Intimacy Martin Fisher,2012-12-06 Intimacy is a complex and heterogeneous concept that has generated a variety of definitions theories and philosophies over the years Al though there is much disagreement about the essential meaning of the term there seems to be a consensus that intimacy whatever it may be is of central importance in human relationships and specifically in the theory and practice of psychotherapy One approach to intimacy focuses on an intrapsychic conception Intimacy occurs when an individual achieves full self knowledge and is fully in touch with his or her feelings and wishes From this viewpoint an intimate act occurs when a person is willing to share these feelings and wishes with another so that self disclosure becomes an important index of intimacy This definition also implies that intimacy need not be reciprocal so that a therapeutic relationship can achieve a good deal of intimacy without the therapist engaging in self disclosure An alternate approach to intimacy stresses the interpersonal nature of the concept Intimacy is seen as the product of an interaction and can only occur between people Each one is able to touch something meaningful in the other whether at a conscious behavioral level or an unconscious and inferential level Therapists seeking intimacy in these terms would probably be a good deal more active and consider it more important to reveal something of the substance of their own persons if not the facts of their lives

Infertility and Intimacy in an Online Community Paulina Billett,Anne-Maree Sawyer,2018-09-29 This book explores an online support group for women who are infertile Offering a close up view of the women s identities and

emotions as they navigate the roller coaster world of infertility a range of questions are addressed How do the women seek support How do they offer support to one another How are intimacies produced in the online space Through narrative analysis of online journals and posts the authors examine the impact of infertility on women s perceptions of their bodies their struggles with medical professionals on their relationships with family and friends and the challenges that a diagnosis of infertility presents to couples Infertility and Intimacy in an Online Community will appeal to social scientists students from a range of health science disciplines counsellors and health professionals and women and men who are dealing with infertility

The Intimate Male Linda Levine,1983-12 *The Ground Between* Veena Das,Michael Jackson,Arthur Kleinman,Bhrigupati Singh,2014-04-21 The guiding inspiration of this book is the attraction and distance that mark the relation between anthropology and philosophy This theme is explored through encounters between individual anthropologists and particular regions of philosophy Several of the most basic concepts of the discipline including notions of ethics politics temporality self and other and the nature of human life are products of a dialogue both implicit and explicit between anthropology and philosophy These philosophical undercurrents in anthropology also speak to the question of what it is to experience our being in a world marked by radical difference and otherness In *The Ground Between* twelve leading anthropologists offer intimate reflections on the influence of particular philosophers on their way of seeing the world and on what ethnography has taught them about philosophy Ethnographies of the mundane and the everyday raise fundamental issues that the contributors grapple with in both their lives and their thinking With directness and honesty they relate particular philosophers to matters such as how to respond to the suffering of the other how concepts arise in the give and take of everyday life and how to be attuned to the world through the senses Their essays challenge the idea that philosophy is solely the province of professional philosophers and suggest that certain modalities of being in the world might be construed as ways of doing philosophy Contributors Jo o Biehl Steven C Caton Vincent Crapanzano Veena Das Didier Fassin Michael M J Fischer Ghassan Hage Clara Han Michael Jackson Arthur Kleinman Michael Puett Bhrigupati Singh

Romantic Literary Families S. Krawczyk,2009-07-20 The late eighteenth century witnessed the emergence of the literary family a collaborative kinship network of family and friends that by the end of the century displayed characteristics of a nascent corporation This book examines different models of collaboration within English literary families during the period 1760 1820 Beginning with the sibling model of Anna Barbauld and John Aikin and concluding with the intergenerational model presented by the Godwins and the Shelleys this study traces the conflict and cooperation that developed within and among literary families as they sought to leave their legacies on the English world of letters

