## **Shaping The Superman Fascist Body As Political Icon Aryan Fascism:**

**Shaping the Superman** J. A. Mangan, 1999      **Shaping the Superman** J A Mangan, 2014-02-04 This is a study of masculinity as a metaphor and especially of the muscular male body as a moral symbol It explores the Nazi s preoccupation with the male body as an icon of political power and the ideology and theories which propelled it      *Special Issue Shaping the Superman* J. A. Mangan, 1996      **Fascism and Political Theory** Daniel Woodley, 2009-09-17 Fascism and Political Theory offers both students and researchers a thematic analysis of fascism focusing on the structural and ideological links between fascism capitalism and modernity Intended as a critical discussion of the origins and development of fascist ideology each chapter deals with a core substantive issue in political theory relevant to the study of fascism and totalitarianism beginning with an assessment of the current state of debate The emphasis on formal ideology in contemporary Anglo American historiography has increased our awareness of the complexity and eclectic nature of fascist ideologies which challenge liberalism and social democracy Yet in too many recent works a programmatic or essentialist reading of fascist ideology as a secular religion is taken for granted while researchers remain preoccupied with the search for an elusive fascist minimum In this book Woodley emphasizes that many outstanding questions remain including the structural and ideological links between fascism and capitalism the social construction of fascist nationalism and the origins of fascist violence in European colonialism This volume consolidates the reader s theoretical understanding and provides the interdisciplinary skills necessary to understand the concrete social economic and political conditions which generate and sustain fascism A timely critique of culturalist and revisionist approaches in fascism studies which provides a concise overview of theoretical debates between liberalism Marxism and poststructuralism this text will be of great interest to students of politics modern history and sociology      **Physical Culture, Power, and the Body** Patricia Vertinsky, Jennifer Hargreaves, 2006-11-28 During the past decade there has been an outpouring of books on the body in society but none has focused as specifically on physical culture that is cultural practices such as sport and dance within which the moving physical body is central Questions are raised about the character of the body specifically the relation between the natural body the constructed body and the alien or virtual body The themes of the book are wide in scope including physical culture and the fascist body sport and the racialised body sport medicine health and the culture of risk the female Muslim sporting body power and politics experiencing the disabled sporting body embodied exhibitions of striptease and sport the social logic of sparring sport girls and the neoliberal body Physical Culture Power and the Body aims to break down disciplinary boundaries in its theoretical approaches and its readership The author s multi disciplinary backgrounds demonstrate the widespread topicality of physical culture and the body      **Disciplining Bodies in the Gymnasium** Sherry Mckay, Patricia Vertinsky, 2004-05-06 Architecture and design have been used to exert control over bodies across lines of class gender and race They regulate access to certain spaces and facilities impose physical or psychological barriers and make particular activities possible for specific groups

Built in 1951 the War Memorial Gymnasium at the University of British Columbia is a prize winning example of modernist architecture Although conceived to honour the dead of World War II it was far from being a neutral memorial and gymnasium for everyday athletes This collection shows what the design construction and shifting functions and spatial configurations of the building reveal about the values and aspirations of the university in the post war years It shows how the building reflected the social and power relations among university administrators architects and planners faculty staff and students and demonstrates how the culture and structure of the gymnasium responded to changing attitudes to competition discipline profession gender race and health As the editors explain built form has politics and culture sporting culture is just politics by another name

*Sport in South Asian Society* Boria Majumdar, J A Mangan, 2013-09-13 A detailed study of sports arrival spread and advance in colonial and post colonial South Asia A selection of articles addresses critical issues of nationalism communalism commercialism and gender through the lens of sport This book makes the point that the social histories of South Asian sport cannot be understood by simply looking at the history of the game in one province or region Furthermore it demonstrates that it would be wrong to understand sport in terms of the exigencies of the colonial state Drawing inspiration from C L R James well known epigram What do they know of cricket who only cricket know the findings suggest that South Asian sport makes sense only when it is placed within the broader colonial and post colonial context The book demonstrates that sport not only influences politics and vice versa but that the two are inseparable Sport is not only political it is politics intrigue culture and art To deny this is to denigrate the position of sport in modern South Asian society This volume was previously published as a special issue of The International Journal of the History of Sport

*Sport and Memory in North America* Stephen G. Wieting, 2019-07-23 Cultures and nations remember themselves with select bodily images evocative rituals and texts This volume illustrates how sport is used in the creation maintenance and now global dissemination of a nation s cherished values Carefully drawn cases of sport in North America American baseball and football figure skating and gymnastics Canadian hockey and track and field for example show the potency of sport s cultural work The book captures uplifting images which are stressed in the public performance and national and international broadcasting of sport but also notes the omissions and distortions of social reality that persist in sport performance and mass marketing in North America

**Running Cultures** John Bale, 2004 Bale brings running into the realm of the humanities by drawing on sources from literature poetry film and art as well as statistics and training manuals to highlight tensions ambiguities and complexities lying beneath common notions of the sport

