Miller-McLemore,Brita L. Gill-Austern,1999 In the last decade the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social political and religious context Feminist and womanist theory as well as feminist and womanist faith convictions have played a key role in this development According to the authors feminists and womanists in pastoral theology have begun to reconstruct the definitions parameters and commitments of pastoral care and counseling These changes have critical implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even

acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in religion and conflicts in theological education in general over the place of practice and theory experience spirituality and practical theology To redress these problems this collection of essays has a threefold aim First the book identifies the many changes occurring in definitions of pastoral theology care and counseling Second the volume defines and develops new methods and approaches Third the authors attend to the implications of these changes for congregational care and theological education Roughly speaking the order of the chapters in this volume follows this threefold agenda moving from an exploration of the changes in pastoral theology to its reconstruction to some of the implications of recent innovations **Pride and Toil** Chinedu

Walsh, 2024-03-26 Julia Walsh gives me hope for a future with religious women changing the world She tells a story all her own but I felt her doubts questions and passion each step of the way Highly recommended Sister Helen Prejean author of *Dead Man Walking* and *River of Fire* A questioning novice nun's coming of age story Readers will be moved to reflect on the universal human experiences of being broken and the pull to be part of something bigger than themselves At the age of 25 just a month into her novitiate as a Franciscan Sister Julia Walsh fell from a cliff and became disfigured While working toward healing she felt pulled to religious community life but also toward unresolved feelings regarding her own sexuality identity and injustice *For Love of the Broken Body* is a story of pain questioning recovery and discovery What does it mean to exist as a broken body Why would a young woman dedicate herself to the Catholic Church to a life as a Franciscan Sister while others are leaving churches in droves The number of women choosing to enter religious life across the U S is shrinking rapidly so Walsh encounters a lot of curiosity about her choice In this memoir she writes honestly about feeling drawn to men

and to sex as well as what it means in this age of self discovery and hook ups for a young woman physically broken and still very much attracted to the world to join a celibate religious community *Intercessions for Mass* Mary Grace Melcher,2013 Inspired by her daily contemplation and meditation on the Scriptures Carmelite Sister Mary Grace Melcher offers this book of deeply meaningful prayers of the faithful for every day of the year Cycles A B and C for Sundays and the two year cycle for weekdays are all included These beautiful intercessions echo the grace of the day indicated by the Scripture readings and have been prayed in her monastic community for years Enrich your community s liturgy with these beautiful and inspiring intercessions Mary Grace Melcher OCD is a cloistered Carmelite nun at the Carmelite Monastery of Terre Haute Indiana She has been a member there since1981 **The Bridge to You** Adrian Ferruelo,2025-05-26 After eight years of legal battles Daniel Carter finally gets the chance to reconnect with his 15 year old son Liam But the years of separation have left scars and both father and son must navigate their awkward and tense relationship as they confront the pain of the past Set against the backdrop of a small coastal town this is a story of love loss and the healing power of forgiveness Can they bridge the distance between them or will the weight of their history keep them apart *More than a Ride* Chinedu Nnadi,2025-08-04 He has billions She has no idea And one lie could destroy everything Lucas Sterling lives a life most can only dream of private jets luxury cars and a fortune that opens every door But beneath the polished facade lies a man tired of being seen as nothing more than a bank account Desperate for something real Lucas vanishes into the city s shadows reinventing himself as Luke an ordinary Uber driver chasing ordinary conversations Then Mia steps into his car fiery brilliant with dreams far bigger than her modest life She doesn t recognize him She doesn t care about his wealth And for the first time in years Lucas feels alive But secrets can t stay buried forever As Lucas falls deeper the weight of his deception grows heavier When the truth finally erupts Mia is blindsided and everything they ve built teeters on the edge of ruin But someone else has been watching someone who knows Lucas s true identity and has their own plan for revenge Now what began as a simple escape spirals into a dangerous game of trust betrayal and second chances Because in a city where appearances deceive and danger lurks in every shadow Some rides change everything **The Unforgiven** Chinedu Nnadi,2025-08-04 In the glitter of a San Francisco charity gala corporate lawyer Vanessa Morgan thinks she has finally outrun the ghosts of her scandal stained past Beside her stands Jake Wilder architect activist and the only man who knows the price she paid for freedom But when whispered rumours twist into a viral smear campaign their fragile new life shatters overnight Desperate to clear their names the couple retreats to the redwoods only to discover they have been followed Anonymous letters slash at old wounds a hacked therapy file spreads across social media and each clue points to someone inside the inner circle they have fought to heal As boardroom ambitions collide with back alley sabotage Vanessa is forced to relive the secret that ruined her family and Jake must confront the betrayal that sent his father to prison Reputations teeter donors vanish and the press circles like sharks for blood while an unseen hacker drips out secrets that warp allies into unpredictable threats The stalker s ultimatum

is chillingly simple abandon the gender equity movement they built or watch the people they love destroyed one by one With their nonprofit s systems collapsing and a hurricane barreling toward the Maine safehouse where their two year old daughter sleeps Vanessa and Jake have forty eight hours to unmask an enemy who always seems two moves ahead Trust is their only weapon but in a game where every confession becomes ammunition trusting each other might be the final trap Love remade them Now it might be the bait that gets them killed
