Prophet and Statesmen in Crafting Democracy in India Fabio Leone, 2019-09-05 Drawing on expert works early political and government records and personal correspondence Fabio Leone examines the most commonly cited explanations of the unlikely and puzzling democratization of India He concludes that the creation of Indian democracy is best understood when assessing the combination of capacities and behaviors of the Indian political leadership Through a theoretical framework he demonstrates that Indian democratization was the result of successful interplay between a limited number of key leaders with the main player being Jawaharlal Nehru Prophet and Statesmen in Crafting Democracy in India offers an explanation of the origins of Indian democracy that will interest scholars and students of comparative politics democratization political leadership and South Asian politics and history **India Since Independence** Bipan Chandra, 2008-02-11 A thorough and incisive introduction to contemporary India The story of the forging of India the world's largest democracy is a rich and inspiring one This volume a sequel to the best selling India s Struggle for Independence analyses the challenges India has faced and the successes it has achieved in the light of its colonial legacy and century long struggle for freedom The book describes how the Constitution was framed as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed It dwells on the consolidation of the nation examining contentious issues like party politics in the Centre and the states the Punjab problem and anti caste politics and untouchability This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause It also documents the fall of the National Democratic Alliance in the 2004 General Elections the United Progressive Alliance s subsequent rise to power and the Indo US Nuclear Deal that served to unravel the political consensus at the centre Apart from detailed analyses of Indian economic reforms since 1991 and wide ranging land reforms and the Green Revolution this new edition includes an overview of the Indian economy in the new millennium These along with objective assessments of Jawaharlal Nehru Indira Gandhi Jayaprakash Narayan Lal Bahadur Shastri Rajiv Gandhi Vishwanath Pratap Singh Atal Bihari Vajpayee and Manmohan Singh constitute a remarkable overview of a nation on the move Cold Wars Lorenz M. Lüthi, 2020-03-19 What was the Cold War that shook world politics for the second half of the twentieth century Standard narratives focus on Soviet American rivalry as if the superpowers were the exclusive driving forces of the international system Lorenz M L thi offers a radically different account restoring agency to regional powers in Asia the Middle East and Europe and revealing how regional and national developments shaped the course of the global Cold War Despite their elevated position in 1945 the United States Soviet Union and United Kingdom guickly realized that their political economic and military power had surprisingly tight limits given the challenges of decolonization Asian African internationalism pan Arabism pan Islamism Arab Israeli antagonism and European economic developments A series of Cold Wars ebbed and flowed as the three world regions underwent structural changes that weakened or even severed their links to the global

