The Shaking of Adventism Geoffrey J. Paxton, 1977 A documented account of the crisis among Adventists over the doctrine of justification by faith *The Gathering Storm and the Storm Burst* Russell R. Standish, Colin D. Standish, 2000

The shaking of Adventism [a documented account of the crisis among Adventists over the doctrine of justification by faith] by Geoffrey J. Paxton Geoffrey J. Paxton, 1978 **Out of Adventism** Jerry A. Gladson, 2017-10-17 From its humble beginnings in the nineteenth century Seventh day Adventism has remarkably grown to become one of America's largest home grown faiths numbering nearly nineteen million members worldwide Yet Adventism harbors dark secrets within its history This is the true story of how one Adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted As his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an Adventist university he suddenly finds himself caught up in the maelstrom of a church's greatest theological crisis For him the denomination's theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity Rich in anecdotes and personal experiences *Out of Adventism* guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis Along the way the reader not only gets an insider's view of Adventism but also discovers a careful critique of the peculiar teachings of Seventh day Adventism

Exposing Seventh-day Adventism Russell Kelly Ph. D., Russell Earl Kelly, 2005 Seventh day Adventism entices members into it using trickery and half truths They tell the unenlightened public one thing and insiders yet another Dr Kelly explains how he was tricked into joining He then refutes the theological fiasco called the Investigative Judgment which created the sect Much of the book looks at the Sabbath with fresh insight The final part reveals the mysterious realms of Sheol and Hades in order to expose SDA error about the soul Russell Kelly is also the author of *Should the Church Teach Tithing A Theologian's Conclusions about a Taboo Doctrine* a best seller on Amazon.com under Tithing since 2001 *The Shaking of Adventism* Geoffrey J. Paxton, 1980 *The Silent Church* Zdravko Plantak, 2016-07-27 The relationship between the Adventist church and society at large has always been ambiguous One reason for this has been the church's inarticulate social ethics While the church upheld the concept of human dignity promoted religious liberty and sided with the poor nationalism and racism developed among its members Women in the church were also unfairly treated Zdravko Plantak confronts this problem head on He begins by looking at the church's history theology and ethics in order to discover reasons for the inconsistencies in its approach to human rights and then moves on to propose a more comprehensive approach to its social ethics **Another Gospel** Ruth A. Tucker, 2004 Ruth A Tucker's book is a comprehensive survey of all the major alternative religions in the United States including the new groups since the 1960s **Key to Revival** Gordon Ziegler, 2014-01-24 This book answers the following type of questions Why hasn't Jesus come yet Is it because God's people

need a revival and reformation How can we obtain an awakening Can we secure clues from past revivals Is there a recurring pattern in historical revivals and reformations Where are we now relative to that pattern What is the difference between legalism and antinomianism How do views on the atonement the nature of Christ and the sealing impact our quest for a revival and reformation What is the final revival type Are we nearing it These pages prepare the reader for the final revival and reformation Some of the answers offered in this book will surprise you They could even change your life *Profile of a Religious Man* Edwin Zackrison,2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with

Adventism Confronts Modernity Robert J. Mayer,2017-02-16 Many restorationist oriented associations like the Advent Christian Church often embrace two conflicting principles First they understand the Bible s inspiration and authority in a way that minimizes the importance and value of church tradition Second they give high value to individual autonomy both in biblical interpretation and in church governance *Adventism Confronts Modernity* describes what can happen when these principles conflict and make it difficult to resolve theological conflict This work begins by exploring the nineteenth century historical and theological roots of early Adventism with special attention to William Miller and the theological impact of the Great Disappointment the failed prediction of the early Adventists that Jesus Christ would return visibly in 1843 or 1844 Subsequent chapters explore the Fundamentalist Modernist controversies of the early twentieth century and focus on the impact of those events on the two colleges that trained Advent Christian clergy Aurora College now Aurora University and New England School of Theology later Berkshire Christian College After discussing theological reform efforts within the Protestant mainline and fundamentalist coalitions this book describes the conflicting views regarding the Bible s inspiration that emerged in the early twentieth century and their impact on the Advent Christian Church during the 1950s and 1960s It concludes that further reflection is needed on both the doctrine of Holy Scripture and how restorationist movements balance Christian theology with individual and congregational autonomy

Adventism and the American Republic Douglas Morgan,2001 *Adventism and the American Republic* tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the

interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of Liberty magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies BOOK JACKET *God's Rest Day of the New Testament* ,

Years of Changes, Challenges and Choices Gordon Kainer,2019-11-13 My book s objective is to describe the beliefs practices and ventures of the Adventist church that have had or still have a significant impact on my life Looking back I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them For this reason there will be much reminiscing retelling of personal experiences and evaluating church teachings and decisions all in the endeavor to make sense of what has happened That can only take place if we bathe our words and expressions in grace love and understanding The book endeavors to answer the underlying question what do we mean when we use the term church What are the primary reasons for its existence When you ask Adventists such a question we hope they answer with a reply that is inspiring and practical In presenting my view of Adventism over the past seventy five years it s had a positive effect on my knowing and understanding Jesus and I hope the same goes for you *Of the Times and Seasons* Kevin Straub,2017-07-31 Four forty year generations have entirely passed since 1844 Each one has failed to take hold of the high calling of being in possession of the third angel s message the last message of mercy for a dying world The delay in the

return of Christ must not be charged to God's account as though He is waiting for some celestial time clock to reach a pre-determined mark. Although God knows the day and the hour He has been waiting for us. As we look around us at the rapid deterioration of our planet and witness the increasing fulfilment of the signs of His appearing we get a deep sense that we are getting very close to the end perhaps even now entering into the time Jesus spoke of as the beginning of sorrows. Are we the first generation of a new cycle of four that generation that will see the close of probation the time of trouble and the return of Christ. Are there any Bible and Spirit of Prophecy evidences that point to it. Read the first section of this book. In the second section we take a panoramic view of the history of the movement giving an understanding of the causes of the long detour into the wilderness travelled by the professed people of God. The prophet Joel points to a story that must be told a story of the wasting of four generations. Joel 1:2-4. It is important that we hear this story. If we do not know our history as it is we will continue to perpetuate its mistakes. The message of this book is an alarm clock set to arouse God's people in the final moments of earth's history. It is sure to shake the reader. Accept it or reject it you won't be able to ignore it. **Seeking a Sanctuary** Malcolm Bull, Keith Lockhart, 2007. The story of a large yet little known Protestant denomination. *Embrace the Impossible* William G. Johnsson, 2008. He was there. Immersed in the events and crises that shaped the Seventh day Adventist Church over the past quarter century he was no spectator but an active participant. Speaking writing debating defending his voice was heard loud and clear.
