

"Schulman interestingly and insightfully raises a number of liberty related issues that we ignore at the nation's peril. His ideas are precisely those that helped make our country the destination of those seeking liberty. The book's title says it all: personal responsibility, not laws and prohibitions, is the mark of a civil society."

Self Control Not Gun Control:

Self Control J. Neil Schulman, J. Neil Schulman, 1995-12 *Veterans' Lament* Oliver L. North, David Goetsch, 2020-10-06

What is happening to our country This question is heard more and more frequently these days as Americans worry about the unrelenting attacks by so called progressives on the foundation core values and history of our nation Nobody is more concerned than those Americans who volunteered to serve in uniform and willingly put their lives on the line to protect the United States and all it represents Based on interviews by the authors this book explains why many of our American heroes believed in and loved our nation enough to go into harm s way to defend it and why so many of them now question if America is still the country they fought for More importantly it asks is America still worth fighting for **Nasty, Brutish and Short**

Stories J. Neil Schulman, 1999-07 The Prometheus Award winning author of *Alongside Night* and *The Rainbow Cadenza*

offers a collection of his short fiction including two never before seen stories **The Rainbow Cadenza** J. Neil

Schulman, 1999-07 Set in a future world where the Earth has been remade into a paradise and humanity has been joined under a single popularly elected world government this 1984 Prometheus Award winning novel tells the story of Joan Darris a brilliant young artist in the medium of laser concerts Like the novels of Huxley Burgess and Rand *The Rainbow Cadenza* uses black humor to reveal a fearsome future that ends with a ray of hope **Hearings, Reports and Prints of the House**

Stopping Power J. Neil Schulman, Joseph Neil Schulman, 1994-12 Did you know that every 13 seconds one of America s 70 million gun owners uses a firearm in defense against a criminal That American women use handguns 416 times a day in defense against rapists which is a dozen times more often than rapists use a gun That a gun kept in the home for protection is 216 times as likely to be used in defense against a criminal than it is to cause the death of an innocent victim in that household These are just a few of the surprises this book has in store for anyone whose belief in gun control is based on TV news or popular magazines Award winning novelist screenwriter and journalist J Neil Schulman challenges the misinformation that pundits ranging from network anchors to ill informed doctors are promoting about guns Especially for the reader who doesn t own a gun and has never even considered buying one *Stopping Power* should be an eye opener

Neil Schulman, 1999 *Born Liberal, Raised Right* Reb Bradley, 2008 America has a problem Conservatives aren't helping their kids mature past that arrested development phase also known as liberalism In this groundbreaking book noted speaker Reb Bradley proves that societal pressures and foolish child raising theories that have gone mainstream are preventing parents from developing in their kids the key ingredients of maturity including self control Too many children are becoming adults who are ruled purely by magical thinking passions emotions and desires the hallmarks of the liberal mindset It's up to parents to turn their baby Bolsheviks into good citizens by helping their kids mature past their infantile liberal stage Reb Bradley shows how