ideological clash leaving the superpower Cold War as the only major conflict that remained by the 1980s Sixteen Stormy Days Tripurdaman Singh, 2024-01-25 Winner of the Ramnath Goenka Award 2020 On 26th January 1950 India became a republic shedding its last links with its colonial past and inaugurating a new era of liberty and freedom With fundamental rights and civil liberties guaranteed by the state the new constitution was universally acclaimed as the world's greatest experiment in liberal government This idealistic birth of a new republic meant a clean break with a repressive past And yet barely twelve months later the very makers of the constitution were denouncing their own creation Passed in June 1951 the First Amendment to the Constitution was a pivotal moment in Indian constitutional history Sixteen Stormy Days explores the contentious legacy of this First Amendment which drastically curbed freedom of speech restricted freedom against discrimination and circumscribed the right to property It follows the sixteen days of debate that led up to it the people that created it the great battle waged against it and the immense consequences it has had for Indian democracy It is a cautionary tale about an almost forgotten but hugely consequential piece of history that holds the key to understanding the position of civil liberties and individual freedoms in India today It challenges conventional wisdom on iconic figures such as Jawaharlal Nehru B R Ambedkar Rajendra Prasad Sardar Patel and Shyama Prasad Mookerji and lays bare the vast gulf between the liberal promise of India s Constitution and the authoritarian impulses of her first government The Bose Deception Anui Dhar, 2024-10-30 What exactly is this controversy about Netaji's disappearance Efforts by the authors led to the declassification of more than 1 300 secret files on Bose Does new material offer new evidence on Bose s reported death in 1945 The Bose Deception Declassified opens a window to this and much more In January 2016 the Government of India began declassifying classified PMO MEA MHA and Cabinet Secretariat files related to the mysterious disappearance of Subhas Chandra Bose at the end of the Second World War No one could have imagined that even seventy years after Bose s disappearance the government had been holding hundreds of files related to him in utmost secrecy The official view that Bose died in a plane crash in Taiwan never found public acceptance leading to multiple inquiries Claims counter claims and conspiracy theories continued to complicate the mystery for nearly seventy five years primarily because of keeping information hidden from public view In this fascinating investigative work Dhar and Ghose have rummaged through more than two thousand files declassified in India and in the UK USA and Taiwan to unentangle the complex web of a deception plan that has kept the whole country on tenterhooks for decades They unravel the plot layer by layer to tell a story that is bound to shock the readers Pakistan's Wars Tariq Rahman, 2022-06-09 This book studies the wars Pakistan has fought over the years with India as well as other non state actors Focusing on the first Kashmir war 1947 48 the wars of 1965 and 1971 and the 1999 Kargil war it analyses the elite decision making which leads to these conflicts and tries to understand how Pakistan got involved in the first place The author applies the gambling model to provide insights into the dysfunctional world view risk taking behaviour and other behavioural patterns of the decision makers which precipitate these wars and

highlight their effects on India Pakistan relations for the future The book also brings to the fore the experience of widows children common soldiers displaced civilians and villagers living near borders in the form of interviews to understand the subaltern perspective A nuanced and accessible military history of Pakistan this book will be indispensable to scholars and researchers of military history defence and strategic studies international relations political studies war and conflict studies and South Asian studies Re-reading Hind Swaraj Ghanshyam Shah, 2020-11-29 Mahatma Gandhi one of the greatest global icons of all times is known as much for his successful leadership of India s non violent anti colonial freedom movement as for his virtue and simplicity His ideals have inspired diverse social and political movements across the world against apartheid in South Africa racial segregation in the United States several state policies and actions in India and nuclear weaponisation and for environmental sustainability and world peace Hence a pertinent question is often raised by media and academia How would Gandhi have responded to the contemporary Indian and global situation marked by ethnic conflicts terrorism economic insecurity under the dominance of a global neo liberal economic order and moral degeneration in private and public lives Addressing this question in this volume through critical and variant re readings of Hind Swaraj 1909 his key manifesto of socio political transformation social scientists political philosophers and social activists seek to establish a social and academic dialogue with Gandhi interrogating his thoughts values and vision and examining their relevance to present day problems In spotlight is a contentious issue the relationship between modernity and emancipation of subalterns in the light of his critique of modern civilisation the central thesis of the text This book will be of interest to those in Gandhian studies political science history philosophy sociology development studies as well as activists policy makers and the lay A History of State and Religion in India Ian Copland, Ian Mabbett, Asim Roy, Kate Brittlebank, Adam reader Bowles, 2013-05-02 Offering the first long duration analysis of the relationship between the state and religion in South Asia this book looks at the nature and origins of Indian secularism It interrogates the proposition that communalism in India is wholly a product of colonial policy and modernisation questions whether the Indian state has generally been a benign or disruptive influence on public religious life and evaluates the claim that the region has spawned a culture of practical toleration The book is structured around six key arenas of interaction between state and religion cow worship and sacrifice control of temples and shrines religious festivals and processions proselytising and conversion communal riots and religious teaching doctrine and family law It offers a challenging argument about the role of the state in religious life in a historical continuum and identifies points of similarity and contrast between periods and regimes The book makes a significant contribution to the literature on South Asian History and Religion Values in Foreign Policy Krishnan Srinivasan, James Mayall, Sanjay Pulipaka, 2019-02-14 Values in Foreign Policy Investigating Ideals and Interests covers all aspects of the tension between values and national priorities with specific reference to the leading countries of today The volume explores the effect of the enlightenment colonialism modernity and post modernity in determining contemporary value systems which

