**Teacher Tenure** Ovid K. Wong,Chak Lau,2015-12-31 What is tenure It is a policy which gives teachers a permanent contract ensuring them a guarantee of employment like for life Tenured teachers cannot be fired unless for just cause such as gross misconduct or incompetence Proponents of teacher tenure say that it is good They argue that tenure prevents teachers from being fired for inappropriate reasons tenure protects teachers from false accusations tenure reduces teacher anxiety and allows them to become even better educators properly used tenure creates an environment where teachers are encouraged to improve and lastly tenure protects good but veteran teachers from being fired for being too expensive Opponents of teacher tenure say that it is bad They argue that tenured teachers if they are ineffective are often extremely difficult to dismiss dismissing tenured teachers takes a long time and is often extremely expensive almost every k 12 teacher receives tenure whether they have earned it or not and last but not least teacher tenure leads to complacency The

purpose of the book is not to further debate the pros and cons of teacher tenure Rather it examines the critical elements to better prepare teachers for the tenure application and the tenure decision makers to make better informed evaluation Teacher Tenure An Analysis of the Critical Elements begins with an unlikely introduction of a story that uses rhetorical comparison of the shoe experience to connote the wisdom of the teacher tenure process    **Packaging Girlhood** Sharon Lamb,Lyn Mikel Brown,2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like Reviving Ophelia Odd Girl Out Queen Bees and Wannabees that examine the world of girls this book promises to not only spark debate but help parents to help their daughters    *Think Like Socrates* Shanna Peeples,2018-08-16 Socrates believed in the power of questions rather than lecturing his students But how did we get so far away from his method of inquiry Shanna Peeples 2015 National Teacher of the Year will show you how teachers can create an engaging atmosphere that encourages student questions and honors their experiences This resource provides Questions paired with sample texts Step by step lessons for generating and using students questions Lesson extensions for English language learners special education students and gifted and talented students Writing suggestions in class debate questions and scoring rubrics Multimedia texts Protocols for using inquiry with adults as a base for professional development

**Creating Innovators** Tony Wagner,2012-04-17 From a prominent educator author and founder of Harvard s Change Leadership Group comes a provocative look at why innovation is today s most essential real world skill and what young people need from parents teachers and employers to become the innovators of America s future In this groundbreaking book education expert Tony Wagner provides a powerful rationale for developing an innovation driven economy He explores what parents teachers and employers must do to develop the capacities of young people to become innovators In profiling compelling young American innovators such as Kirk Phelps product manager for Apple s first iPhone and Jodie Wu who founded a company that builds bicycle powered maize shellers in Tanzania Wagner reveals how the adults in their lives nurtured their creativity and sparked their imaginations while teaching them to learn from failures and persevere Wagner identifies a pattern a childhood of creative play leads to deep seated interests which in adolescence and adulthood blossom into a deeper purpose for career and life goals Play passion and purpose These are the forces that drive young innovators Wagner shows how we can apply this knowledge as educators and what parents can do to compensate for poor schooling He takes readers into the most forward thinking schools colleges and workplaces in the country where teachers and employers are developing cultures of innovation based on collaboration

interdisciplinary problem solving and intrinsic motivation The result is a timely provocative and inspiring manifesto that will change how we look at our schools and workplaces and provide us with a road map for creating the change makers of tomorrow Creating Innovators will feature its own innovative elements more than sixty original videos that expand on key ideas in the book through interviews with young innovators teachers writers CEOs and entrepreneurs including Thomas Friedman Dean Kamen and Annmarie Neal Produced by filmmaker Robert A Compton the videos are accessible via links and QR codes placed throughout the eBook text or by visiting [www.creatinginnovators.com](http://www.creatinginnovators.com)
