clerk and secretary prepared her for future positions as journalist and political administrator. She also possessed the rhetorical skills and independent thinking that would help her challenge Marcus Garvey and the other men in Garvey's organization, the Universal Negro Improvement Association and African Communities League (UNIA). In allowing Jacques Garvey's work to largely speak for itself, the volume reveals that she concerned herself with a diversity of important and often controversial political and social issues rather than the stereotypical domestic matters expected of most women's pages of the time period. By examining her selected writings in *The Negro World*, this volume affords its readers a better understanding of Jacques Garvey's powerful contribution not only to Garveyism but also to the growth of Black radical thought, anti-imperialist ideology, and the rights of third world women. This timely study sheds new light on Jacques Garvey's pivotal role as a Black female writer and thinker during the twenties.
