Necrochip Cynthia Harrod-Eagles,1993-01-01 **Shallow Graves** William Jefferies,2000 *Shallow Grave* Lori Armstrong,2017-03-15 It's horrifying to watch someone die My partner and I witnessed a fatality during a routine surveillance case a case that took a bizarre turn when we questioned the victim's wife about the mysterious hole that had caused the accident The widow admitted that hunters had discovered human remains and rather than alerting the authorities she and her late husband just reburied the bones The out of sight out of mind approach is never a smart option particularly when it's oh illegal and especially now that the bones in the hole have vanished Who was buried there And how long ago Local state and tribal authorities want answers My overworked former boss at the Bear Butte County Sheriff's office hires our PI agency to separate facts from speculation I bury myself in the investigation because it leaves me little time to obsess about the screwed up situation in my personal life why Martinez asked me to go undercover in his strip club as a bartender and why in the hell I agreed I never imagined this new case would cause total chaos in my world creating new enemies opening old wounds with my father reviving disputes with my half brother's Lakota family and generating dangerous employee rivalries But the information I uncover leads me back to my brother's unsolved murder and I finally come face to face with his killer
