forces during the 19th century **A Recognition of Being** Kim Anderson, 2016-05-02 Over 15 years ago Kim Anderson set out to explore how Indigenous womanhood had been constructed and reconstructed in Canada weaving her own journey as a Cree M tis woman with the insights knowledge and stories of the forty Indigenous women she interviewed The result was A Recognition of Being a powerful work that identified both the painful legacy of colonialism and the vital potential of self definition In this second edition Anderson revisits her groundbreaking text to include recent literature on Indigenous feminism and two spirited theory and to document the efforts of Indigenous women to resist heteropatriarchy Beginning with a look at the positions of women in traditional Indigenous societies and their status after colonization this text shows how Indigenous women have since resisted imposed roles reclaimed their traditions and reconstructed a powerful Native womanhood Featuring a new foreword by Maria Campbell and an updated closing dialogue with Bonita Lawrence this revised edition will be a vital text for courses in women and gender studies and Indigenous studies as well as an important resource for anyone committed to the process of decolonization **Fallen Forests** Karen L. Kilcup, 2013-05-01 In 1844 Lydia Sigourney asserted Man s warfare on the trees is terrible Like Sigourney many American women of her day engaged with such issues as sustainability resource wars globalization voluntary simplicity Christian ecology and environmental justice Illuminating the foundations for contemporary women s environmental writing Fallen Forests shows how their nineteenth century predecessors marshaled powerful affective ethical and spiritual resources to chastise educate and motivate readers to engage in positive social change Fallen Forests contributes to scholarship in American women s writing ecofeminism ecocriticism and feminist rhetoric expanding the literary historical and theoretical grounds for some of today s most pressing environmental debates Karen L Kilcup rejects prior critical emphases on sentimentalism to show how women writers have drawn on their literary emotional intelligence to raise readers consciousness about social and environmental issues She also critiques ecocriticism s idealizing tendency which has elided women s complicity in agendas that depart from today s environmental orthodoxies Unlike previous ecocritical works Fallen Forests includes marginalized texts by African American Native American Mexican American working class and non Protestant women Kilcup also enlarges ecocriticism s genre foundations showing how Cherokee oratory travel writing slave narrative diary polemic sketches novels poetry and expos intervene in important environmental debates **Bloodroot** Joyce Dyer, 2013-07-24 A broad sampling of deeply impressive writings essays memoirs poetry letters stories by women from the Southern Highlands Kirkus Reviews Winner of the 1997 Appalachian Studies Award Appalachian Writers Association 1999 Book of the Year Winner of the Susan Koppleman Award of the Popular Culture Association for Best Edited Collection in Women s Studies Thirty five women writers from Appalachia define the region in a larger more generous and more intricate way that it has been defined before dispelling many demeaning stereotypes of the region The writers tell their compelling stories with poignancy eloquence forthrightness and humor A new American literary renaissance is ablaze in the Southern Highlands the very place so often depicted by

outsiders as dimly lit 35 photos Dyer succeeds admirably in a dual purpose to promote a vital and virtually unknown body of work and to suggest an Appalachian spirit that transcends state borders and artistic genres Publishers Weekly starred review From the well known like Dykeman Sharyn McCrumb and Denise Giardina to the lesser known these essayists in one way or another write of what it means to come to fully appreciate one's native tongue to be inspired by the courage and fortitude of their Appalachian foremothers and to glory in their profound attachment to the natural beauty of the Appalachian hills hollers and trails Bowling Green Daily News The writers here represent some of the most unique and often unsung talent in literature These essays will carry you to a far mountain place and whet your appetite for more Magazine Baton Rouge LA

Transformations Torrey D. Dickinson, Robert K. Schaeffer, 2015-12-03 Bringing feminist and world systems theories together this analytic anthology examines the rise of intersecting women centered movements that contribute to alternative development and the rise of new societies The authors consider feminist movements and humanistic transformations that create new work and market relations promote democracy and equality redefine gender and sexuality regenerate the environment and construct nonviolent and peaceful relations At the end of each chapter articles by feminist theorists and practitioners on these topics are included to illustrate the analysis Using a global historical framework the book shows how diverse multicultural and international feminist ideas can be brought together to provide a comprehensive and differentiated understanding of change

