Share the New Life with a Jew Moishe Rosen, Ceil Rosen, 1976 **Jews and Christians Together** A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect *The New Life* Jeremy Varon, 2014-06-01 Jewish Displaced Persons DPs survived in concentration and death camps in hiding and as exiles in the Soviet interior After liberation in the land of their persecutors some also attended university to fulfill dreams of becoming doctors engineers and professionals In *The New Life* Jewish Students of Postwar Germany Jeremy Varon tells the improbable story of the nearly eight hundred young Jews mostly from Poland and orphaned by the Holocaust who studied in universities in the American Zone of Occupied Germany Drawing on interviews he conducted with the Jewish alumni in the United States and Israel and the records of their Student Union Varon reconstructs how the students built a sense of purpose and a positive vision of the future even as the wounds of the past persisted Varon explores the keys to students renewal including education itself the bond they enjoyed with one another as a substitute family and their efforts both to reconnect with old passions and to revive a near vanquished European Jewish intelligentsia *The New Life* also explores the relationship between Jews and Germans in occupied Germany Varon shows how mutual suspicion and resentment dominated interactions between the groups and explores the subtle ways anti-Semitism expressed itself just after the war Moments of empathy also emerge in which Germans began to reckon with the Nazi past Finally *The New Life* documents conflicts among Jews as they struggled to chart a collective future while nationalists both from Palestine and among DPs insisted that Zionism needed pioneers not scholars and tried to force the students to quit their studies Rigorously researched and passionately written *The New Life* speaks to scholars students and general readers with interest in the Holocaust Jewish and German history the study of trauma and the experiences of refugees displaced by war and genocide With liberation nearly seventy years in the past it is also among the very last studies based on living contact with Holocaust survivors **Evangelizing the Chosen People** Yaakov Ariel, 2003-06-19 With this book Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in

America to the present day Based on unprecedented research in missionary archives as well as Jewish writings the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community which in turn helped to shape the evangelical activity directed toward it Ariel delineates three successive waves of evangelism the first directed toward poor Jewish immigrants the second toward American born Jews trying to assimilate and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era After World War II the missionary impulse became almost exclusively the realm of conservative evangelicals as the more liberal segments of American Christianity took the path of interfaith dialogue As Ariel shows these missionary efforts have profoundly influenced Christian Jewish relations Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation But to conservative evangelical Christians who support the State of Israel evangelizing Jews is a manifestation of goodwill toward them

Our Jewish Neighbors ,1924 Eerdmans Commentary on the Bible: Daniel Iain Provan,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Provan s introduction to and concise commentary on Daniel The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions A New Life of Jesus David Friedrich Strauss,1879 Relational Judaism Ron Wolfson,2013 Noted educator and community revitalization pioneer Dr Ron Wolfson presents practical strategies and case studies to guide Jewish leaders in turning institutions into engaging communities that connect members to Judaism in meaningful and lasting ways **Jews and Christians in the First and Second Centuries: How to Write Their History** Peter J. Tomson,Joshua J. Schwartz,2014-08-21 The papers in this volume are organized around the ambition to reboot the

writing of history about Jews and Christians in the first two centuries CE Many are convinced of the need for a new perspective on this crucial period that saw both the birth of rabbinic Judaism and apostolic Christianity and their parting of ways Yet the traditional paradigm of Judaism and Christianity as being two totally different systems of life and thought still predominates in thought handbooks and programs of research and teaching As a result the sources are still being read as reflecting two separate histories one Jewish and the other Christian The contributors to the present work were invited to attempt to approach the ancient Jewish and Christian sources as belonging to one single history precisely in order to get a better view of the process that separated both communities In doing so it is necessary to pay constant attention to the common factor affecting both communities the Roman Empire Roman history and Roman archaeology should provide the basis on which to study and write the shared history of Jews and Christians and the process of their separation A basic intuition is that the series of wars between Jews and Romans between 66 and 135 CE a phenomenon unrivalled in antiquity must have played a major role in this process Thus the papers are arranged around three focal points 1 the varieties of Jewish and Christian expression in late Second Temple times 2 the socio economic military and ideological processes during the period of the revolts and 3 the post revolt Jewish and Christian identities that emerged As such the volume is part of a larger project that is to result in a source book and a history of Jews and Christians in the first and second centuries
