Shape Of Q Signal Essays On The Sayings Gospel:

The Gospel of Matthew John Nolland, 2005-11 Introduction The authorship of the Gospel The Gospel's sources How the author handled his sources From eyewitnesses to Matthew's sources The date of the Gospel of Matthew The provenance of the Gospel of Matthew What kind of document did Matthew think he was writing The state of the Gospel text Elements of Matthew's narrative technique Matthew's use of the OT Matthew's use of other Jewish tradition Commentary The stock from which Jesus comes and its history 1 1 17 Infancy 1 18 2 23 John proclaiming in the wilderness 3 1 12 Preparation 3 13 4 12 Establishing his ministry 4 13 25 Sermon on the Mount 5 1 8 1 Jesus on the move in ministry 8 1 2 9 34 Workers for the harvest 9 35 11 1 Seeing clearly and relating rightly to God's present agenda 11 2 30 Conflict with the Pharisees 12 1 50 Parables of the kingdom 13 1 53 Jesus interpreted but also rejected 13 53 54 16 20 Anticipating a future through suffering and beyond 16 1 17 20 Status and behaviour in the royal family 17 22 18 35 Family and possessions in view of the kingdom 19 1 20 16 Redefining greatness Jesus goes to Jerusalem to die Jericho Bethphage entry into Jerusalem 20 17 21 11 Provocative ministry in Jerusalem 21 12 46 Jesus silences the leaders who are his opponents 22 1 46 Jesus criticises the scribes and Pharisees 23 1 39 The shape of the future 24 1 25 46 The Passion account 26 1 27 66 Resurrection and commissioning 28 1 20 The Formative Stratum of the Sayings Gospel Q Llewellyn Howes, 2021-02-15 In this study

Llewellyn Howes analyses the formative stratum of the Sayings Gospel Q arguing for the inclusion of traditionally excluded texts Novel interpretations of certain Q texts enable the author to reconsider the overarching message of Q's earliest redactional layer This results in interesting and important consequences for our understanding of Jesus as a historical figure

The Shape of Q John S. Kloppenborg, 1994 *The Composition of the Sayings Source* Alan Kirk, 2014-04-09 This volume analyzes the Q materials in the light of compositional conventions of ancient instructional genres The author begins by assessing literary critical approaches to Q which began with Harnack and have culminated in the work of Kloppenborg Sato and others Next he articulates a theory of genre analysis drawn from text linguistics literary criticism and rhetorical criticism An array of ancient paraenetic texts is used to generate genre critical models in turn applied comprehensively to the double tradition materials The results are used to critically assess recent redaction history theories of Q's formation and to locate Q more securely among ancient paraenetic genres The book will be of interest to synoptic gospels scholarship historians of Christian origins literary critics and those investigating the production social function and performance of texts in early Christianity Q, the First Writing about Jesus Yoseop Ra, 2016-04-14 This book shows readers the formation of Q by

exploring how the texts were subjected to redaction four times As author Yoseop Ra demonstrates the first redaction of Q conveys the words and deeds of the historical Jesus and then the rest of redactors imposed their own theological interpretation to the words and deeds of Jesus His argument will provide readers with a fresh look on how the earliest Jesus movement was formed in the thirties of the first century CE Q is a hypothetical document extracted from the common source

between Matthew and Luke Thus it is not easy to distinguish the different layers of redaction embedded in Q However form critical redaction critical composition critical and socio historical approaches to it makes readers separate the four layers of redaction from Q Each layer will show how the disciples of Jesus moved from the countryside to Jerusalem via some rural cities expanding their boundary

Speaking Jesus David Buttrick, 2002-01-01 Once again renowned homiletician David Buttrick has written a highly practical book that conveys and makes contagious his excitement for the theological task of preaching In Speaking Jesus Buttrick delineates the theological issues inherent in the Sermon on the Mount and presents a homiletical strategy for preaching its meaning and relevance In Part One Buttrick gives a general overview of the text and raises central theological issues imperative to its preaching particularly the authenticity of Jesus words and the sermon s relevance for today In Part Two he offers his commentary on Jesus Sermon on the Mount provides suggestions for preaching and includes some of his own sermons as examples

The Sayings Gospel Q in Greek and English James McConkey Robinson, 2001 The Sayings Gospel Q in Greek and English with Parallels from the Gospels of Mark and Thomas is the outcome of a generation s work by the International Q Project in reconstructing the collection of sayings ascribed to Jesus and some to John that lies behind the Gospels of Matthew and Luke It thus makes available in a convenient form the most important source for reconstructing the message of Jesus original Galilean followers as they proclaimed anew after his death his message of God s reign Q is as a result the most important single source for the study of the historical Jesus It should be in the hands of every student of theology and of every layperson seriously interested in knowing more about Jesus This small volume presents on facing pages the Greek and English reconstruction of the text of Q It is in a simplified and more readable format than its original massive publication of 1990 The Critical Edition of Q Synopsis including the Gospels of Matthew and Luke Mark and Thomas with English German and French Translations of Q and Thomas edited by James M Robinson Paul Hoffmann and John S Kloppenborg Managing Editor Milton C Moreland at Peeters and Fortress Press