Poetry and Contemporary Visual Culture / Lyrik und zeitgenössische Visuelle Kultur Magdalena Elisabeth Korecka,Wiebke Vorrath,2023-10-24 This book s goal is to determine the significance of visual culture in the production of contemporary poetry and to sound out the insights poetry might generate into contemporary visual culture Its main hypothesis is that poetry holds considerable potential for post digital

language image and media criticism The visual dimensions of recent poetry encompass for instance kinetic writing in digital poetry visual elements in social media poems and spoken and written text image interactions in poetry films as well as in book poetry The articles examine these medial correlations and their political implications by asking how visual culture is applied exposed and debated in poetry This volume brings together contributions by authors from various countries working in disciplines such as literary media and film studies linguistics cultural and visual culture studies and in poetic practice It covers poetry in English German Norwegian Polish Ukrainian Russian Serbian and also multilingual works The book thus aims to promote international exchange between poetry researchers and stimulate further investigation into current relations between poetry and visibility from additional research perspectives and languages **Queering the Border** Emma

Perez,2022-11-30 You will never know how it feels to have brown skin and a Mexican name You will never know what it is like to watch your mother struggle with white words In this collection of prose pieces author and scholar Emma Perez explores the intersection of race class gender and sexuality A Chicana queer lesbian who honors my mother and her plight within patriarchal institutions that limit women's choices and opportunities Perez writes about issues including sexual politics and power relations between Anglo and Hispanic men that have impacted her Tejano family for generations A historian by training her work aims to decolonize the Southwest by uncovering voices from the past that validate multiple experiences Essays reveal the influence of Gloria Anzaldua's scholarship recount the controversy surrounding artist Alma Lopez's digital print Our Lady in which the Virgin of Guadalupe appears in a provocative bikini and evaluate interviews with 25 LGBTQ people in the El Paso Ciudad Juarez area to expose life on the border as a queer of color This collection also includes short fiction and an epistolary love poem to the first feminist of the Americas Sor Juana Ines de la Cruz or in this case Sor Juanx Bringing together the work of a noted Chicana writer and academic this volume reinforces the body of work by LGBTQ people of color dealing with racism and sexism conquest and colonization power and privilege all with a particular emphasis on the Southwest borderlands **Male Intergenerational Intimacy** Alex Van Naerssen,Theo

Sandfort,2013-09-13 This groundbreaking book presents new historical legal sociological psychological and cross disciplinary research on male intergenerational intimacy Experts thoroughly document and further the discussion about this area of research through historical and ethnological examples from different times and places and aim to clarify how controversies about the subject have evolved in modern Western society The editors of Male Intergenerational Intimacy have solicited original research and literature reviews which do not digress into emotional arguments for or against intergenerational intimacy but instead aim to establish the basics for a research based scholarship The contributors address the implications of intergenerational intimacy on a variety of levels from friendship and companionship through sexual dimensions and further analyze personal accounts to illustrate how individuals involved in intergenerational intimacy understand themselves and how they construct their concepts of intimacy and sexual identity Contributors also deal with intergenerational intimacy

behaviors that require counseling treatment and psychotherapeutic interventions from a positive approach Finally separate chapters deal with criminology issues and penal codes as they relate to the subject area

Saviour Siblings Michelle Taylor-Sands, 2013-10-30 Genetic screening technologies involving pre implantation genetic diagnosis PGD raise particular issues about selective reproduction and the welfare of the child to be born How does selection impact on the identity of the child who is born Are children who are selected for a particular purpose harmed or treated as commodities How far should the state interfere with parents reproductive choices Currently concerns about the welfare of the child in selective reproduction have focused on the individual interests of the child to be born This book re evaluates the welfare of the child through the controversial topic of saviour sibling selection Drawing on relational feminist and communitarian ethics Michelle Taylor Sands argues that the welfare of the child to be born is inextricably linked with the welfare of his her family The author proposes a relational model for selective reproduction based on a broad conception of the welfare of the child that includes both individual and collective family interests By comparing regulation in the UK and Australia the book maps out how law and policy might support a relational model for saviour sibling selection With an interdisciplinary focus *Saviour Siblings A Relational Approach to the Welfare of the Child in Selective Reproduction* will be of particular interest to academics and students of bioethics and law as well as practitioners and policymakers concerned with the ethics of selective reproduction

