

Sharon Israels Warriortpolitician

Steven Carol

Sharon Israels Warriorpolitician:

Warrior Ariel Sharon, David Chanoff, 1989-08-15 Profiles the often controversial figure who has served Israel as soldier and statesman detailing his role in the formation of the country and his relations with the other leaders of Israel *Sharon* Anita Miller, Jordan Miller, Sigalit Zetouni, 2005-08-01 Ariel Sharon Israel's former Prime Minister was perhaps one of the most controversial public figures in the Mideast. He was born in 1928 in a moshav, an agricultural community in which unlike a kibbutz residents own their own property and was raised by parents who were not only ardent Zionists but also rugged individualists. His father especially was contemptuous of socialism and believed in individual enterprise, raising his son to be self-reliant and physically strong in order to prepare him for the inevitable struggle to establish a Jewish state. Sharon was perhaps best known as the organizer of what was called Commando Unit 101 and for his original ideas for the training of commando forces which he later adapted to the training of larger, more traditional armies. During his military career he personally led many raids into Arab territory and has been criticized for his role in the destruction in 1953 of some forty Arab homes which he insisted he thought were empty and in which sixty-nine Arabs died. Later in 1982 he was blamed also for allowing the Lebanese Christian Militia into a Palestinian refugee camp in which hundreds were killed. His political career was of course indelibly colored by his military exploits. What made Sharon tick? What kind of a man was he? How did his childhood and early life condition him to become a brilliant commander, controversial soldier, and an as yet untested leader of a small democracy which is divided both within and without? This first biography in English, frank but balanced, will perhaps answer some of the questions raised by his career both as a soldier and politician. **Israel's Security Men** Thomas G. Mitchell, 2014-12-24 From 1949 to 2000 Moshe Dayan, Yitzhak Rabin, Ariel Sharon, and Ehud Barak conducted Israel's successful and unsuccessful talks with its Arab neighbors from the armistice negotiations to Kissinger's shuttle diplomacy to Camp David I and the Egyptian-Israeli peace treaty and finally to the Oslo peace process. The four successful generals who became politicians are covered in four separate biographies which discuss the early life and military career of each subject and his subsequent political career. Two other military politicians, Yigal Allon and Ezer Weizman, are covered within these four biographies. An overview of the phenomenon of military politicians in Israel is given, and an appendix compares it with similar experiences in South Africa and the United States. [The Encyclopedia of the Arab-Israeli Conflict](#) Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military, political, social, cultural, and religious origins of the Arab-Israeli conflict. *The Encyclopedia of the Arab-Israeli Conflict: A Political, Social, and Military History* is the first comprehensive general reference encompassing all aspects of the contentious Arab-Israeli relationship from biblical times to the present, with an emphasis on the era beginning with World War I. The *Encyclopedia of the Arab-Israeli Conflict* goes beyond simply recapping military engagements. In four volumes with more than 750 alphabetically organized entries plus a separate documents volume, it provides a wide-ranging introduction to the distinct

yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Arab-Israeli Conflict Priscilla Roberts,2014-07-15 Truly an essential reference for today s world this detailed introduction to the origins events and impact of the adversarial relationship between Arabs and Israelis illuminates the complexities and the consequences of this long lasting conflict The Arab Israeli conflict remains one of the most contentious in modern history one with repercussions that reach far beyond the Middle East This volume describes and explains the most important countries people events and organizations that play or have played a part in the conflict Chronological coverage begins with the Israeli War of Independence in 1948 and extends through the 2010s A one stop reference the guide offers a comprehensive overview essay as well as perspective essays by leading scholars who explore such widely debated issues as the United States support for Israel and historic rights to Palestine Important primary source documents such as the UN Resolution on the Partition of Palestine and the Camp David Accords are included and put into context Further insight into drivers of war and peace in the Middle East are provided through biographies of major political leaders like Menachem Begin Golda Meir Yasser Arafat Benjamin Netanyahu and Anwar Sadat

