Neil G. Odenwald, James R. Turner

Selections From Falling Leaves:

Selections Charles Eliot Norton, George Henry Browne, 1895 Guy's learner's poetic task book, a selection from the modern British poets Joseph Guy, 1849 *Autumn Leaves & the Ring* Frithjof Schuon, 2010-05-16 This book contains two collections Autumn Leaves and The Ring and is offered here for the first time in a bilingual English German edition The various sections include Beauty Human Questions Doctrine Recollections Images and the Soul In these poetic teachings Schuon speaks directly to the reader expressing every conceivable subtlety of spiritual and moral counsel They comfort and inspire the reader to cultivate inner beauty and seek a deeper consciousness of the presence of God *Dictionarium rusticum, urbanicum & botanicum, or, A dictionary of husbandry, gardening, trade, commerce, and all sorts of country-affairs* Nathan Bailey, John Worlidge, 1717 *Our Heartbreaking Choices* Christie Brooks, 2008-10-24 This book is about abortion but more specifically about abortions sought due to a poor prenatal diagnosis or due to serious maternal health complications This book contains 46 personal stories each one from a woman who decided to interrupt a much wanted and oftentimes much planned pregnancy There is very little societal support for parents who make this decision which leaves most parents to deal with their sadness and grief alone The purpose of the book is to share our stories in the hopes of helping other parents who have undergone a similar loss to feel less alone less isolated and less stigmatized We hope to give a voice to all who have suffered a similar loss and to show that there are situations in which abortion is the most moral option Although the focus of the book is to provide support to those who will make or have made a similar decision we don't cast judgment on those who choose abortion for other reasons or those who choose to carry a pregnancy to term despite a poor prenatal diagnosis We support all parents in choosing the path that is best for them We support ALL choices *Farmers' Bulletin*, 1912
