The Selected Writings of Lafcadio Hearn Lafcadio Hearn, 1971 The Selected Writings of Lafcadio Hearn Henry **Selected Writings of Lafcadio Hearn** Lafcadio Hearn, 1953 The Selected Writings of Lafcadio Goodman, 1983-08 Hearn. Edited by Henry Goodman, Etc Lafcadio Hearn, Henry GOODMAN (of Brooklyn, New York.), 1949 The Selected Writings of Lafcadio Hearn Cowley Malcolm.1949 Lafcadio Hearn, Selected Writings, 1872-1877 Lafcadio Hearn, William Johnson, 1979 Whimsically Grotesque Lafcadio Hearn, Cameron McWhirter, 2009 Selected writings of Lafcadio Hearn in The Cincinnati Enquirer 1872 1875 contains 25 reports as chapters divided by four parts part 1 19th Century Cincinnati part 2 Visions of Poverty and Crime part 3 Ghosts and Corpses and part 4 Murder Most Foul The Tanyard Case The book contains many photographs and illustrations to help readers visualize incidents 340 pages with complete Selected Writings Lafcadio Hearn, 1949 The Neo-Buddhist Writings of Lafcadio Hearn Japanese translation Antony Goedhals, 2020-04-20 The Neo Buddhist Writings of Lafcadio Hearn Light from the East by Antony Goedhals offers radical rereadings of a misunderstood and undervalued Victorian writer It reveals that at the metaphysical core of Lafcadio Hearn's writings is a Buddhist vision as yet unappreciated by his critics and biographers Beginning with the American writings and ending with the essay and story meditations of the Japanese period the book demonstrates Hearn's deeply personal and transcendently beautiful evocations of a Buddhist universe and shows how these deconstruct and dissolve the categories of Western discourse and thinking about reality to create a new language a poetry of vastness emptiness and oneness that had not been heard before in English or indeed in the West Lafcadio Hearn's America Simon I. Bronner, 2021-12-14 The American essays of renowned writer Lafcadio Hearn 1850 1904 artistically chronicle the robust urban life of Cincinnati and New Orleans Hearn is one of the few chroniclers of urban American life in the nineteenth century and much of this material has not been widely available since the 1950s Lafcadio Hearn's America collects Hearn's stories of vagabonds river people mystics criminals and some of the earliest accounts available of black and ethnic urban folklife in America He was a frequently consulted expert on America during his years in Japan and these editorials reflect on the problems and possibilities of American life as the country entered its greatest century Hearn's work which reflects an America that is less melting pot than a varied spicy and often exotic gumbo provide essential background for the study of America's first steps away from its agrarian beginnings **The Collected Writings of Joe Brainard Joe** Brainard, 2012-03-29 Discover the works of Joe Brainard whose quirky style earned him a reputation as a recognizable American phenomenon and oddball classicist with a foreword by 4321 author Paul Auster John Ashbery An artist associated with the New York School of poets Joe Brainard 1942 1994 was a wonderful writer whose one of a kind autobiographical work I Remember has had a wide and growing influence It is joined in this major new retrospective with many other pieces that for the first time present the full range of Brainard's writing in all its deadpan wit madcap inventiveness self revealing

frankness and generosity of spirit The Collected Writings of Joe Brainard gathers intimate journals jottings stories one liners comic strips mini essays and short plays many of them available until now only as expensive rarities if at all Brainard disarms us with the seemingly tossed off spontaneous nature of his writing and his stubborn refusal to accede to the pieties of self importance writes Paul Auster in the introduction to this collection These little works are not really about anything so much as what it means to be young that hopeful anarchic time when all horizons are open to us and the future appears to be without limits Assembled by the author's longtime friend and biographer Ron Padgett and including fourteen previously unpublished works here is a fresh and affordable way to rediscover a unique American artist Selected Essays Samuel Butler, Henry Festing Jones, 1927 The Age of Movies: Selected Writings of Pauline Kael Pauline Kael, 2011-10-27 A master film critic is at her witty exhilarating and opinionated best in this career spanning collection featuring pieces on Bonnie and Clyde The Godfather and other modern movie classics Film criticism is exciting just because there is no formula to apply Pauline Kael once observed just because you must use everything you are and everything you know Between 1968 and 1991 as regular film reviewer for The New Yorker Kael used those formidable tools to shape the tastes of a generation She had a gift for capturing with force and fluency the essence of an actor's gesture or the full implication of a cinematic image Kael called movies the most total and encompassing art form we have and her reviews became a platform for considering both film and the worlds it engages crafting in the process a prose style of extraordinary wit precision and improvisatory grace Her ability to evoke the essence of a great artist an Orson Welles or a Robert Altman or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self deceptions of a corrupt movie industry Here are her appraisals