Selected Letters Of Charles Dickens Critical Editions Program:

Selected Letters of Charles Dickens Charles Dickens, David Paroissien, 1985 Gathers correspondence between the great nineteenth century British novelist and his family friends and fellow authors and includes public letters on social issues

Shakespeare and Dickens Valerie L. Gager, 1996-06-06 This 1996 book traces Dickens interest in Shakespeare through his own reading and performance and through theatrical literary and artistic sources *The Selected Letters of Charles*

Dickens Charles Dickens, 2012-02-02 Charles Dickens's letters provide vivid close up snapshots of a life lived at maximum intensity This volume offers the first selection to be made from the magisterial twelve volume British Academy Pilgrim Edition of his letters From over fourteen thousand editor Jenny Hartley has cherry-picked four hundred and fifty to give readers the essence of the Sparkler of Albion This eagerly awaited selection takes us straight to the heart of his life to show us Dickens at first hand Here he is writing out of the heat of the moment as a novelist journalist and magazine editor as a social campaigner and traveler in Europe and America and as friend lover husband and father These letters were an outlet for his high spirits sparkling wit and caustic commentary striking glimpses of the world around him as seen through his highly individual and acutely observing eye Whether you dip in or read straight through this selection of his letters captures anew the brilliance of Dickens and the sheer pleasure of being in his company *The Dickens Industry* Laurence W.

Mazzeno, 2008 The story of the surprisingly fluctuating critical reputation of one of the great writers of the English language Undoubtedly the best selling author of his day and well loved by readers in succeeding generations Charles Dickens was not always a favorite among critics Celebrated for his novels advocating social reform for half a century after his death he was ridiculed by those academics who condescended to write about him Only the faithful band of devotees who called themselves Dickensians kept alive an interest in his work Then during the Second World War he was resurrected by critics and was soon being hailed as the foremost writer of his age a literary genius alongside Shakespeare and Milton More recently Dickens has again been taken to task by a new breed of literary theorists who fault his chauvinism and imperialist attitudes Whether he has been adored or despised however one thing is certain no other Victorian novelist has generated more critical commentary This book traces Dickens's reputation from the earliest reviews through the work of early 21st century commentators showing how judgments of Dickens changed with new standards for evaluating fiction Mazzeno balances attention to prominent critics from the late 19th century through the first three quarters of the 20th with an emphasis on the past three decades during which literary theory has opened up new ways of reading Dickens What becomes clear is that in attempting to provide fresh insight into Dickens's writings critics often reveal as much about the predilections of their own age as they do about the novelist Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania

Subject Guide to Books in Print, 1984 **The British Academy/The Pilgrim Edition of the Letters of Charles Dickens: Volume 12: 1868-1870** Charles Dickens, 2002-03-14 This final volume presents 1 151 letters many previously

unpublished or published only in part for the years 1868 to Dickens's death from a stroke on 9 June 1870 also included is an Addenda of 235 letters belonging to earlier volumes discovered since the publication of the first such collection in Volume 7 and a Cumulative Index of Correspondents for the entire edition. The volume begins with the final four months of Dickens's American tour of 75 readings which had been conspicuously successful throughout despite the appalling weather and his sufferings from American catarrh. The tour culminated on 18 April 1868 when the American Press held a dinner in his honour in New York. In July he rented Windsor Lodge Peckham for Ellen Ternan where she remained until after his death; he was to give two more English reading tours before his collapse at Preston on 22 April 1869. In early January 1869 he was elected President of the Birmingham and Midland Institute and a dinner in his honour was given in St George's Hall Liverpool. Between January and March 1870 he gave a series of Farewell readings in London and on 31 March *Edwin Drood* No 1 was published, illustrated by Luke Fildes; it continued monthly until 31 August. Of the friends who died during this period, much the closest were the painter Daniel Maclise to whom Dickens paid especial tribute at the Royal Academy Banquet of 30 April 1870; Mark Lemon who died only 18 days before Dickens himself and with whom he had a brief reconciliation after their bitter quarrel in 1858; and Chauncy Hare Townshend who left him £2,000 to publish as his Literary Executor. Religious Opinions of the Late Chauncy Hare Townshend which appeared in November 1870. The Letters of Charles Dickens: 1836 to 1870 Charles Dickens, 1882. *The Ends of History* Christina Crosby, 2012. Annotation: Why were the Victorians so passionate about history? How did this passion relate to another Victorian obsession, the woman question? Christina Crosby investigates the links between the Victorians' fascination with history and with the nature of women. Dickens and Modernity Juliet John, 2012. Essays exploring the ways in which Dickens' vision is both so much of its time and yet has so much resonance for today. The scale of the 2012 bicentenary celebrations of Dickens's birth is testimony to his status as one of the most globally popular literary authors the world has ever seen. Yet Dickens has also become associated in the public imagination with a particular version of the Victorian past and with respectability. His continued cultural prominence and the brand recognition achieved by his image and images suggest that his vision reaches out beyond the Victorian period. Yet what is the relationship between Dickens and the modern world? Do his works offer a consoling version of the past or are they attuned to that state of uncertainty and instability we associate with the nebulous but resonant concept of modernity? This volume positions Dickens as both a literary and a cultural icon with a complex relationship to the cultural landscape in his own period and since. It seeks to demonstrate that oppositions which have pervaded approaches to Dickens: Victorian vs modern artist vs entertainer, culture vs commerce, are false by exploring the diversity and multiplicity of Dickens's textual and extra-textual lives. A specially commissioned Afterword by Florian Schweizer, Director of the Dickens 2012 celebrations, offers a fascinating insight into the shaping of this year-long public programme of commemoration of Dickens. Like the volume as a whole, it asks us to consider the nature of our connection with this quintessentially Victorian writer and what it is about.