Friendship James O. Grunebaum, 2012-02-01 In *Friendship* James O Grunebaum introduces a new conceptual framework to articulate explain and understand similarities and differences between various conceptions of friendship Asking whether special preference for friends is morally justified Grunebaum answers that question by analyzing a comprehensive comparison of not only Aristotle s three well known kinds of friendship pleasure utility and virtue but also a variety of lesser known friendship conceptions from Kant C S Lewis and Montaigne The book clarifies differences about how friends ought to behave toward each other and how these differences are in part what separate the various conceptions of friendship

The Gendered Society Michael S. Kimmel, 2000 They say that we come from different planets men from Mars women from Venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently How is it then that men and women live together take the same classes in school eat the same food read the same books and receive grades according to the same criteria In *The Gendered Society* Michael S Kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined Kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes In fact he asserts that the reverse is true gender inequality causes the differences between men and women Gender is not simply a quality inherent in each individual it is deeply embedded in society's fundamental institutions the family school and the workplace The issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology Finally with an eye towards the future Kimmel offers readers a glimpse at gender relations in the next millennium Well written well reasoned and authoritative *The Gendered Society* provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women

Boys Love Media in Thailand Thomas Baudinette, 2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men *Boys Love Media in Thailand* Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL's impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and

participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand s BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures *Intersections between Feminist and Queer Theory* D. Richardson,J. McLaughlin,M. Casey,2006-08-31 Queer ideas have unsettled other forms of exploring gender and sexuality in particular feminism and feminists have been significant critics This book explores the debates between feminist and queer theorizing to seek out interconnections and identify new directions in thinking about sexuality and gender that may emerge out of and at the interface **The Helping Professional's Guide to Ethics** Valerie Bryan,Scott Sanders,Laura E. Kaplan,2021-07-01 The Helping Professional s Guide to Ethics Second Edition develops a comprehensive framework for ethics based on Bernard Gert s theory of common morality Moving beyond codes of ethics Bryan Sanders and Kaplan encourage students to develop a cohesive sense of ethical reasoning that both validates their moral intuition and challenges moral assumptions Part I of the text introduces basic moral theory provides an overview to moral development and introduces the common morality framework Part II focuses on common ethical issues faced by helping professionals such as confidentiality competency paternalism informed consent and dual relationships Each chapter provides an overview of each concept and their ethical relevance for practice Throughout the text students put their critical thinking skills into practice to promote deep learning Real life cases bridge the gap between theory and practice and discussion questions reinforce the concepts introduced in each chapter *Cirque Global* Louis Patrick Leroux,Charles R. Batson,2016-05-01 With a billion dollar industry centred in Montreal the province of Quebec has established itself as a major hub for contemporary circus Cirque du Soleil has a global presence and troupes such as Cirque loize and 7 doigts de la main are state of the art innovators The National Circus School of Montreal the only state funded elite training facility in North America is an influential leader in artistry and technique Montreal based Cirque du Soleil s Cirque du Monde supports arts for social change on many continents and is renowned for its social circus training and research Cirque Global is the first book length study of this new variety of circus and its international impact The contributors offer critical perspectives on this rapidly developing art form and its aesthetics ethics business practices pedagogical implications and discursive significations Essays explore creative entrepreneurial and cultural forces that are shaping Quebec s dynamic nouveau cirque Lavishly illustrated with photographs from circus performances

the volume showcases Quebec circus's hybrid forms which have merged the ethos and aesthetics of European circuses with American commercial and industrial creativity *Cirque Global* is the definitive study of the phenomenon of Quebec circus and is an important model for future research on contemporary circus

Shared Intimacies Introduction

In today's digital age, the availability of Shared Intimacies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shared Intimacies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shared Intimacies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shared Intimacies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shared Intimacies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shared Intimacies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shared Intimacies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shared Intimacies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shared Intimacies books and manuals for download and embark on your journey of knowledge?
