Space, Time, Myth, and Morals: A Selection of Jao Tsung-i's Studies on Cosmological Thought in Early China and Beyond Tsung-i Jao, 2022-09-12 The articles assembled in this volume present an important selection of Professor Jao Tsung i s research in the field of the early Chinese intellectual tradition especially as it concerns the human condition Whether his focus is on myth religion philosophy or morals Jao consistently aims to describe how the series of developments broadly associated with the Axial Age unfolded in China He is particularly interested in showing how early China had developed its own notion of transcendence as well as a system of prediction and morals that enabled man to act autonomously without recourse to divine providence

DV-Made China Zhen Zhang, Angela Zito, 2015-05-31 In 1990s post Reform China a growing number of people armed with video cameras poured out upon the Chinese landscape to both observe and contribute to the social changes then underway Happening upon the crucial platform of an older independent film movement this digital turn has given us a DV China that includes film and media communities across different social strata and disenfranchised groups including ethnic and religious minorities and LGBTQ communities DV Made China takes stock of these phenomena by surveying the social and cultural landscape of grassroots and alternative cinema practices after the digital turn around the beginning of the new century The volume shows how Chinese independent amateur and activist filmmakers energize the tension between old and new media performance and representation fiction and non fiction art and politics China and the world Essays by scholars in cinema and media studies anthropology history Asian and Tibetan studies bring innovative interdisciplinary methodologies to critically expand upon existing scholarship on contemporary Chinese independent documentary Their inquiries then extend to narrative feature activist video animation and other digital hybrids At every turn the book confronts digital ironies On the one hand its portability facilitates forms of radically private film production and audience habits of small screen consumption Yet it also simultaneously links up makers and consumers curators and censors allowing for speedier circulation more discussion and quicker formations of public political and aesthetic discourses DV Made China introduces new frameworks in a Chinese setting that range from aesthetics to ethical activism from digital shooting and editing techniques to the politics of film circulation in festivals and online Politics the authors urge travels along paths of aesthetic excitement and aesthetic choices conversely always bear ethical consequences The films their makers their audiences and their distributional pathways all harbor implications for social change that are closely intertwined with the fate of media culture in the new century of a world that both contains and is influenced by China

Appropriating Antiquity for Modern Chinese Painting Chia-Ling Yang, 2023-02-09 The pursuit of antiquity was important for scholarly artists in constructing their knowledge of history and

cultural identity in late imperial China By examining versatile trends within paintings in modern China this book questions the extent to which historical relics have been used to represent the ethnic identity of modern Chinese art In doing so this book asks did the antiquarian movements ultimately serve as a deliberate tool for re writing Chinese art history in modern China In searching for the public meaning of inventive private collecting activity Appropriating Antiquity in Modern Chinese Painting draws on various modes of artistic creation to address how the use of antiquities in early 20th century Chinese art both produced and reinforced the imaginative links between ancient civilization and modern lives in the late Qing dynasty Further exploring how these social and cultural transformations were related to the artistic exchanges happening at the time between China Japan and the West the book successfully analyses how modernity was translated and appropriated at the turn of the 20th century throughout Asia and further afield
