## **Selected Readings In The Anthropology Of Religion Theoretical And Methodological Essays:**

**Selected Readings in the Anthropology of Religion** Stephen D. Glazier, Charles A. Flowerday, 2003-12-30 Brings together in one volume a number of key theoretical and methodological advances in the anthropological study of religion Chapters cover important topics not ordinarily included in books dealing with the anthropology of religion e g bipedalism the study of alcohol film and video images notions of religious agency In addition this collection is intended to build bridges between anthropologists of religion and religious studies scholars Over the last four decades anthropologists have grappled with the dialectical relationship between the examination of cultures from the emic or insider perspective and the etic or outsider perspective Nowhere is this creative tension more evident than in the anthropological study of religion In this volume anthropologists and religious studies scholars come to terms not only with a landscape that has shifted fundamentally but a landscape that is still shifting Essays in this collection raise new and important issues for the anthropological study of religion in new and important ways In intensely personal essays a number of contributors address two fundamental concerns in the study of religion 1 how should anthropologists deal with the beliefs and practices of others and 2 how should anthropologists deal with their own religious backgrounds and beliefs as these may affect their understanding of the beliefs and practices of others A partial resolution to both questions is necessary before the anthropological study of religion can advance to a higher level

**Encyclopedia of Anthropology** H. James Birx, 2006 Focuses on physical social and applied anthropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories [The World's Religions](#) Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

**The Routledge Companion to the Study of Religion** John R. Hinnells, 2005 The Routledge Companion to the Study of Religion contains everything a student needs for a full understanding of theory and methods in religious studies It begins by explaining the most important methodological approaches to religion including psychology philosophy anthropology and comparative study before moving on to explore a wide variety of critical issues Written entirely by renowned international specialists and using clear and accessible language throughout it is the perfect guide to the problems and questions found in courses and exams

**The Routledge Companion to the Study of Religion , 21st Century Anthropology: A Reference Handbook** H. James Birx, 2010-06-10 Highlighting the most important topics issues questions and debates these

two volumes offer full coverage of major subthemes and subfields within the discipline of anthropology      **Philosophy and the Study of Religions** Kevin Schilbrack, 2014-03-03 *Philosophy and the Study of Religions A Manifesto* advocates a radical transformation of the discipline from its current narrow focus on questions of God to a fully global form of critical reflection on religions in all their variety and dimensions Opens the discipline of philosophy of religion to the religious diversity that characterizes the world today Builds bridges between philosophy of religion and the other interpretative and explanatory approaches in the field of religious studies Provides a manifesto for a global approach to the subject that is a practice centred rather than a belief centred activity Gives attention to reflexive critical studies of religion as socially constructed and historically located      **Legal Anthropology** James M. Donovan, 2007-12-28 *Legal Anthropology An Introduction* offers an initial overview of the challenging debates surrounding the cross cultural analysis of legal systems Equal parts review and criticism James M Donovan outlines the historical landmarks in the development of the discipline identifying both strengths and weaknesses of each stage and contribution Legal Anthropology suggests that future progress can be made by looking at the perceived fairness of social regulation rather than sanction or dispute resolution as the distinguishing feature of law

**Up the Steep and Stony Road** Byron G. Curtis, 2006      **Glocal Religions** Victor Roudometof, 2018-11-07 This book is a printed edition of the Special Issue *Glocal Religions* that was published in *Religions*      *The Routledge Handbook of Wine and Culture* Steve Charters, Marion Demossier, Jacqueline Dutton, Graham Harding, Jennifer Smith Maguire, Denton Marks, Tim Unwin, 2022-04-26 This title was a prize winner at the OIV International Organisation of Vine and Wine Awards 2023 The link between culture and wine reaches back into the earliest history of humanity The Routledge Handbook of Wine and Culture brings together a newly comprehensive interdisciplinary overview of contemporary research and thinking on how wine fits into the cultural frameworks of production intermediation and consumption Bringing together many leading researchers engaged in studying these phenomena it explores the different ways in which wine is constructed as a social artefact and how its representation and use acquire symbolic meaning Wine can be analysed in different ways by varying disciplines involved in exploring wine and culture anthropology economics and business geography history and sociology and as text The Handbook uses these as lenses to consider how producers intermediaries and consumers use and create cultural significance Specifically the work addresses the following how wine relates to place belief systems and accompanying rituals how it may be used as a marker of the identity and mechanisms of civilising processes often in conjunction with food and the arts how its framing intersects with science and nature the ideologies and power relations which arise around all these activities and the relation of this to wine markets and public institutions This is essential reading for researchers and students in education for the wine industry and in the humanities and social sciences engaged in understanding patterns of human ingenuity and interaction such as sociology anthropology economics health geography business tourism cultural studies food studies and history      An Ethnography of Faith. Personal Conceptions of Religiosity in the Soutpansberg, South Africa, in the Early 20th

