directs attention to the new kinds of boundaries and consciousness that exist not only for these Muslim populations but for people from all backgrounds in today's ever more integrated world. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1997.

Focusing on the private and public use of space, this volume explores the religious life of the new Muslim communities in North America and Europe. Unlike most studies of immigrant groups, these essays concentrate on cultural practices and expressions of Animal Sacrifice and the Origins of Islam. Brannon Wheeler, 2022-06-23. Islam is the only biblical religion that still practices animal sacrifice. Indeed, every year more than a million animals are shipped to Mecca from all over the world to be slaughtered during the Muslim Hajj. This multi-disciplinary volume is the first to examine the physical foundations of this practice and the significance of the ritual. Brannon Wheeler uses both textual analysis and various types of material evidence to gain insight into the role of animal sacrifice in Islam. He provides a thick description of the elaborate camel sacrifice performed by Muhammad, which serves as the model for future Hajj sacrifices. Wheeler integrates biblical and classical Arabic sources with evidence from zooarchaeology and the rock art of ancient Arabia to gain insight into an event that reportedly occurred 1400 years ago. His book encourages a more nuanced and expansive conception of sacrifice in the history of religion. *Impact International*, 1985.

Shari'ah: A Muslim's Declaration of Independence, 2nd Edition. Anab Whitehouse, 2018-11-06. An exploration into a variety of ideas concerning traditional understandings of sacred law and shari'ah. This book introduces a new way of approaching the nature of shari'ah, a way that pays close attention to the guidance of the Qur'an and the character of the Prophet Muhammad (peace be upon him). Anyone who is tired of the rigidity, dogmatism, and oppressiveness entailed by many facets of theologically and ideologically driven interpretations of Quranic guidance will find much on which to constructively reflect throughout the pages of *Shari'ah: A Muslim's Declaration of Independence*. This work contains a new preface, table of contents, and bibliography, as well as a variety of formatting changes to improve the aesthetic qualities of the book.
