He distinguishes three families of extant mss The first is represented by the Medicean and Vatican mss Of these the Vatican though perhaps the more ancient contains only the first four books The Medicean containing all the letters except those to and from Trajan must therefore hold the first place in importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **SELECTED LETTERS OF PLINY** J.
