Schneider,2023-01-10 FROM THE AUTHOR OF THE BOOK OF REVELATION DECODED The Old Testament isn t just a collection of traditions from one group of people it s about Jesus as the key to salvation After reading this book you will have no doubts that Jesus is the Messiah and you will be able to read the Old Testament with the newfound revelation that God has been pointing to His Son as the Savior of the world for thousands of years Many times when inquisitive readers look to see how the New Testament authors applied the Old Testament to show that Jesus is the Messiah they become confused When the Gospel writers quote Old Testament scriptures and say This is how Jesus fulfilled it the passage quoted doesn t appear to be a prophecy at all This is because understanding Messianic prophecy is often more of an art than a science Messianic prophecy is not simply the measurement of specific prophecies about the future that Jesus fulfilled In the Hebrew tradition prophecy is not one dimensional it is not simply foretelling the future In reality the whole of Scripture is prophetic pointing us to Christ In Messianic Prophecy Revealed Rabbi Kirt A Schneider takes readers through the Word of God showing them how the New Testament writers took passages out of the Old Testament to prove that Jesus is indeed the Messiah It s a subject that sounds simple but is in fact more complex than many realize This book will show followers of Jesus why they can have absolute confidence that Jesus is who He claimed to be the Messiah *Metropolitan* ,1907 *Macfadden Fiction-lovers Magazine* ,1907 *A Selection of Choice and Valuable Old Books ...
