Robinson, 1878    **A Selection of Spiritual Songs** Charles Seymour Robinson, 2017-12-24 Excerpt from *A Selection of Spiritual Songs With Music for Use in Social Meetings* One reason why the music in many prayer meetings gives so little assistance is found in the worn out familiarity of the hymns and tunes employed There is no growth in the exercise What is wanted is a wider range and a fresher adaptation But there is no adequate chance for increase unless the experience of the Sabbath successes can be taken into the week day monotony Then on the other hand one reason why the music on the Lord's Day often has so feeble a force is found in its exclusiveness as a thing of high art It remains too far out of reach of the people What is wanted is that the tunes should be learned and the hymns should be rendered usable by frequent repetition Both of these ends will best be secured by the employment of the same Manual for all the services Then the skill of the choir Will tell on the social meetings and the education of the people will react powerfully upon the singing in the great congregation The advantage to each from the other can hardly be overestimated A delightful surprise will be noticed when a piece which gave unmistakable satisfaction on the Sabbath is suddenly attempted in the social circle And when the choir try the same thing over again a like pleasurable surprise will be noticed for the people are always actually welcomed by the real artists if they do their own part well Spiritual songs in its larger form for the church and choir and in this its smaller form for the social meetings of the congregation is designed to furnish just this sort of help It has been hoped that a wholesome influence may be exerted by it in elevating the style of music in the prayer meetings and in keeping the range of songs used in the Sabbath services within reach About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works    **A Selection of Spiritual Songs for Use in Social Meetings** Charles Seymour Robinson, 1883    **A Selection of Spiritual Songs with Music for Use in Social Meetings / Selected and Arranged by Charles S.
