# Selected Poems Edinburgh Bilingual Library 4

**John Frow**

#### **Selected Poems Edinburgh Bilingual Library 4:**

Fernando Pessoa : The Bilingual Portuguese Poet Anne Terlinden, 1990 The purpose of this book is to shed light on the rather unexplored English facet of Fernando Pessoa considered one of the major Portuguese poets of the twentieth century The originality of this study also lies in its extensive use of unpublished documents Out of the bulk of Pessoa s English writings The Mad Fiddler has been selected it offers not only poems of better quality than most of his writings in English but it also has the advantage of being a complete and coherent suite of mystical poems A systematic comparative study of the themes in The Mad Fiddler and in the poems by the four Portuguese heteronyms reveals a clear continuity and shows that Pessoa s bilingual Poetry is based on his main ontological quest which he tried to solve by means of his dramatic scattering into masks After this comparative analysis the individuality of The Mad Fiddler is defined Following an overview of the unpublished English writings found in the Pessoaan legacy The Mad Fiddler is analysed by means of Pessoa s own unpublished comments An investigation of Pessoa s private French library and of his unpublished Literary Appreciations proves how fully he understood the impact of Symbolism on the evolution of Modern Art The Mad Fiddler could indeed be viewed as an English echo of Pessoa s interest in modern trends in Literature and as a kind of English microcosm of Pessoa s aesthetic theory *Mercè Rodoreda* M. Isidra Mencos, 2004 This annotated bibliography of one of the best known Catalan authors selects and comments on 198 critical narrative works including nine biographical studies It provides a detailed analysis of the critical perspectives which have been used to analyze Rodoreda s works referring the reader to the bibliographical entries which best illustrate certain theoretical approaches or themes **Library of Congress Catalogs** Library of Congress, 1976 **Catalog of Copyright Entries.