are often uncomfortable in their interface with each other This book written in accessible non technical language will be of interest and benefit to policy makers and practitioners of foreign policy as well as the academic community It will be equally valuable to anyone interested in international relations Written by specialists in the field of foreign relations this is the closest examination ever made of the impulses which drive the foreign policies of the world's most important countries touching on the legacies of religion civilization culture and history Companion website http www foreignpolicy org in home

Selected Works of Jawaharlal Nehru Jawaharlal Nehru, 1991 The Most Comprehensive Complication Of Prime Minister Nehru S Writings Giving A All Round View Of A Multifaceted Statesman This 31 Volume Set Is A Classic Of Modern **Tibet** Lezlee Brown Halper, Stefan A. Halper, 2014 The mythologizing Indian History And Politics A Must For All Libraries of Tibet in the West and the Himalyan state's subsequent abandonment to China are recounted in this briskly paced and Legends in Gandhian Social Activism: Mira Behn and Sarala Behn Bidisha Mallik, 2022-06-15 This revealing new history book is about Madeleine Slade 1892 1982 and Catherine Mary Heilemann 1901 1982 two English associates of Mohandas K Mahatma Gandhi 1869 1948 known in India as Mira Behn and Sarala Behn The odysseys of these women present a counternarrative to the forces of imperialism colonialism capitalism and globalized development The book examines their extraordinary journey to India to work with Gandhi and their roles in India's independence movement their spiritual strivings their independent work in the Himalayas and most importantly their contribution to the evolution of Gandhian philosophy of socio economic reconstruction and environmental conservation in the present Indian state of Uttarakhand The author shows that these women developed ideas and practices that drew from an extensive intellectual terrain that cannot be limited to Gandhi s work She delineates directions in which Gandhian thought and experiments in rural development work and visions of a new society evolved through the lives activism and written contributions of these two women Their thought and practice generated a new cultural consciousness on sustainability that had a key influence in environmental debates in India and beyond and were responsible for two of the most important environmental movements of India and the world the Chipko Movement or the movement against commercial green felling of trees by hugging them and the protest against the Tehri high dam on the Bhagirathi River To this day their teachings and philosophies constitute a useful and significant contribution to the search for and implementation of global ideas of ecological conservation and human development Animosity at Bay Pallavi Raghavan, 2020 A fresh unconventional look at the early post partition years suggesting that cooperation rather than conflict was the order of the day between India and Pakistan India and Central Europe Rajendra K. Jain, 2021-09-01 This book explores the transformation of India's relations with Central and Eastern Europe from being a subset of Indo Soviet relations during the Cold War to the rediscovery and rebuilding of relations with the region almost from scratch in the post Cold War era It examines how the combination of Brexit the rise of China and India's expanding geo economic interests in Europe has led the Narendra Modi government to contemplate relations with Central Europe through a more strategic lens

and treat the region as an autonomous element within India s foreign policy rather than a footnote of its relations with other great powers Fulfilling a long felt gap in existing literature this volume examines India s political economic investment defence and cultural relations with the Visegrad Four the Czech Republic Hungary Poland and Slovakia It analyzes Indian perceptions of Central Europe and explores prospects of New Delhi s political and economic engagement with the region The painstakingly compiled appendices on the exchange of bilateral visits and agreements between India and the Visegrad Four would be of immense use as a handy reference to scholars policy makers and other interested persons and institutions

