LOVE. LOSS AND FATHERHOOD

JONATHAN SELF

"A harrowing, hilarious, headlong book. Mr. Self writes at all times as if he were launching himself off a cliff. By ruthlessly exposing his own failings he paints a wrenching and unforgettable picture of the terrible predicaments all modern fathers face."

seeking to draw attention to what he feels is a monumental threat to the fate of humankind With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized As a first time author I have selected a subject to write about that reflects both my professional and personal experiences My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities *Book Review Index*

*Truth of the Divine Father* Aleia,2025-06-20 Just as the Holy Mother and Divine Feminine essence has been usurped denied and abused so too has the Divine Masculine and the Truth of the Great Father Though in different ways it is no less His essence unto His own nature as perceived by the world within the hierogamic quality of our design and within the Masculine embodied in men is manipulated and wronged both silenced in Truth and distorted to become a force contrary to His own Divine conception For much of recent Human culture the past several thousand years and more bears witness to a deep fear of the Feminine forcing this essence into painful hiding often stripped of expression and denied presence within society and embodiment within the individual Though harder to perceive the fear of the real Masculine is also present As an internal aspect of Human nature and the world created from it the essence of the Divine Father has been violated along with that of the Great Goddess Internally we are torn apart Externally our projections create our reality of a world built on perverted principles Thus much of the world generates upon systems of disingenuous masculine expression an abuse of Sacred Masculine authority The world and we are severely depleted in the True Divine Masculine What we see and suffer through is not because we are overrun with what is Masculine but because we are gravely lacking the Truth of Him as much as we are the Divine Feminine This bears deep implications on our situation of imbalance with the Feminine within ourselves within the world and in relationship with Nature and other forms of life energy and consciousness The less He is present the harder it is for Her The more we fear and push away Him the more the distortions and infiltrating forces can manifest especially those of malevolent natures The more we glorify and generate distorted and wronged versions systems much of the world builds itself upon the more traumatized and traumatizing we become as a species True healing lies not in attempting to remove Him nor alter His nature but restoring His Truth within ourselves and within our world and expressing it in fullness Many living within industrial and institutional systems know the masculine as a force imposing harsh structures and barriers not stemming from an aligned balance with the Feminine and often the individual self One severing beneficial connections rather than harmful ones What is perceived to be masculine also expresses in violation and seizure assaulting boundaries laying claim and capturing rather than establishing protective containers and guarding what lies within He is additionally frequently expressed in absence a revocation of protection support and presence This force is both glorified and despised and occasionally both depending on the individual and society This is NOT the Divine Father