Food and Philosophy Spencer Wertz, 2017-02-08 These essays on food and philosophy were written over several decades Not only philosophers and historians but individuals who have an ongoing interest in food should relish them The essays cover wide ranging topics that include genetically modified organisms chocolate and its world food as art the pornography of food and the five flavors of Chinese cuisine In addition there are several chapters that deal with the refinement of erudite professional cuisine from popular regional cuisine in the seventeenth and eighteenth centuries in Europe One chapter stands alone as an analysis of the Native American cultural foundations of maize The book opens with an essay on the philosophy of food history that addresses three fundamental problems the duplication of sensations and taste the understanding of recipes from other historical periods and the sorts of judgments that are included or excluded in a historical narrative The book ends with an exposition of R G Collingwood's anthropology of eating and dining which completes the discussion with an analysis of the magical symbolism of those cultural activities

Spider Woman's Web

Susan Hazen-Hammond, 1999-11-01 In the Americas the oral tradition has created one of the oldest surviving bodies of literature on earth Native American storytelling in particular stands out for its distinctive honoring of womanly power and the female forces of the universe Gathered here are traditional versions of stories and songs that best portray this strength and vitality Illuminating the scope of human behavior from treacherous mates and medicine men to magical sages and murderous mothers these tales offer universal truths And for readers who wish to explore the transformative healing gifts of these stories in a more personal way each is accompanied by thought provoking exercises and meditations Also included are

brief introductions to provide historical and cultural context Entertaining educational and inspirational this collection of timeless wisdom will shed light on the lives of readers for generations to come **Art of the Cherokee** Susan C.

Power,2007-01-01 In addition to tracing the development of Cherokee art Power reveals the wide range of geographical locales from which Cherokee art has originated These places include the Cherokee s tribal homeland in the southeast the tribe s areas of resettlement in the West and abodes in the United States and beyond to which individuals subsequently moved Intimately connected to the time and place of its creation Cherokee art changed along with Cherokee social political and economic circumstances The entry of European explorers into the Southeast the Trail of Tears the American Civil War and the signing of treaties with the U S government are among the transforming events in Cherokee art history that Power discusses BOOK JACKET *Transformation Now!* AnaLouise Keating,2012-10-30 In this lively thought provoking study AnaLouise Keating writes in the traditions of radical U S women of color feminist womanist thought and queer studies inviting us to transform how we think about identity difference social justice and social change metaphysics reading and teaching Through detailed investigations of women of color theories and writings indigenous thought and her own personal and pedagogical experiences Keating develops transformative modes of engagement that move through oppositional approaches to embrace interconnectivity as a framework for identity formation theorizing social change and the possibility of planetary citizenship Speaking to many dimensions of contemporary scholarship activism and social justice work *Transformation Now* calls for and enacts innovative radically inclusionary ways of reading teaching and communicating

Women in Science Fiction and Fantasy Robin Anne Reid,2008-12-30 Works of science fiction and fantasy increasingly explore gender issues feature women as central characters and are written by women writers This book examines women s contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and music The first volume offers survey essays on major topics such as sexual identities fandom women s writing groups and feminist spirituality the second provides alphabetically arranged entries on more specific subjects such as Hindu mythology Toni Morrison magical realism and Margaret Atwood Entries are written by expert contributors and cite works for further reading and the set closes with a selected general bibliography Students and general readers love science fiction and fantasy And science fiction and fantasy works increasingly explore gender issues feature women as central characters and are written by women writers Older works demonstrate attitudes toward women in times past while more recent works grapple with contemporary social issues This book helps students use science fiction and fantasy to understand the contributions of women writers the representation of women in the media and the experiences of women in society *Native Harvests* E. Barrie Kavasch,2013-05-27 From clambakes to wild strawberry bread this practical primer on natural foods not only provides recipes for varied Native American dishes but also describes uses of ceremonial medicinal and sacred plants 147 illustrations **Braiding Sweetgrass** Robin Kimmerer,2013-09-16 As a botanist Robin

Wall Kimmerer has been trained to ask questions of nature with the tools of science As a member of the Citizen Potawatomi Nation she embraces the notion that plants and animals are our oldest teachers In *Braiding Sweetgrass* Kimmerer brings these two lenses of knowledge together to take us on a journey that is every bit as mythic as it is scientific as sacred as it is historical as clever as it is wise Elizabeth Gilbert Drawing on her life as an indigenous scientist and as a woman Kimmerer shows how other living beings asters and goldenrod strawberries and squash salamanders algae and sweetgrass offer us gifts and lessons even if we've forgotten how to hear their voices In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today she circles toward a central argument that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth and learn to give our own gifts in return