Dickens that still appeals to people around the world Professor Juliet John holds the Hildred Carlile Chair of English Literature Royal Holloway University of London Contributors Jay Clayton Holly Furneaux John Drew Michaela Mahlberg Juliet John Michael Hollington Joss Marsh Carrie Sickmann Kim Edwardes Keates Dominic Rainsford Florian Schweizer

Themes in Dickens Peter J. Ponzio, 2018-03-13 The Victorian age is often portrayed as an era of repressive social mores Yet this simplified view ignores the context of Great Britain's profound shift through rapid industrialization from rural to metropolitan life during this time Throughout his career Charles Dickens addressed the numerous changes occurring in Victorian society His portrayals of organized religion class distinction worker's rights prison reform and rampant poverty resonated with readers experiencing social upheaval Focusing on his novels nonfiction writing speeches and personal correspondence this book explores Dickens's use of these themes as both literary devices and as a means to effect social progress

Charles Dickens Michael Slater, 2009-01-01 This long awaited biography twenty years after the last major account uncovers Dickens the man through the profession in which he excelled Drawing on a lifetime's study of this prodigiously brilliant figure Michael Slater explores the personal and emotional life the high profile public activities the relentless travel the charitable works the amateur theatricals and the astonishing productivity But the core focus is Dickens career as a writer and professional author covering not only his big novels but also his phenomenal output of other writing letters journalism shorter fiction plays verses essays writings for children travel books speeches and scripts for his public readings and the relationships among them Slater's account rooted in deep research but written with affection clarity and economy illuminates the context of each of the great novels while locating the life of the author within the imagination that created them It highlights Dickens boundless energy his passion for order and fascination with disorder his organizational genius his deep concern for the poor and outrage at indifference towards them his susceptibility towards young women his love of Christmas and fairy tales and his hatred of tyranny Richly and precisely illustrated with many rare images this masterly work on the complete Dickens man and writer becomes the indispensable guide and companion to one of the greatest novelists in the language

Global Dickens Nirshan Perera, 2017-03-02 This volume of essays provides a selection of leading contemporary scholarship which situates Dickens in a global perspective The articles address four main areas Dickens's reception outside Britain and North America his intertextual relations with and influence upon writers from different parts of the world Dickens as traveller and the presence throughout his fiction and journalism of subjects such as race and empire that extend beyond the national contexts in which his work is usually considered Written by leading researchers from diverse countries and cultures this is an indispensable reference work in the field of Dickens studies

The letters of Charles Dickens, ed. by his sister-in-law [G. Hogarth] and his eldest daughter [M. Dickens]. Charles Dickens, 1882 *General Studies of Charles Dickens and His Writings and Collected Editions of His Works: Bibliographies, catalogues, collections, and bibliographical and textual studies of Dickens's works* Duane DeVries, 2004 *A Companion to*
