## **Selling Jesus Whats Wrong With Marketing The Church:**

Selling Jesus Douglas D. Webster, 2009-08-01 It s one thing to market cars and deodorant and hamburgers It s another thing says Doug Webster to market Jesus and the gospel Standing up to a spate of books and seminars that urge churches to model their mission on Madison Avenue methods Webster sounds an urgently needed wake up alarm *Selling Jesus* is a hard hitting book that shows how Jesus is more than a product to be hawked how seekers are more than a matter of meeting felt needs But *Selling Jesus* doesn t merely challenge It moves beyond penetrating criticism to the next step suggesting faithful and powerful alternatives to marketing the church *Selling Jesus* is a necessary book for those who are beginning to wonder if evangelism and missions really aren t synonymous with product promotion      **Selling Jesus** Douglas D. Webster, 2009-08-01 It s one thing to market cars and deodorant and hamburgers It s another thing says Doug Webster to market Jesus and the gospel Standing up to a spate of books and seminars that urge churches to model their mission on Madison Avenue methods Webster sounds an urgently needed wake up alarm *Selling Jesus* is a hard hitting book that shows how Jesus is more than a product to be hawked how seekers are more than a matter of meeting felt needs But *Selling Jesus* doesn t merely challenge It moves beyond penetrating criticism to the next step suggesting faithful and powerful alternatives to marketing the church *Selling Jesus* is a necessary book for those who are beginning to wonder if evangelism and missions really aren t synonymous with product promotion      **Church Advertising, Public Relations and Marketing in Twentieth-Century America** John C. Hardin, 2022-12-14 This book examines the complex relationship between religion and business in twentieth century America It is the story of how Christianity s most basic institution the local church wrestled with the challenges and compromises of competing in the modern marketplace through adopting the advertising public relations and marketing methods of business It follows these sacred promoters and their critics as they navigated between divinely inspired and consumer demanded Amid an animated and contentious battleground for principles practices and parishioners John C Hardin explores the landscape of selling religion in America and its evolution over the twentieth century      Evangelical Dictionary of Theology (Baker Reference Library) Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the *Evangelical Dictionary of Theology* Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics      Reaching Out Without Dumbing Down Marva J. Dawn, 1995-07-10 Working to bridge opposing sides in the various worship wars Marva Dawn here writes to help local parishes and denominations think more profoundly about both worship and culture      *Popular Evangelicalism in American Culture* Richard Kyle, 2017-09-18 *Popular Evangelicalism in American Culture* explores the controversies complexities and historical development of the evangelical movement in America and its impact on American culture Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in

shaping American society and likewise a group which has resisted aspects of the modern world Organised thematically this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics politics economics salvation millennialism the megachurch and electronic churches and popular culture This accessible and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America

**The Crisis of Evangelical Christianity** Keith C. Sewell, 2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb'd understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century *This Way to Youth Ministry* Duffy Robbins, 2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry **Into the Future** Elmer L. Towns, Warren Bird, 2000 Examines fourteen trends and shows how pacesetting leaders have responded to them outlining solid action plans for your church's twenty first century readiness

*The Gagging of God* D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are

all parts of a whole and provides a systematic Christian response

### **Understanding Religious Abuse and Recovery**

Patrick J. Knapp, 2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery

**The Subversive Evangelical** Peter J. Schuurman, 2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith

**Evangelical Dictionary of Theology** Daniel J. Treier, Walter A. Elwell, 2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer

**The Lord's Service** Jeffrey J. Meyers, 2003 *The Lord's Service* is a description and defense of covenant renewal worship

*New Dimensions in Evangelical Thought* David

S. Dockery,1998 Assessing the status of evangelical theology at the turn of the century a team of 26 scholars including Alister E McGrath Clark Pinnock Wolfhart Pannenberg and Stanley Grenz honor Millard J Erickson with this volume Edited by David S Dockery     Evangelicalism Richard Kyle,2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In Evangelicalism Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful     Playing Games with God: How to Avoid Shallow Youth Ministries and Find a Biblical Group for Your Kids Sam Magdalein,2016-08-31 Just like all schools are not the same all youth groups are not the same But how can parents know that their kids are going to a good Biblical youth ministry And what makes a group Biblical In Playing Games with God Sam Magdalein lays out a simple framework that parents can use when searching for and examining a youth group for their teens But what about modern youth ministries Parents may have a feeling that something is wrong in these churches but can t quite put their finger on the problem Sam includes a thorough examination of the foundations philosophies drivers and everyday practices of modern youth groups Using numerous quotes from youth ministry seminary textbooks lessons plans from youth ministry conferences ministry resource books and articles you ll read in their own words what modern churches are actually doing with our kids

A Sense of the Heart Bill J. Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel

God's presence Whether like St Paul's experience on the road to Damascus or like Wesley's strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities

**Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada** Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society

*Destroying Our Private Cities, Building Our Spiritual Life* Chip M. Anderson, 2004 Anderson argues that every time the church adopts the surrounding culture's values it dies a little His lay commentary enables readers to hear Paul's argument through Philippians and how the church's flirtation with individualism has affected the Christian faith and the life of the church