Synoptic Problems John S. Kloppenborg, 2014-07-02 This volume contains a collection of twenty one essays of John S Kloppenborg with four foci conceptual and methodological issues in the Synoptic Problem the Sayings Gospel Q the Gospel of Mark and the Parables of Jesus Kloppenborg a major contributor to the Synoptic Problem is especially interested in how one constructs synoptic hypotheses always aware of the many gaps in our knowledge the presence of competing hypotheses and the theological and historical entailments in any given hypothesis Common to the essays in the remaining three sections is the insistence that the literature thought and practices of the early Jesus movement must be treated with a deep awareness of their social literary and intellectual contexts The context of the early Jesus movement is illumined not simply by resort to the literary and historical sources produced by Greek and Roman elites but more importantly by data gathered from documentary sources available in non literary papyri

The Nonviolent Messiah Simon J. Joseph, 2014 When scholars have set Jesus against various conceptions of the messiah and other reemptive figures in early Jewish expectation those

questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding The Radical Jesus, the Bible, and the Great Transformation Douglas E. Oakman,2021-01-25 The Radical Jesus offers a companion to the author s previous article collection Jesus and the Peasants Even more than in Jesus and the Peasants these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued suavisly in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric David Edward Aune,2003-01-01 The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric details the variety of literary and rhetorical forms found in the New Testament and in the literature of the early Christian church This authoritative reference source is a treasury for understanding the methods employed by New Testament and early Christian writers Aune s extensive study will be of immense value to scholars and all those interested in the ways literary and rhetorical forms were used and how they functioned in the early Christian world This unique and encyclopedic study will serve generations of scholars and students by illuminating the ways words shaped the consciousness of those who encountered Christian teachings

Redescribing Christian Origins Ronald Dean Cameron,Merrill P. Miller,2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments **Q in Matthew** Alan Kirk,2016-08-11 Advocates of the established hypotheses on the origins of the Synoptic gospels and their interrelationships the Synoptic Problem and especially those defending or contesting the existence of the source Q are increasingly being called upon to justify their position with reference to ancient media practices Still others go so far as to claim that ancient media realities force a radical rethinking of the whole project of Synoptic source criticism and they question whether traditional documentary approaches remain valid at all This debate has been hampered to date by the

patchy reception of research on ancient media in Synoptic scholarship Seeking to rectify this problem Alan Kirk here mounts a defense grounded in the practices of memory and manuscript transmission in the Roman world of the Two Document Hypothesis He shows how ancient media memory approaches in fact offer new leverage on classic research problems in scholarship on the Synoptic Gospels and that they have the potential to break the current impasse in the Synoptic Problem The results of his analysis open up new insights to the early reception and scribal transmission of the Jesus tradition and cast new light on some long conflicted questions in Christian origins

Parables and Rhetoric in the Sermon on the Mount

Ernst Baasland, 2015-07-27 Parable research has to a large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most well known of Christ's preachings are clarified by its parables and rhetoric and the sermon's Jewish background has often been investigated While the author continues with that particular task he simultaneously affords more emphasis to the parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on the Mount's philosophy of life and provides a better understanding of this classical text

Matthean and Lukan Special Material Brice C. Jones, 2011-12-08 For the first time the Gospel material unique to both Matthew and Luke is brought together into one volume in both Greek and English For more than a century New Testament scholars have asserted that Matthew and Luke drew on sources in addition to Q and Mark during the composition of their Gospels For convenience the non paralleled material in Matthew has traditionally been labeled M and the non paralleled material in Luke has traditionally been labeled L We learn only from Matthew for example particular stories like Joseph and Mary's escape to Egypt and the Great Commission from Luke stories like the Prodigal Son and Jesus appearance on the Emmaus road Studying the material unique to each Gospel in isolation from their narrative contexts will allow students and scholars alike to engage these stories on their own In this book the individual special pericopae from Matthew and Luke are

collected and arranged in Greek and English in the order in which they appear in the Greek New Testament An introductory essay is provided to introduce readers to the Synoptic Problem the notions of M and L and where they come from what the parameters are for selection and the critical debate so that readers know how the selections were made and what is being asserted by their inclusion This book will be a wonderful teaching tool for seminary and university professors and will facilitate student engagement with distinctive Matthean and Lukan stories It will also be a valuable resource for New Testament scholars doing research on this special material since having it all in one place will no longer require them to search for the distinctive passages among the larger Gospel narratives The Epistle of James and Eschatology Todd Penner,1996-05-01 The aim of this book is to challenge the common view that the epistle of James is a late Hellenistic Wisdom document that has little importance for our understanding of earliest Christianity The author undertakes two main projects first an examination of the various assumptions about date setting and content that have influenced how the letter of James has been interpreted and second a re reading of the letter that seeks to uncover the special character of the epistle by stressing the fusion of its eschatological framework with its ethical instruction The literary cultural and social contextualization of James that emerges sheds new light on this often neglected text and its place in early Christianity

Grammaire du parler berbère de Figuig (Maroc oriental) James McConkey Robinson,Paul Hoffmann,John S. Kloppenborg,2000 The existence of Q simply defined as the non Markan material common to Matthew and Luke as a document in the earliest churches was first hypothesized by C H Weisse in 1838 The existence character and significance of Q as a document from the earliest churches has further been developed since then by numerous scholars including the two Fortress Press books by John S Kloppenborg Verbin *The Formation of Q* 1987 and *Excavating Q* 2000 Q remains a subject of heated debate The Q material consists mainly of sayings of Jesus but begins with some sayings of John the Baptist For the most part narratives are missing most conspicuously of all is the Passion Narrative This critical text edition includes an introduction the running text of Q new translations of Q in English German and French the fully formatted Greek text of Q with parallels in Matthew Luke Mark Gospel of Thomas and other gospels wherever relevant a concordance and a bibliography From publisher s description
