Selected Poems of Kim Namjo Nam-jo Kim, 1993 A generous selection of poems by one of Korea's most honored and highly regarded poets Kim Namjo published her first book of poems *Life Moksum* in 1953 In the years since then in another ten collections of poems she has explored in her books an intensely experienced religious faith and a passionate affirmation of life This is the first collection of poems by a Korean woman writer to be published in English language translation **The Columbia Anthology of Modern Korean Poetry** David McCann, 2004-03-24 Korea's modern poetry is filled with many different voices and styles subjects and views moves and countermoves yet it still remains relatively unknown outside of Korea itself This is in part because the Korean language a rich medium for poetry has been ranked among the most difficult for English speakers to learn *The Columbia Anthology of Modern Korean Poetry* is the only up to date representative gathering of Korean poetry from the twentieth century in English far more generous in its selection and material than previous anthologies It presents 228 poems by 34 modern Korean poets including renowned poets such as So Chongju and Kim Chiha *The Oxford Guide to Literature in English Translation* Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e.g. Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available Mujong (The Heartless) Kwang-su Yi, 2010-03-31 Yi Kwang-su 1892-1950 was one of the pioneers of modern Korean literature When the serialization of *Mujong The Heartless* began in 1917 it was an immediate sensation and it occupies a prominent place in the Korean literary canon *The Heartless* is the story of a love triangle among three youths during the Japanese occupation Yi Hyung-sik is a young man in his mid twenties who is teaching English at a middle school in Seoul Brilliant but also shy and indecisive he is torn between two women Kim Sun-hyung is from a wealthy Christian family she has just graduated from a modern Western style school and is planning on continuing her studies in the United States Pak Yung-chae is a musically gifted young woman who was raised in a traditional Confucian manner due to family misfortune she has become a *kisaeng* but remains devoted to Hyung-sik whom she knew as a child *The Heartless* goes beyond the level of romantic melodrama and uses these characters to depict Korea's struggles with modern culture and national

Silvery World and Other Stories Michael J. Pettid,2019-01-31 This anthology is an exciting new collection of Korean fiction in translation from the early years of the twentieth century that demonstrate the political and ideological divides that Koreans experienced during this time *The Pursuit of Harmony* Gustav Heldt,2010-02-28 The Heian court of the late ninth and early tenth centuries represents one of the most innovative and influential periods in the history of Japanese poetry It witnessed the creation of entirely new forms of verse in poetry matches screen poems and officially sponsored anthologies none of which had a precedent in earlier times At the apex of these phenomena lay compilation of the *Kokin wakashu* Collection of Poems Ancient and Modern whose status as the first imperial anthology of native poetry would make it integral to Japanese court culture for centuries afterward Despite the enormous historical significance of these new forms of poetry and the marked interest displayed by powerful individuals in patronizing them however little sustained attention has been paid to the ties between the practices of producing and performing verse and processes of economic ideological political and social change in this period This book is intended to address such issues through an investigation of the ways in which different members of the court community deployed poems in the pursuit of power **Reading Wang Wenxing** Shu-ning

Sciban,Ihor Pidhainy,2015-12-31 The first book length study of Wang Wenxing in English offering biographic cultural textual literary and linguistic readings of his work The essays cover topics such as Wang s writing principles typology of characters analysis of lexicon employment of stream of consciousness musicality relationship to Modernist writers of the West relationship to Lu Xun and issues of translating Wang s works into Western languages Original contributions by Wang Wenxing illuminates his own writing through a discussion of his way of reading and a biographical essay by Ch en Chu yun his wife who shares with the reader moments in their private life and the writing habits of her husband In addition this manuscript appends outlines of Wang s novels and bibliographies that are valuable to both students and scholars in their studies of Wang Wenxing s writing in particular as well as to the understanding of Taiwanese and Chinese literatures in general **Years of Sadness** Anyi Wang,2011-03-31 This anthology focuses on autobiographical works by Wang Anyi the

The Secret Island and the Enticing Flame Edwin A. Cranston, 2010-03-31 The three essays in this book draw on the translator's work on love poetry classical waka and the tanka of Yosano Akiko 1878 1942 but also introduce the prose poems and free verse of a contemporary surrealist poet Mizuno Ruriko whose themes are childhood and the loss of innocence The Secret Island and the Enticing Flame shows the translator of poetry experimenting with three different ways to present the results of his craft In the Dark of the Year is an essay in sequencing Cranston arranges translations of fifty love poems in the tanka form ranging from the ancient chronicle Kojiki to the contemporary poet Tawara Machi in an examination of desire melancholy and despair The arrangement inspired by the technique of association and progression suggests an ongoing love story and limns the essence of the classical love tradition Young Akiko The Literary Debut of Yosano Akiko 1878 1942 adopts a biographical approach Richly documented with the astonishing tanka of the young poet who burst on the literary scene in 1900 this essay updates the author's article originally published in 1977 in Literature East and West Finally the longest essay The Dark at the Bottom of the Dish Fishing for Myth in the Poetry of Mizuno Ruriko shows Cranston working outside his usual box on the poems of a contemporary surrealist whose deepest themes are childhood and loss of innocence Mizuno hitherto not well known outside Japan is a master of the prose poem and free verse Cranston's essay shows the translator searching for the mysterious power that draws him to a poetry quite different from any on which he has previously worked

