Soul Psychology Joshua David Stone, Ph.D., 2010-11-24 The words of Sai Baba God equals man minus ego are echoed by Dr Joshua David Stone in his seminal work Soul Psychology A veteran transpersonal psychologist and family counselor Dr Stone teaches us how our entire understanding of ourselves and others is completely changed when we integrate our soul into the way we live our lives Based on eighteen years of Dr Stone's practice this book is not a psychological approach to spirituality It is rather a spiritual approach to the psychology of everyday living At the heart of Soul Psychology is emotional healing through the dismantling of the negative ego a psychological cancer that prevents us from acting in accordance with our soul's true nature and purpose This negative energy drives us to find our security outside of ourselves whereas the only true security is one that is grounded in having a right relationship with self and a right relationship with the Divine To guide us onto this path of spiritual ascension Soul Psychology offers a stimulating new viewpoint that expands the boundaries of traditional spiritual

practice providing a wealth of accessible and powerful meditations and exercises including The six step process for healing and spiritualizing emotions The spiritual science of the seven rays and the twenty two chakras Methods for clearing negative psychic energies that inhibit soul growth The one hundred most common pitfalls and traps on the spiritual path **How to Be Financially Successful** Joshua David Stone,2005 Your business can become more successful than you ve ever imagined if you integrate the spiritual and the financial Incorporating spiritual psychological and physical perspectives on business this new book by Dr Joshua David Stone teaches you how to do just that **The Kingdom of Heaven Within the Holy Book of the Great Invisible Spirit ?** Sanetha,2012-08-01 The spiritual subject of past lives and reincarnation is highly controversial Most religions don t believe it and science cannot prove it yet This book is an energy healing communication with a DNA surprise assisting you to integrate and understand the deep seated truths about who you are and where you came from The information explains what is happening to us the earth and the universe and what one needs to do to adapt to the new energies on the planet at this time and for the years to come These pages contain a profound message with the new energya message that I have delivered many times over my many lifetimes Who am I and Where do I come from are questions that have been on the minds of everyone since the beginning These thoughts are imprinted in our basic DNA When I became aware of who I was in the previous lifetime just before this one less than five months between lives my newfound identity propelled me into the search for the answers to the questions gnawing at my soul Each answer provided new questions leading me down the enlightened path to an encounter with the Grand Divine Plan delivering a message of peace and preparation We all have gifts and abilities unimaginable ready for anyone who walks through the door My search brought me into an awareness of knowing many of my past lives It also revealed that my purpose of discovering was not about who I was but that I would write about past lives and reincarnation at a time on the planet when this information would be so needed
