Selling Your Business Without Selling Yourself Short:

Selling Your Business Without Selling Yourself Short Gary Viner, 1991-09-01 *Sell Yourself Short!* Firyal Hussain, 2016-09-23 While older generations have had the unenviable and almost forgotten battle with acquiring information this generation has at its disposal an abundance of information which comes with a totally different challenge The challenge is in sifting through the clutter to get to the most relevant and most reliable information for a specific purpose Sell Yourself Short seeks to address that exact problem specifically for share trading It provides you with the right information for a layperson like myself who's always envied those in tailored suits who constantly boast about their shares on the stock market The funny thing is that the tailored suit brigade always use fancy industry jargon to confuse you and again to come across as highly intelligent Be not afraid Sell Yourself Short is here This handy handbook has made me realize how active one has been as a layperson in the stock market albeit indirectly It simplifies industry jargon and at the same time gives you a deeper understanding of the different concepts Every single person regardless of class should read this book It is succinctly packaged and extremely easy to read The witty delivery in most passages makes it even more exciting Siphwe Dondolo managing director and cofounder of SET Secondments Entrepreneurs have an abundance of many things energy persistence courage but time is sadly not one of them That's why this book is so useful Firyal Hussain helps busy people take the crucial first steps toward realizing their long term financial goals Engaging and insightful she explains the fundamentals of stock investing in a delightfully accessible style that allows her readers to get up to speed and get back to running their businesses This is a truly useful jargon free introduction to a most important topic Ryan Hoover investment analyst and writer Very well done great explanations very clear and a good light style Definitely not a waste of time to read Muhammed Sheik Qassim University lecturer economics *You Want My Repeat Business?* Gerry Shortill, 2023-07-05 So many small businesses fail without the owners understanding the true root causes of why and believe that if they had more money they could have prevailed Was it the Location Timing The economy Staffing Customer service All the above and more Anyone can walk into any brick and mortar business and form an opinion on how the business is already failing There are answers to why this happens and I'll focus on how small business owners can strengthen their foundations to remove the small business killing practices and procedures and essentially stop the epidemic of small business closure You Want My Repeat Business is a practical guide on the foundations of business operations and management With business schools reinforcing that the issue hasn't gone away or even changed over the past 35 years author Gerry Shortill with his experiences and successes knows what it takes for businesses to succeed and more importantly how to prevent the majority from closing their doors Often focusing with too much emphasis in the wrong areas or a singular focus on one area such as sales or just caught up in drama owners and management too often overlook the basics Whether it's a lack of focus on hiring and managing personnel or forgetting about serving customers Shortill explains why it is more than finding the right people and how to maximize each

staff member's potential Shortill also illustrates that it is how you manage the business from within and by simplifying the customer experience that customers will return and sales will increase exponentially You Want My Repeat Business gives alternate perspective to the systemic problems and breaks the problems down into manageable parts Enabling small business owners and management the insight on how to be successful from within by finding optimal solutions standards and plans of execution This handbook offers clear instructions and helpful anecdotes for business owners and managers to learn from the mistakes of others and find their your success Let Me Show You How to Earn Â£29,000 A Month Richard Mark,2010-06-28 You ll learn an amazingly fast system to create a wealth creating product that you can sell through the post or on the internet Fortunes are being made from creating simple books and manuals which you can keep selling for years to come This shortcut system shows you how to do everything step by step even if you don t write or don t want to write a single word Selling Your Startup Alejandro Cremades,2021-07-26 Learn how to sell your startup from an acquisition expert Many entrepreneurs dream of the day their company is acquired and they secure a perfect exit But information about the process of getting your business acquired usually comes from expensive investment bankers who typically advise late stage startups In Selling Your Startup serial entrepreneur Alejandro Cremades delivers an accessible guide on how to sell your startup With first hand experience as a fully exited entrepreneur investment banker and lawyer Cremades describes the tips and tricks startup founders need to sell their early stage to growth stage business In this book you ll discover The role that investment bankers play in the acquisition process how they add value and how to break down their fees Preparing your company for sale including compiling a pitch book putting its finances in order and building a target list of potential acquirers How to get to a Letter of Intent perform due diligence and reach a purchase agreement Perfect for entrepreneurs of all kinds Selling Your Startup is a must have roadmap to the practical realities of company acquisition and contains proven guidance on crafting your perfect exit **Start Up Wise: Your step-by-step guide to the Seven Stages of Success** Jonathan Reuvid,2019-01-11 The perfect concise guide to creating your own company from scratch brilliant Graham RichardsThe Seven Stages to Launch You to SuccessThere is much to consider when starting a business Knowing what to do first whether you have a concept that works for you what resources to access and how to get started can be overwhelming and seemingly complicated Start Up Wise is a comprehensive all in one place guide providing everything you need to know for your journey outlining seven key steps on how to start manage and develop your business Generating developing and confirming your business ideas Correct legal structure and brand identity Realistic business plan Financial and tax obligations Funding options Cost and time effective business systems Building and growing your business for the future It is important to understand why you are starting a business and then to focus on ideas and steps that will build your ideal growing and successful business Start Up Wise has compiled all of the key information in one guide to help you achieve this Jonathan Reuvid is a former economist for French oil company Total and later Director of European Operations of the