Stateless Subjects Petrus Liu, 2012-01-31 Known in the West primarily through poorly subtitled films Chinese martial arts fiction is one of the most iconic and yet the most understudied form of modern sinophone creativity Current scholarship

on the subject is characterized by three central assumptions against which this book argues first that martial arts fiction is the representation of a bodily spectacle that historically originated in Hong Kong cinema second that the genre came into being as an escapist fantasy that provided psychological comfort to people during the height of imperialism and third that martial arts fiction reflects a patriotic attitude that celebrates the greatness of Chinese culture which in turn is variously described as the China complex colonial modernity essentialized identity diasporic consciousness anxieties about globalization or other psychological and ideological difficulties experienced by the Chinese people **Asian Christian Theologies: Northeast Asia** John C. England, 2002 V 1 Asia region 7th 20th centuries South Asia Austral Asia v 2 Southeast Asia v 3 Northeast Asia **Negotiated Power in Late Imperial China** Jennifer Rudolph, 2010-02-28 Negotiated Power in Late Imperial China The Zongli Yamen and the Politics of Reform explores the nature and functioning of reform during the nineteenth century of China's Qing dynasty 1644 1911 By analyzing the bureaucratic modes of management that developed around the creation and evolution of the Zongli Yamen or Foreign Office 1861 1901 the book demonstrates the vitality of not only the Chinese State but also the institutional traditions of its Manchu rulers Drawing on precedent and the flexibility of the administrative system in their efforts to manage the conduct of foreign affairs high Qing ministers transformed opportunities for institutional dynamism into the reality of a functioning central Zongli Yamen with a foreign affairs field administration supporting it in the provinces In the process they altered the governmental hierarchy and changed the definition of institutional power in the multi faceted area of foreign affairs and more generally for the Qing bureaucracy As the most significant example of institutional development in China's critical period of the nineteenth century the Zongli Yamen's experience serves as valuable background for understanding reform efforts in late imperial China and beyond

Portrait of a Suburbanite Seung-Ja Choi, 2015-01-31 This volume is a translation of Choi Seung ja's 1991 anthology titled *Portrait of a Suburbanite* Published in the series of 100 Prominent Korean Poets by Mirae Press the poems in this volume were selected from four of Choi's previous works titled *Love of This Age* 1981 *Merry Diary* 1984 *House of Memory* 1989 and the subsequently published *My Tomb Green* 1993 Speaking with a fierce sense of equality and independence Choi Seung ja's poetry battled ossified forms of language not only on the political but also the personal front Like her male colleagues Choi parodied and critiqued the idol of the father but even further she insightfully explored irreverent content to reveal the gendered constraints of the lyric form In particular Choi exposed the idolatrous power of the lover the basis of exploitation and injustice at the most intimate level On top of their political disempowerment as citizens the private and domestic alienation of women as daughters lovers and wives form a deep stratum of repression When Choi's women personae broke this long silence of compliance nurtured by the traditional lyric and voiced themselves as exploited and traumatized yet fearless and tenacious human beings the shock of this transgression shook the nation In turn it demonstrates how long and how powerfully the gender constrictions had been imposed on Korean women **Traces in the Way** Noel J.

Pinnington,2010-03-31 *Traces in the Way* is simultaneously a critical interpretation of the writings of noh playwright and thinker Komparu Zenchiku 1407-1470 a refutation of received views of Japanese traditional arts michi and an analysis of medieval Japanese uses of texts The disciplinary approach is broadly that of cultural studies combining close reading social contextualization and drawing on multiple fields The study is organized through the five elements that Konishi Jin ichi identified as essential to michi specialization transmission conformity universality and authority Each of these is examined critically and revised providing a basis from which Zenchiku's works can be elucidated This new approach makes it possible to solve much that in conventional studies has remained puzzling about Zenchiku's works including the principles behind the works of classification the purposes that resulted in the *rokurin ichiro* works and the ideology present in the fragmentary work *Meishukushu* It becomes clear that Zenchiku far from being a docile recipient of his teacher Zeami's legacy combined Zeami's texts with those of other michi to radically reposition his own practice in the cultural fields of his day Zenchiku drew on a range of legitimating styles to fashion a new rationale for performance one adequate to changing patronage requirements and appropriate to the circumstances of his troupe In this position taking Zenchiku was strikingly successful as is witnessed by the survival of the Komparu line through the chaotic century after his death With this book we come to know a good deal about sarugaku's transmission in the fifteenth century enough to remedy a facile idealization of Japanese michi

The Last Biwa Singer Hugh de Ferranti,2010-03-31 This work is an exposition of the traditions of Japanese blind singers who accompanied themselves on the biwa and of the complex identity of Yamashika Yoshiyuki 1901-1996 a man widely portrayed as the last such living relic of the medieval bards called biwa hoshi The author draws upon approaches from Japanese historical and literature studies performance studies and ethnomusicology in an examination of history which yielded on the one hand images of blind singers that still circulate in Japan and on the other a particular tradition of musical story telling and rites in regional Kyushu of representations of Yamashika in diverse media of his experience training for and making a living as a professional performer and rituals from the 1920s on and of the oral compositional process in performances made between 1989 and 1992

The Art of Being Alone Shuntaro Tanikawa,2011-08-31 This extensive selection of Tanikawa Shuntaro's poetry reflects the full depth and breadth of his work from his appearance as a fresh new voice to the mastery of his later poetry It traces his artistic development and his shift in focus from man's cosmic destiny to the pathos of everyday life and a more internalized struggle with the nature of human expression Lovers of poetry will find the experience exhilarating The only such collection in English this volume will prove indispensable to students and scholars of Japanese literature as it opens a valuable new perspective on postwar Japanese literature The Introduction clarifies the social and artistic background of Tanikawa's extraordinary work and career illuminating major themes as his poetry evolves over time
