**Selected One-act Plays of Horton Foote** Horton Foote, 1989 Gathers seventeen short plays set in the small Texas town of Harrison *Selected One-act Plays of Horton Foote* Horton Foote, 1989 This volume brings together seventeen one act plays by the distinguished American playwright and screenwriter Horton Foote Like his acclaimed *Orphans Home Cycle* these one act plays are about the men and women of Harrison Texas a quiet farming town turned bedroom community to neighboring Houston Harrison is a place in transition where the old ways are fast being replaced by a new order whose values are money and professional success Against this backdrop of change Horton Foote tells tales of grief and rebirth despair and healing going away and coming home The first eight plays in this volume were presented on television between 1952 and 1954 at the height of the Golden Age which saw Foote Paddy Chayevsky and others achieve national recognition recognition for the memorable work presented on Playhouse 90 Philco Television Playhouse and other pioneering showcases of serious drama The nine plays which complete this collection were first produced on stage some three decades later decades which saw Foote win new acclaim as author of two Academy Award winning screenplays *To Kill a Mockingbird* and *Tender Mercies* and the Oscar nominated *The Trip to Bountiful* Though linked to Foote's earlier work these nine plays of the late seventies and the eighties are marked as well by revealing dissimilarities The subtle evolution of style and theme in the playwright's work is explored by Gerald C Wood in his insightful introduction and headnotes to the plays Foote's own fascinating comments on his continuing commitment to the one act form preface this invaluable collection **Horton Foote** Charles S. Watson, 2010-01-01 Winner of the Pulitzer Prize for Drama for *The Young Man from Atlanta* and Academy Awards for the screen adaptation of *To Kill a Mockingbird* and the original screenplay *Tender Mercies* as well as the recipient of an Academy Award nomination for the screenplay of *The Trip to Bountiful* and the William Inge Lifetime Achievement Award Horton Foote is one of America's most respected writers for stage and screen The deep compassion he shows for his characters the moral vision that infuses his social commentary and the kindness and humanity that Foote himself radiates have also made him one of our most revered artists the father figure who understands our longings for home for human connections and for certainty in a world largely bereft of these This literary biography thoroughly investigates how Horton Foote's life and worldview have shaped his works for stage television and film Tracing the whole trajectory of Foote's career from his small town Texas upbringing to the present day Charles Watson demonstrates that Foote has created a fully imagined mythical world from the materials supplied by his own and his family's and friends' lives in Wharton Texas in the early twentieth century Devoting attention to each of Foote's major works in turn he shows how this world took shape in Foote's writing for the New York stage Golden Age television Hollywood films and in his nine play masterpiece *The Orphan's Home Cycle* Throughout Watson's focus on Foote as a master playwright and his extensive use of the dramatist's unpublished correspondence make this literary biography required reading for all who admire the work of Horton Foote **The Horton**

**The History of Southern Drama** Charles S. Watson, 2021-12-14 Mention southern drama at a cocktail party or in an American literature survey and you may hear cries for Stella or laments for gentleman callers Yet

southern drama depends on much more than a menagerie of highly strung spinsters and steel magnolias Charles Watson explores this field from its eighteenth and nineteenth century roots through the southern Literary Renaissance and Tennessee Williams's triumphs to the plays of Horton Foote winner of the 1994 Pulitzer Prize Such well known modern figures as Lillian Hellman and DuBose Heyward earn fresh looks as does Tennessee Williams's changing depiction of the South from sensitive analysis to outraged indictment in response to the Civil Rights Movement Watson links the work of the early Charleston dramatists and of Espy Williams first modern dramatist of the South to later twentieth century drama Strong heroines in plays of the Confederacy foreshadow the spunk of Tennessee Williams's Amanda Wingfield Claiming that Beth Henley matches the satirical brilliance of Eudora Welty and Flannery O'Connor Watson connects her zany humor to 1840s New Orleans farces With this work Watson has at last answered the call for a single volume comprehensive history of the South's dramatic literature With fascinating detail and seasoned perception he reveals the rich heritage of southern drama
