Selected Poems 1954-1992 George Mackay BROWN,1996 Attuned to Alien Moonlight Dennis Haskell, 2002 Bruce Dawe is Australia s most popular and widely studied poet This first full scale critical study of his poetry to date reveals a richly complex and varied poet Dennis Haskell argues that the widespread view of Dawe as a social satirist is limiting and that Dawe is a more imaginative and lyrical poet than he has been given credit for as the title Attuned to Alien Moonlight indicates Daw es apparent topicality and ease of access hides deeper more mysterious and more Romantic elements in his work Haskell analyses well known and some quite unknown poems in order to build up a picture of Dawe's poetry as a whole and his chapters approach Dawe from some surprising perspectives for example in relation to Asia and as a love poet Aimed at both students of Dawe's work and the general literary reader the book places Dawe in the context of Australian poetry and cultural values and in relation to the larger traditions of poetry in English It includes a substantial bibliography and a comprehensive chronology **Poetry Today** Anthony Thwaite, 2016-04-15 This is the most authoritative and up to date survey of contemporary British poetry 1960 1995 It is the third version but second edition published by Longman of a successful survey that first appeared 30 years ago and provides a succinct and accessible overview of British poets movements and themes ideal for English courses and the general reader alike Ambition and Survival Christian Wiman, 2013-06-14 That calling at once religious ethical and aesthetic is one that only a genuine poet can hear and very few poets can explain it as compellingly as Mr Wiman does That gift is what makes Ambition and Survival not just one of the best books of poetry criticism in a generation but a spiritual memoir of the first order New York Sun This weighty first prose collection should inspire wide attention partly because of Wiman's current job partly because of his astute insights and partly because he mixes poetry criticism with sometimes shocking memoir The collection's greatest strength comes in general ruminations on the writing reading and judging poetry Publishers Weekly Wiman is a terrific personal essayist as this new collection illustrates with the command and instincts of the popular memoirist This is a brave and bracing book Booklist Blazing high style is how The New York Times describes the prose of Christian Wiman the young editor transforming Poetry the country's oldest literary magazine Ambition and Survival is a collection of stirring personal essays and critical prose on a wide range of subjects reading Milton in Guatemala recalling violent episodes of his youth and traveling in Africa with his eccentric father as well as a series of penetrating essays on writers as diverse as Thomas Hardy and Janet Lewis The book concludes with a portrait of Wiman's diagnosis of a rare form of incurable and lethal cancer and how mortality reignited his religious passions When I was twenty years old I set out to be a poet That sounds like I was a sort of frigate raising anchor and in a way I guess I was though susceptible to the lightest of winds When I read Samuel Johnson's comment that any young man could compensate for his poor education by reading five hours a day for five years that s exactly what I tried to do practically setting a timer every afternoon to let me know when the little egg of my brain was boiled It s a small miracle that I
