language and Gaelic literature Taken together the chapters provide a thorough and thought provoking account of the century's literature *Scottish Modernism and its Contexts 1918-1959* Margery Palmer McCulloch, 2009-05-15 This innovative book proposes the expansion of the existing idea of an interwar Scottish Renaissance movement to include its international significance as a Scottish literary modernism interacting with the intellectual and artistic ideas of European modernism as well as responding to the challenges of the Scottish cultural and political context Topics range from the revitalisation of the Scots vernacular as an avant garde literary language in the 1920s and the interaction of literature and politics in the 1930s to the fictional re imagining of the Highlands the response of women writers to a changing modern world and the manifestations of a late modernism in the 1940s and 1950s Writers featured include Hugh MacDiarmid Lewis Grassie Gibbon Neil M Gunn Edwin and Willa Muir Catherine Carswell Sydney Goodsir Smith and Sorley MacLean **An Introduction To Scottish Ethnology** Alexander Fenton, Margaret A. Mackay, 2013-08-06 The publication of *An Introduction to Scottish Ethnology* sees the completion of the fourteen volume *Scottish Life and Society* series originally conceived by the eminent ethnologist Professor Alexander Fenton The series explores the many elements in Scottish history language and culture which have shaped the identity of Scotland and Scots at local regional and national level placing these in an international context Each of the thirteen volumes already published focuses on a particular theme or institution within Scottish society This introduction provides an overview of the discipline of ethnology as it has developed in Scotland and more widely the sources and methods for its study and practical guidance on the means by which it can be examined within its constituent genres based on the experience of those currently working with ethnological materials Theory and practice are presented in an accessible fashion making it an ideal companion for the student the scholar and the interested amateur alike *Beyond Scotland*, 2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture *Essays on James Clarence Mangan* S.