Religion and Nationalism in Global Perspective J. Christopher Soper, Joel S. Fetzer, 2018-10-11 It is difficult to imagine forces in the modern world as potent as nationalism and religion Both provide people with a source of meaning each has motivated individuals to carry out extraordinary acts of heroism and cruelty and both serve as the foundation for communal and personal identity While the subject has received both scholarly and popular attention this distinctive book is the first comparative study to examine the origins and development of three distinct models religious nationalism secular nationalism and civil religious nationalism Using multiple methods the authors develop a new theoretical framework that can be applied across diverse countries and religious traditions to understand the emergence development and stability of different church state arrangements over time The work combines public opinion constitutional and content analysis of the United States Israel India Greece Uruguay and Malaysia weaving together historical and contemporary illustrations

Madan Mohan Malaviya and the Indian Freedom Movement Jagannath Prasad Misra, 2016-02-18 At the time when the national movement was still in its early stages Madan Mohan Malaviya emerged as an enigmatic but commanding figure in the political landscape of India This work reconstructs Malaviya's ideal of nationalism which was composite constructive and creative and offers a fresh perspective on an important period of modern India's political history Utilizing new and authentic source material this book traces Malaviya's role in the freedom struggle the people who supported him his relations with other established political leaders of the country within and outside of the Congress party and how he saw his own actions and role in public life Taking Malaviya as a particular example of subcontinental leadership Jagannath Prasad Misra studies the method and manner of Malaviya's nationalist propaganda He shows that rather than being a restraining influence Malaviya's faith in constitutional politics and educational advancement laid a solid foundation for the uplift of the nation **Conflicting Visions** Ryan Touhey, 2015-05-15 In 1974 India shocked the world by detonating a nuclear device In the diplomatic controversy that ensued the Canadian government expressed outrage that India had extracted plutonium from a Canadian reactor donated only for peaceful purposes In the aftermath relations between the two nations cooled considerably As Conflicting Visions reveals Canada and India's relationship was turbulent long before the first bomb blast From the time of India s independence from Britain Ottawa sought to build bridges between Indian and the West through dialogue and foreign aid New Delhi however had a different vision for its future and throughout the Cold War mistrust

between the two nations deepened Ryan Touhey draws on archival records personal papers and interviews from Canada India the United States and Britain to trace the breakdown of this complicated bilateral relationship In the process he deepens our understanding of the history of Canadian foreign aid and international relations during the Cold War The Indian Civil Service and Indian Foreign Policy, 1923-1961 Amit Das Gupta, 2020-11-26 This book provides an authoritative account of the first significant overseas diplomatic missions and forays made by Indian civil servants It recounts the key events in the formative decades of Indian foreign policy and looks at the prominent figures who were at the centre of this decisive period of change The book explores the history and evolution of the civil and foreign services in India during the last leg of British rule and the following era of post independence Nehruvian politics Rich in archival material it looks at official files correspondences and diaries documenting the terms served by the pioneers of Indian diplomacy Girja Shankar Bajpai K P S Menon and Subimal Dutt in Africa China the USSR and other countries and their relationship with the Indian political leadership The book also analyses and pieces together the activities strategies worldviews and contributions of the first administrators and diplomats who shaped India's approach to foreign policy and its relationship with other political powers An essential read for researchers and academics this book will be a useful resource for students of international relations foreign policy political science and modern Indian history especially those interested in the history of Indian foreign affairs It will also be of great use to general readers who are interested in the history of politics and diplomacy in India and South Asia Chapter 1 of this book is freely available as a downloadable Open Access PDF at http www taylorfrancis com under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Conventional Warfare in South Asia, 1947 to the Present Kaushik Roy, 2017-03-02 The essays included in this volume focus on conventional war on land sea and air fought by the states of South Asia and their impact on the host societies and economies The authors are drawn from academia and the military in India and Pakistan as well as from outside the subcontinent in order to give a wide perspective In the introduction the editors describe the changing contours of warfare in South Asia and the similarities and dissimilarities with warfare in the Middle East and South East Asia The volume highlights the influence of extra regional powers like China Russia and the US in providing arms munitions and shaping the texture of military doctrines and force structures of the South Asian powers Selected Works of Jawaharlal Nehru: 22 February-30 April 1957 Jawaharlal Nehru, 1984