Century Caroline Jeannerat,2023-01-20 Research into the history of Christian missions in the context of colonialism has focused primarily on missions as institutions and on the ways in which people were integrated into the economic political and ideological spheres of imperial powers Reduced to an experience occurring within a person faith was deemed unapproachable by scientific methods This has in effect constituted a silence regarding the everyday experience of religiosity among those drawn to Christianity The Ethnography of Faith is a detailed study of the ways in which people engage with and experience the religious in order to recognise and understand this suppressed voice of religiosity In her analysis of the Lutheran church in the Soutpansberg of early 20th century South Africa Caroline Jeannerat listens closely to how people describe their own faith and that of others in the archive in accounts of work done in texts written for mission publications in songs composed for church services in letters and newspaper articles and in oral memories A careful reading of this archive for breaks for misunderstandings and oppositions for sentiments of agreement praise compatibility and claims of shared experiences identifies negotiations of meaning which give indications of conceptualisations of faith that stand in distinction to those of the missionaries and their expectations

Hasidism Marcin Wodzinski,2018-06-01 Hasidism is one of the most important religious and social movements to have developed in Eastern Europe and the most significant phenomenon in the religious social and cultural life of the Jewish population in Eastern Europe from the eighteenth century up to the present day Innovative and multidisciplinary in its approach Hasidism Key Questions discusses the most cardinal features of any social or religious movement definition gender leadership demographic size geography economy and decline This is the first attempt to respond those central questions in one book Recognizing the major limitations of the existing research on Hasidism Marcin Wodzinski s Hasidism offers four important corrections First it offers anti elitist corrective attempting to investigate Hasidism beyond its leaders into the masses of the rank and file followers Second it introduces new types of sources rarely or never used in research on Hasidism including archival documents Jewish memorial books petitionary notes quantitative and visual materials Third it covers the whole classic period of Hasidism from its institutional maturation at the end of the eighteenth century to its major crisis and decline in wake of the First World War Finally instead of focusing on intellectual history the book offers a multi disciplinary approach with the modern methodologies of the corresponding disciplines sociology and anthropology of religion demography historical geography and more By combining some oldest central questions with radically new sources perspectives and methodologies Hasidism Key Questions will provide a radically new look at many central issues in historiography of Hasidism one of the most important religious movements of modern Eastern Europe

**State, Nationalism, and Islamization** Raja M. Ali Saleem,2017-07-11 This book argues that Islam s role in state nationalism is the best predictor of the Islamization of government using two most different cases Turkey which was an aggressively secular country until recently and Pakistan a country that is synonymous with Islamization It establishes a causal link between Islam s role in state nationalism and Islamization of government during various periods of the history of

both countries The indicators used to establish the causal link between Islam s role in state nationalism and Islamization are the presence of Islamic provisions in the constitution Islam inspired national symbols Islamic images on the national currency Islamic basis of family law a Department of Religious Affairs and governmental support for religious education The book concludes by identifying three causal mechanisms legitimacy mobilization and authenticity that link Islam s role in state nationalism and the Islamization of government

**Jesus Imandars and Christ Bhaktas** Jonas Adelin Jørgensen,2008 The massive changes of Christianity during the 20th century raise the perennial question about its identity in a new radical form The author addresses the question of identity and asks how globalisation religious pluralism and the polycentric nature of Christianity affect Christian self identification and theological reflection First religious life and theological reflection among believers in Jesus from Muslim and Hindu background in South Asia is presented in two empirical studies Secondly the findings are analysed and interpreted within a broad theoretical framework drawing on models for syncretistic processes from history of religions cultural anthropology and Christian theology Finally the study concludes with a systematic theological perspective on the interreligious hermeneutics underlying the changes of Christianity and discusses how interreligious hermeneutics might inform missiology as well as Christian theologies of religions and how this might challenge our understanding of the church s nature and mission In conclusion it is argued that a global polycentric Christianity can be interpreted as fellowship created by the Spirit and centred on Christ

*Custodians of Purity* Tamasin Ramsay,2024-10-26 Dive into the mystical world of the Brahma Kumaris with this compelling book that integrates anthropological rigour with a personal quest for spiritual truth Drawing on extensive field research and rich personal narrative Tamasin Ramsay explores purity as a transformative force an ideal and an everyday practice Through the experiences of four women she examines how the concept of purity influences their lives and transcends cultural boundaries their stories of struggle revelation and resilience highlight the impact of purity in fostering profound self respect and peace More than an academic study this book invites readers to deeply engage with purity urging a re evaluation of this concept beyond the superficial towards a dynamic process that cultivates inner sovereignty and benevolence The book explores BK Raja Yoga as a spiritual discipline seen by its members as essential for returning to one s core nature linking personal transformation to broader change and illustrating how individual clarity can resonate across communities *Custodians of Purity* invites readers on a journey of self discovery and spiritual authenticity in a world craving genuine connection