**Sites of Sport** John Bale, Patricia Vertinsky, 2004-06-01 The study of built environments such as gymnasiums football stadiums swimming pools and skating rinks provides unique information about the historical enclosure of the gendered and sexualised body the body s capabilities needs and desires It illuminates the tensions between the globalising tendencies of sport and the importance of local culture and a sense of place This collection uses spatial concepts and examples to examine the nature and development of sporting practices At a time when the

importance of spacial theories and spacial metaphors to sport is being increasingly recognised this pioneering work on the changing landscape of sporting life will appeal to students of the history sociology and management of sport The Games Ethic and Imperialism J.A. Mangan,2013-11-05 This is more than a description of the imperial spread of public school games it considers hegemony and patronage ideals and idealism educational values and aspirations cultural assimilation and adaptation and the dissemination of the moralistic ideology of athleticism Sport in Latin American Society Lamartine DaCosta,J A Mangan,2014-04-08 This work deals with the infancy adolescence and maturity of sport in Latin American society It explores ways in which sport illuminates cultural migration and emigration and indigenous assimilation and adaptation **Serious Sport** J. A. Mangan,2004 Trial blazer and mentor Professor J A Mangan is a distinguished scholar in the fields of sports history whose work has inspired a generation of historians and social scientists across the globe His seminal book on athleticism and imperialism commanded attention and applause from a broad range of historians and social scientists across the globe His seminal work on athleticism and imperialism commanded attention and applause from a broad range of historians It opened new horizons of inquiry providing the field with a richly perceptive study of hegemony and patronage of cultural assimilation and adaptation and of the ways that power elites used sport for socialization acculturation and social control His later works continued to pose critical sometimes controversial questions providing new and provocative insights into the complex social issues involved in the development and diffusion of sporting activity The geographical horizons of his work now span the globe This volume is a fitting tribute to the scholarship and lasting accomplishments of a pioneer who has mentored and continues to mentor numerous young scholars internationally simultaneously developing and maintaining high quality channels through which to disseminate sport history research In appraising his scholarship the contributors to this collection demonstrate their debt to his vision and achievements This volume was previously published as a special issue of The International Journal of the History of Sport Gender, Sport, Science J. A. Mangan,Patricia Vertinsky,2013-10-18 Roberta J Park has been throughout her distinguished career a scholar with a mission to win academic recognition of the significance of the body in culture and cultures Her scholarship has earned her global esteem in the disciplines of Physical Education and Sports Studies for its penetrating insights This selection of her writings is a well deserved tribute to her interpretive originality her intellectual acuity and her ability to inspire colleagues and students To explore unexplored patterns has been her extraordinary strength The result has been continual originality of insight These writings are thus a unique compilation of scholastic creativity of major interest to scholars and students in Sports Studies Physical Education Health Studies Sociology and Social Psychology This book was published as a special issue of the International Journal of the History of Sport Militarism, Hunting, Imperialism J.A. Mangan,Callum McKenzie,2013-10-18 The late Victorian and Edwardian officer class viewed hunting and big game hunting in particular as a sound preparation for imperial warfare For the imperial officer in the making the bloody hunting ritual was a visible

hallmark of stirring martial masculinity Sir Henry Newbolt the period poet of subaltern self sacrifice typically considered hunting as essential for the creation of a masculine sporting spirit necessary for the consolidation and extension of the empire Hunting was seen as a manifestation of Darwinian masculinity that maintained a pre ordained hierarchical order of superordinate and subordinate breeds Militarism Hunting Imperialism examines these ideas under the following five sections martial imperialism the self sacrificial subaltern bleeding the middle class martial male the imperial officer hunting and war martial masculinity proclaimed and consolidated martial masculinity adapted and adjusted This book was published as a special issue of the International Journal of the History of Sport *Japanese Imperialism: Politics and Sport in East Asia* J.A. Mangan, Peter Horton, Tianwei Ren, Gwang Ok, 2017-10-11 This cutting edge collection presents a political reading of the power of modern sport in Asia Providing an interdisciplinary study of political and cultural tensions in Asia past and present through the key case study of sport it illuminates the complex practices and legacies of Japanese imperialism across East and Southeast Asia through the 20th century and beyond Focusing on the deep background to contemporary dynamics of intraregional tensions it examines sport both as a tool of imperialism and as an agent of reconciliation as the region gears up to the 2020 Olympics in Tokyo Offering a unique contribution to East Asian Studies Colonial and Postcolonial Studies and Sport Studies this work represent key reading for students and scholars of East Asian studies International Politics and Sports Diplomacy **Sport and International Relations** ADRIAN BUDD, ROGER LEVERMORE, 2004-06 The contributors to this collection argue that sport remains an understudied aspect of international relations and that the growth of its importance should be seen in the complex interdependencies and global systems of governance **Spartakiads** Petr Roubal, 2020-01-01 Every five years from 1955 to 1985 mass Czechoslovak gymnastic demonstrations and sporting parades called Spartakiads were held to mark the 1945 liberation of Czechoslovakia Involving hundreds of thousands of male and female performers of all ages and held in the world s largest stadium a space built expressly for this purpose the synchronized and unified movements of the Czech citizenry embodied quite literally the idealized Socialist people a powerful yet pliant force directed by the regime This book explores the political social and aesthetic dimensions of these mass physical demonstrations with a particular focus on their roots in the v lkish nationalism of the German Turner movement and the Czech Sokol gymnastic tradition Featuring an abundance of photographs Spartakiads takes a new approach to Communist history by opening a window onto the mentality and mundanity behind the Iron Curtain Cricketing Cultures in Conflict Boria Majumdar, J A Mangan, 2004-05-20 Introducing themes of racial political unification commercialization the media and globalization this book explores the role of cricket and sport in each of the competing nations with particular reference to the Cricket World Cup **Law and Sport in Contemporary Society** Steven Greenfield, Guy Osborn, 2013-05-13 As the commercialization of sport grows the need for proper regulation increases In legal terms sport is part of the entertainment and media industries which are subject to rapid change This work brings together experts in many fields to analyze these

changes and to discuss the implications of issues such as the BSkyB Manchester United case civil and criminal actions on the playing field the Bosman ruling drugs in sport the legality of boxing and the validity of decisions made by governing bodies  
This collection should appeal to students of both sports history and sports sociology
