Subject Headings Manual Library of Congress. Cataloging Policy and Support Office,2008 **Photographic Times and American Photographer** ,1897 **The Last Hurrah** Graham Viney,2019-04-18 Young Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth s life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of *My Traitor s Heart* it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren t really ours The year 1947 was a pivotal moment not just in the history of the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth The present Queen Elizabeth must have learned a great deal about statecraft from her father and about duty tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday It was also the family s first real experience of multiculturalism Graham Viney s book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way The tour was a show of imperial solidarity and a recognition of South Africa s contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria **Light in the Dark Room** Jay Prosser,2005 A young boy thin and ill feeds his small brother in a ritualized act of desperation half stifling him The boy will be treated his father will get a job and the family will be moved from their shack in the slums of Rio de Janeiro to a suburban house courtesy of the American viewers of Gordon Parks s photographs in *Life* magazine It all turned **The British Journal of Photography** William Crookes,T.A. Nacho Lopez, Mexican Photographer John Mraz, 2003 Annotation Photographer Nacho Lopez was Mexico's Eugene Smith fusing social commitment with searing imagery to dramatize the plight of the helpless the poor and the marginalized in the pages of glossy illustrated magazines Even today Lopez's photographs forcefully belie the picturesque exoticism that is invariably presented as the essence of Mexico In Nacho Lopez Mexican Photographer John Mraz offers the first full length study in English of this influential photojournalist and provides a close visual analysis of more than fifty of Lopez's most important photographs Mraz first sets Lopez's work in the historical and cultural context of the authoritarian presidentialism that characterized Mexican politics in the 1950s the cult of wealth and celebrity promoted by Mexico's professional photographers and the government's attempts to modernize and industrialize Mexico at almost any cost Mraz skillfully explores the implications of Lopez's imagery in this setting the extent to which his photographs might constitute further victimization of his downtrodden subjects the relationship between them and the middle class readers of the magazines for which Lopez worked and the success with which his photographs challenged Mexico's economic and political structures Mraz contrasts the photos Lopez took with those that were selected by his editors for publication He also compares Lopez's images with his theories about documentary photography and considers Lopez's photographs alongside the work of Robert Capa Dorothea Lange Henri Cartier Bresson and Sebastiao Salgado Lopez's imagery is further analyzed in relation to the Mexican Golden Age cinema inspired by Sergei Eisenstein the pioneering digital imagery of Pedro Meyer and the work of Manuel Alvarez Bravo who Mraz provocatively argues was the first Mexican photographer to take an anti picturesque stance The definitive English language assessment of Nacho Lopez
