Brown, 2011 Focusing on W B Yeats's ideal of mutual support between the arts and on the cultural production of the Yeats circle members Karen Brown explores the artistic relationships and outcome of Yeats's vision in five case studies In so doing the author makes use of primary materials and fresh archival evidence and delves into a variety of media including embroidery print illustration theatre costume design poetry and painting *Selected Writings of John V. Yeats** Hilary Pyle, Jack Butler Yeats, 1992 *Yeats Annual No. 10* Warwick Gould, 2016-07-27 *Yeats Annual No 10* finds new thresholds and margins in Yeats's thought and work It concentrates upon his plays his occult concerns with spiritualism and the Irish belief in an otherworld and closely examines certain aspects of

his textual state and the borders of his canon The admirable Yeats Annual a powerful base of biographical and textual knowledge Since 1982 the vade mecum of Yeats full of interest Bernard O Donoghue The Times Literary Supplement J. M. Synge Seán Hewitt, 2021-01-07 This book is a complete re assessment of the works of J M Synge one of Ireland s major playwrights The book offers the first complete consideration of all of Synge s major plays and prose works in nearly 30 years drawing on extensive archival research to offer innovative new readings Much work has been done in recent years to uncover Synge s modernity and to emphasise his political consciousness This book builds on this re assessment undertaking a full systematic exploration of Synge s published and unpublished works Tracing his journey from an early Romanticism through to the more combative modernism of his later work the book s innovative methodology treats text as process and considers Synge s reading materials his drafts letters diaries and journalism turning up exciting and unexpected revelations Thus Synge s engagement with occultism pantheism socialism Darwinism and even a late reaction against eugenic nationalisms are all brought into the critical discussion Breaking new ground in ascertaining the tenets of Synge s spirituality and his aesthetic and political idealization of harmony with nature the book also builds on new work in modernist studies arguing that Synge can be understood as a leftist modernist exhibiting many of the key concerns of early modernism but routing them through a socialist politics Thus this book is valuable not only to considerations of Synge and the Irish Revival but also to modernist studies more broadly Irish Modernism Edwina Keown, Carol Taafe, 2010 An examination of the emergence reception and legacy of modernism in Ireland Engaging with the ongoing re evaluation of regional and national modernisms the essays collected here reveal both the importance of modernism to Ireland and that of Ireland to modernism This collection introduces fresh perspectives on modern Irish culture that reflect new understandings of the contradictory and contested nature of modernism itself J. M. Synge and Travel Writing of the Irish Revival Giulia Bruna, 2017-10-31 Between the late 1890s and the early 1900s the young Irish writer John Millington Synge journeyed across his home country documenting his travels intermittently for ten years His body of travel writing includes the travel book The Aran Islands his literary journalism about West Kerry and Wicklow published in various periodicals and his articles for the Manchester Guardian about rural poverty in Connemara and Mayo Although Synge s nonfiction is often considered of minor weight compared with his drama Bruna argues persuasively that his travel narratives are instances of a pioneering ethnographic and journalistic imagination J M Synge and Travel Writing of the Irish Revival is the first comprehensive study of Synge s travel writing about Ireland compiled during the zeitgeist of the preindependence Revival movement Bruna argues that Synge s nonfiction subverts inherited modes of travel writing that put an emphasis on Empire and Nation Synge s writing challenges these grand narratives by expressing a more complex idea of Irishness grounded in his empathetic observation of the local rural communities he traveled amongst Drawing from critically neglected revivalist travel literature newspapers and periodicals and visual and archival documents Bruna sketches a new portrait of a seminal Irish Literary Renaissance figure

and sheds new light on the itineraries of activism and literary engagement of the broader Revival movement *Dictionary of British Cartoonists and Caricaturists* Mark Bryant, Simon Heneage, 2022-01-25 Originally published in 1994 this dictionary provides a unique who's who of the major figures in the world of British cartoons and caricatures. The *Dictionary of Twentieth-Century British Cartoonists and Caricaturists* offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched.

The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers James Karman, 2011-10-12 The 1930s marked a turning point for the world. Scientific and technological revolutions, economic and social upheavals and the outbreak of war changed the course of history. The 1930s also marked a turning point for Robinson Jeffers, both in his career as a poet and in his private life. The letters collected in this second volume of annotated correspondence document Jeffers' rising fame as a poet, his controversial response to the turmoil of his time, his struggles as a writer, the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him. The letters also provide an intimate portrait of Jeffers' relationship to his wife Una, including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos, New Mexico, that nearly destroyed their marriage.

[Selected Essays of Sean O'Faolain](#) Brad Kent, 2016-10-01 Sean O'Faolain, 1900-1991, was Ireland's leading social and political critic in the period following the country's independence from the United Kingdom. Since his death, scholarly opinion has alternately cast him as an arch revisionist, a liberal nationalist and a frustrated republican. *The Selected Essays of Sean O'Faolain* reassesses his reputation.

by showing that he wrote in the tradition of post Enlightenment European intellectuals and that while he was a significant figure in Ireland his work extends beyond immediate national concerns This volume includes over fifty unabridged essays by O Faolain on a wide range of subjects from canonical writers to architecture from religious scandals to economics from nationalism to internationalism from long dead historical figures to recent controversies O Faolain's fearlessness in taking on the major political cultural and religious figures of his day his masterly use of rhetoric and his intellectual acuity have contributed to his works being quoted often by scholars working across several disciplines Many of these essays appear here in print for the first time since they were published in the foremost periodicals of their day An extensive introduction and helpful annotations contextualise and explain them for a new audience In his re readings of history and challenges to dominant historiographical trends O Faolain has become a pariah to some and a hero to others The Selected Essays of Sean O Faolain bridges some of these competing visions presenting a more complex figure through his varied corpus of writing

Literary Drowning Stephanie Pocock Boeninger, 2020-10-23 Literary depictions of drowning or burial at sea provide fascinating glimpses into the often conflicted human relationship with memory For many cultures and religious traditions properly remembering the dead involves burial a funeral and some kind of grave marker Traditional rituals of memorialization are disturbed by the drowned body which may remain lost at sea or be washed up unrecognized on a distant shore The first book of its kind Literary Drowning explores depictions of the drowned body in twentieth century Irish and Caribbean postcolonial literature uncovering a complex transatlantic conversation that reconsiders memory forgetfulness and the role that each plays in the making of the postcolonial subject and nation Faced with fissures in cultural memory postcolonial writers often identify their situation and their nation s with that of the drowned body Floating aimlessly without a grave unmemorialized and perhaps unremembered the drowned corpse embodies the troubled memory of the postcolonial nation or individual Boeninger follows a trail of drowned bodies and literary influence from the turn of the century Irish playwright J M Synge through the poems and plays of St Lucian Nobel laureate Derek Walcott to the lesser known work of Guyanese British novelist and poet David Dabydeen and finally to the contemporary Irish plays of Marina Carr Each author while borrowing

from those who came before changes the image of the drowned body to reflect different facets of the project of remembering postcolonially