of era defining films such as Breathless Bonnie and Clyde The Leopard The Godfather Last Tango in Paris Nashville along with many others some awaiting rediscovery all providing the occasion for masterpieces of observation and insight alive on every page **SELECTED ESSAYS** SIR EDMUND GOSSE,1928 The Grass Lark . It is remarkable how persistent a minor writer may be He may lack the large vision and universal message of the great writer but instead possess a clear true intense view of particular places peoples and situations that renders his work unique and irreplacable Lafcadio Hearn 18501904 is such a figure in American literature Best known as a scholar of Japanese culture Hearn was a remarkable journalist translator travel writer and perhaps second only to Poe in the literature of the macabre and supernatural Hearn's life as strange and colorful as his work is brilliantly recounted in Elizabeth Stevenson's sensitive and sympathetic biography The range of Hearn's writing is reflected in the peripatetic course of his life The son of an Irish father and a Greek mother he was born on the Ionian island of Leucadia was raised in Dublin and came to America at the age of nineteen His early career was spent as a journalist Without a trace of condescension or pity he entered into the lives of the dock workers of Cincinnati the Creoles of New Orleans and Martinique and later the common villagers of Japan describing how they lived and worked and what they believed No mere seeker after the exotic Hearn's immersion in Japanese culture

following his emigration in 1890 was born of a profound affinity of mind and sensibility In Japan the clarity and force of his expression matured Here Hearn found a beautifully ordered artistically sensitive society but one indifferent to individualism In later years he saw a society also increasingly susceptible to modern forces of authoritarianism militarism and xenophobia Horrified by the dehumanizing potential of these forces in East and West alike Hearn remained acutely sensitive to the most minute experience His study of Japanese folklore and his retelling of its tales and ghost stories combine insight into the universals of the larger human world with an exquisite appreciation of how small things matter Elizabeth Stevenson s book is as much about the writer as the man While giving an accurate measure of the scale of Hearn's achievement she makes a compelling case for its artistry Her reading demonstrates that his writings are not mere aids to the understanding of various cultures but ends in themselves Hearn did not just translate the folklore of other cultures he recreated it The Grass Lark will interest literary scholars American studies specialists and folklorists Elizabeth Stevenson held a variety of positions during her working life She found a home at Emory University and retired as Candler Professor of American Studies in its graduate division The Institute of the Liberal Arts She is the author of Henry Adams and Babbitts and Bohemians both available from The Outsider: The Life and Work of Lafcadio Hearn Steve Kemme, 2023-09-12 Step into the extraordinary life Transaction of the man who made an impact as an observer wherever he lived and went on to become the leading western interpreter of Japan and Japanese culture a position he still occupies today Born in Greece and abandoned as a child Lafcadio Hearn lived the life of an exile He travelled the world and became a famous writer but always felt like an outsider in Dublin London Cincinnati New Orleans and French speaking Martinique To him none of these places felt like home Hearn's life in America was punctuated by a string of successes and failures In Cincinnati he became the city's best known crime reporter but was fired after marrying a black woman Devastated he moved to New Orleans where he championed French Creole and Caribbean culture and created the city s image as a place of voodoo and debauchery the image which many Americans still hold today Hearn arrived in Japan at a time of historic change Sent there as a correspondent he soon found himself alone and jobless He settled in the remote town of Matsue firmly believing that Japan would provide him with an endless supply of rich writing material perhaps enough to last a lifetime Over the next dozen years Hearn published 15 books which were lauded by the likes of Mark Twain William Butler Yeats Albert Einstein and Charlie Chaplin Hearn's books made him famous as the leading writer on Japan and Japanese culture Discover the fascinating journey of Hearn's life and the series of events from peaks to pitfalls that shaped his remarkable story including His troubled childhood and emigration to America with no job or money His career as a popular newspaper writer and essayist in Cincinnati and New Orleans His life in Japan where he became a Buddhist married the daughter of a Samurai and took the Japanese name Yakumo Koizumi Hearn's worldwide fame as a writer especially for his works on ghosts demons monsters and the supernatural world of Japanese folklore Author Steve Kemme is president of the Lafcadio Hearn Society USA and a leading expert on Hearn's life and writings This book includes a foreword by Bon Koizumi Hearn's great grandson and director of the Lafcadio Hearn Memorial Museum in Matsue Japan along with 30 images which portray the pivotal people and places in Hearn's amazing life
