Self Injury Psychotherapy With People Who Engage In Self Inflicted Violence:

Self-Injury Robin E. Connors, 2008-12-16 People who directly injure their bodies are increasingly seeking help from psychotherapists Coming out of the closet of shame they are turning to professionals for understanding compassion and healing Because of the potent nature of self injury and the variety of issues it touches clinical responses to it have often been only moderately beneficial and in too many cases distinctly harmful In this perceptive work Dr Robin Connors offers helpful guidelines to clinicians that will improve their capacity to respond in a direct effective and respectful way to people who self injure Key to this work is understanding the function of self inflicted violence and its relationship to unresolved traumas and losses including the role of trauma in disrupting the formation of the self boundary Dr Connors identifies fundamental therapeutic tasks gives clear examples of interventions and offers concrete recommendations for interacting with patients about their self injury A range of related issues are addressed as well from repairing inadequate self boundaries to using adjunct therapies Finally the task of determining right action in light of strong countertransferential responses is explored including situations where self injury occurs in the therapist s presence In this exceptional book Dr Connors gives us the words to describe the pain beneath self injuring behavior and a blueprint for providing the compassionate understanding that is a prerequisite for healing

Self-Injury Robin E. Connors, 2008 In this perceptive work Dr Robin Connors offers helpful guidelines to clinicians that will improve their capacity to respond in a direct effective and respectful way to people who self injure Key to this work is understanding the function of self inflicted violence and its relationship to unresolved traumas and losses including the role of trauma in disrupting the formation of the self boundary Dr Connors identifies fundamental therapeutic tasks gives clear examples of interventions and offers concrete recommendations for interacting with patients about their self injury
