Shamrock Tea:

The Delineator R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1926 **Shamrock Tea** Ciaran Carson, 2001

Shamrock Tea is an Irish drug that enables its users to see things not given to ordinary mortals. They can sense colours and sounds more vividly; they can penetrate the surface of paintings; they can cross time. The narrator, his cousin, and a strange Belgian friend know that their lives are ruled mysteriously by the great van Eyck painting *The Arnolfini Portrait* and they have travelled in dream-like moments through the painting into other times. They discover that each moment is connected to every other. But in the strange world of Shamrock Tea, no story can be straightforward. With a cast of characters that includes the gardener Ludwig Wittgenstein, this book will blow your mind.

Utah Payroll Builder, 1917 *Ciaran Carson* Neal Alexander, 2010-01-01. A PDF version of this book is available for free in open access via the OAPEN Library platform www.oapen.org. Ciaran Carson is one of the most challenging and inventive of contemporary Irish writers, exhibiting verbal brilliance, formal complexity, and intellectual daring across a remarkably varied body of work. This study considers the full range of his oeuvre in poetry, prose, and translations and discusses the major themes to which he returns, including memory and history, narrative language and translation, mapping violence and power. It argues that the singularity of Carson's writing is to be found in his radical imaginative engagements with ideas of space and place. The city of Belfast, in particular, occupies a crucially important place in his texts, serving as an imaginative focal point around which his many other concerns are constellated. The city, in all its volatile mutability, is an abiding frame of reference and a reservoir of creative impetus for Carson's imagination. Accordingly, the book adopts an interdisciplinary approach that draws upon geography, urbanism, and cultural theory, as well as literary criticism. It provides both a stimulating and thorough introduction to Carson's work and a flexible critical framework for exploring literary representations of space.

Ireland's Belleek Manning A. Mann, Horace Manning Mann, 2005. The book represents the staggering variety of some 400 rare and unusual pieces of Irish Belleek that were part of a 400-piece collection assembled by one private collector. The book is a personal reference guide of estimated prices and values. This delicate, creamy, delicious-looking china from Ireland has been the favorite collection of Kings and Queens since its origination in 1858. Today, the china is sought by millions of collectors throughout the world who have a real thirst to possess something truly beautiful.

A Concise Companion to Contemporary British Fiction James F. English, 2008-04-15. *A Concise Companion to Contemporary British Fiction* offers an authoritative overview of contemporary British fiction in its social, political, and economic contexts. Focuses on the fiction that has emerged since the late 1970s, roughly since the start of the Thatcher era. Comprises original essays from major scholars. Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author. The emphasis is on the whole fiction scene, from bookstores and prizes to the changing economics of film adaptation. Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life.

Muse of Fire Michael Korda,2024-04-16 The First World War comes to harrowing life through the intertwined lives of the soldier poets in Michael Korda s epic *Muse of Fire* Michael Korda the best selling author of *Hero and Alone* tells the story of the First World War not in any conventional way but through the intertwined lives of the soldier poets who came to describe it best and indeed to symbolize the war s tragic arc and lethal fury His epic narrative begins with Rupert Brooke the handsomest young man in England and perhaps its most famous young poet in the halcyon days of the Edwardian Age and ends five years later with Wilfred Owen killed in action at twenty five only one week before the armistice With bitter irony Owen s mother received the telegram informing her of his death on November 11 just as church bells tolled to celebrate the war s end Korda s dramatic account which includes anecdotes from his own family history not only brings to life the soldier
