Selected Poems, 1963-2003 Charles Simic, 2004 Serbian by

birth brought up under Nazi occupation and transplanted to America in his teens Charles Simic has had the opportunity to distill a highly particular vision of the world in which comic gaiety goes hand in hand with the recognition of our darker spiritual and philosophical problems Blending the real and the surreal the urbane and the uncanny Simic's poems construct a neighbourhood of experience that is estranged yet recognisably at home with its surroundings He notes what the eye sees and what the subconscious has to say on the matter in a poetry which is a triumph of the plain style This selection made by the Pulitzer Prize winning author himself from forty years of writing is an outstanding overview of one of the wisest American poets Simic's writing comes dancing out on the balls of its feet colloquially fit as a fiddle a sparring partner for the world

Men of Our Time Fred Moramarco, Al Zolynas, 1992-10-01 In this groundbreaking volume Fred Moramarco and Al Zolynas bring together a comprehensive and widely representative selection of poetry reflecting both the diversity and commodity of male experience in the United States today Since the beginning of the contemporary phase of the women's movement in the 1960s various anthologies devoted to the poetry of women have articulated and defined a distinctive sensibility attuned to the particularities of a woman's life in our time Although much has been written recently about the male role in our society as well the discussion generally has assumed a sociopsychological or mythic perspective Poetry Moramarco and Zolynas believe can reveal most about the nature of male life today especially the enormous changes men have experienced in recent years As the editors state in their introduction A quiet revolution has been taking place in men's poetry over the past few decades as men have been chronicling the history of their hearts and have been examining those relationships central to their being in the world their connections to their fathers and mothers their own sense of fatherhood and of being sons and brothers their marriages divorces and other aspects of their love lives as well as the ways they conceive of maleness and femaleness The poems collected in *Men of Our Time* 257 from more than 170 poets include a wide mix of ethnic and racial perspectives that reflect the multicultural tenor of American life They reveal men's most intimate feelings about the loss of childhood sexual anxieties and fantasies aging self sufficiency and dependency and the perennial quest for a masculine identity Above all the poems are unapologetically grounded in a distinctly male experience or imagination *Men of Our Time* reclaims a poetry that is connected to and expressive of men's lives in the closing decade of the twentieth century

Modernism in Practice Leith Morton, 2004 Postwar modernist verse has been rarely discussed in English language works on Japanese literature despite the fact that it has been the dominant mode of poetic expression in Japan since World War II Now readers of modern Japanese poetry in translation have gained an impressive intellectual and linguistic companion in their enjoyment of modern Japanese verse *Modernism in Practice* combines close readings of individual Japanese postwar poets and poetry with historical and critical analysis Five of the seven chapters concentrate on the life and work of such outstanding poets as Soh Sakon Ishigaki Rin Ito Hiromi Asabuki Ryoji and Tanikawa Shuntaro Several of these writers have only come into prominence in recent decades so this work also serves to acquaint readers with contemporary Japanese verse A significant dimension of this volume is the detailed and extensive treatment afforded two important areas of postwar Japanese verse the poetry of women and of Okinawa *Modernism in Practice* is noteworthy not only as an introduction to postwar Japanese poets and their times but also for the numerous poems that appear in translation throughout the volume many for the first time in book form
