James Madison James Madison,2006-06-15 The writings collected here reflect the Madison who emerges from the best scholarship of the last thirty years scholarship to which Ralph Ketcham as editor of The Papers of James Madison and in many other ways has made stunning contributions Ketcham s Introduction a brief chronology the text of the Constitution and an index further distinguish this collection *Selected Writings* Alexander Hamilton,2021-11-17 Concise collection of the

Founding Father s public and private writings provides an introduction to his life personality political career and influence Includes political essays selections from the Federalist Papers and personal correspondence *Michael Oakeshott Selected*

Runes,2013-01-15 This early work by Benjamin Rush is both expensive and hard to find in its first edition It contains a collection of writings by one of the original signatories of the American Declaration of Independence This is a fascinating work and thoroughly recommended for anyone interested in the works of Benjamin Rush Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Collected Writings of Joe Brainard**

Joe Brainard,2012-03-29 Discover the works of Joe Brainard whose quirky style earned him a reputation as a recognizable American phenomenon and oddball classicist with a foreword by 4321 author Paul Auster John Ashbery An artist associated with the New York School of poets Joe Brainard 1942 1994 was a wonderful writer whose one of a kind autobiographical work I Remember has had a wide and growing influence It is joined in this major new retrospective with many other pieces

that for the first time present the full range of Brainard's writing in all its deadpan wit madcap inventiveness self-revealing frankness and generosity of spirit. The Collected Writings of Joe Brainard gathers intimate journals jottings stories one liners comic strips mini essays and short plays many of them available until now only as expensive rarities if at all. Brainard disarms us with the seemingly tossed-off spontaneous nature of his writing and his stubborn refusal to accede to the pieties of self-importance. Writes Paul Auster in the introduction to this collection: "These little works are not really about anything so much as what it means to be young that hopeful anarchic time when all horizons are open to us and the future appears to be without limits." Assembled by the author's longtime friend and biographer Ron Padgett and including fourteen previously unpublished works, here is a fresh and affordable way to rediscover a unique American artist.

The Age of Movies:

Selected Writings of Pauline Kael Pauline Kael, 2011-10-27 A master film critic is at her witty exhilarating and opinionated best in this career-spanning collection featuring pieces on Bonnie and Clyde The Godfather and other modern movie classics. Film criticism is exciting just because there is no formula to apply. Pauline Kael once observed just because you must use everything you are and everything you know. Between 1968 and 1991 as regular film reviewer for The New Yorker Kael used those formidable tools to shape the tastes of a generation. She had a gift for capturing with force and fluency the essence of an actor's gesture or the full implication of a cinematic image. Kael called movies the most total and encompassing art form we have and her reviews became a platform for considering both film and the worlds it engages. Crafting in the process a prose style of extraordinary wit precision and improvisatory grace Her ability to evoke the essence of a great artist an Orson Welles or a Robert Altman or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self-deceptions of a corrupt movie industry. Here are her appraisals of era-defining films such as Breathless Bonnie and Clyde The Leopard The Godfather Last Tango in Paris Nashville along with many others some awaiting rediscovery all providing the occasion for masterpieces of observation and insight alive on every page.