A History of Israel Howard M. Sachar,2013-07-31 First published in 1976 Howard M Sachar s *A History of Israel From the Rise of Zionism to Our Time* was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world

The Political Psychology of Israeli Prime Ministers Yael S. Aronoff,2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country s foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those

with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place

Likud Leaders Thomas G. Mitchell, 2015-03-23 This book is an exploration of the history and ideology of Revisionist Zionism the stream of Zionism represented by the ruling Likud Party in Israel from its inception in the 1920s under Vladimir Ze'ev Jabotinsky through its modification under Herut Party leader Menahem Begin to the present The main features of Revisionist Zionism under Jabotinsky are discussed with each of the four Likud Party leaders receiving two to three chapters covering his early life early career and rise to party leadership and his legacy for the party and the state An overview is given of the 1940s underground careers of Menahem Begin as leader of the paramilitary organization Irgun Zvai Leumi and Yitzhak Shamir as leader of the Lohamei Herut Israel In conclusion the author examines common characteristics that the five leaders share and how the party may evolve in the future

Israel, Palestine, & the Quest for Middle East Peace Dennis J. Deeb II, 2013-06-13 After the U S led invasion of Afghanistan and Iraq Pakistan's then President Pervez Musharraf declared The Palestinian front is affecting the entire Muslim world All terrorists and militant activity in the world today has been initiated because of the Palestinian problem This is because of the sense of hopelessness alienation and powerlessness The decade following the aftermath of September 11th has only proven that a comprehensive peace settlement in the Middle East and a resolve to the Israeli Palestinian conflict are a crucial necessity to global stability In this well researched and thoroughly documented work Professor Dennis J Deeb II objectively aims to provide both a historical narrative of the events surrounding the Israeli Palestinian conflict and a historiography exploring the failures to achieve the end result of a final settlement between the Israelis and the Palestinians What went wrong with peace This book explores the issues of contention that must be resolved between the parties to reach a lasting settlement

Israel/Palestine and the Politics of a Two-State Solution Thomas G. Mitchell, 2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

Ariel Sharon Samuel Willard Crompton, Richard Worth, 2007 Biography of Sharon who became Israel's prime minister in 2001 at age 72 making him one of the oldest world leaders

[Index to Jewish Periodicals](#) , 2005 An author and subject index to

selected and American Anglo Jewish journals of general and scholarly interests

The Politics of Planting Shaul Ephraim Cohen, 1993-06 On the open landscape of Israel and the West Bank where pine and cypress forests grow alongside olive groves tree planting has become symbolic of conflicting claims to the land Palestinians cultivate olive groves as a vital agricultural resource while the Israeli government has made restoration of mixed growth forests a national priority Although both sides plant for a variety of purposes both have used tree planting to assert their presence on and claim to disputed land Shaul Ephraim Cohen has conducted an unprecedented study of planting in the region and the control of land it signifies In **The Politics of Planting** he provides historical background and examines both the politics behind Israel's afforestation policy its consequences Focusing on the open land surrounding Jerusalem and four Palestinian villages outside the city this study offers a new perspective on the conflict over land use in a region where planting has become a political tool For the valuable data it presents collected from field work previously unpublished documents and interviews and the insight it provides into this political struggle this will be an important book for anyone studying the Israeli Palestinian conflict

Media and Peace in the Middle East Giuliana Tiripelli, 2016-04-29 In exploring the dynamics and narratives of peace in journalism this book explains the media's impact on the transformation of the conflict between Israelis and Palestinians It discusses the perspectives of peace activists who have been involved in grassroots action since the first Intifada and examines how their relation with the mainstream media has evolved over time It compares these views with those of professional journalists who have been covering the conflict and their sense of the difficulties inherent in practicing a different kind of journalism The interviews included in this study contribute towards the model of Peace Journalism with a view to facilitating its successful application to this conflict Highlighting both the obstacles and opportunities associated with this endeavour Tiripelli offers suggestions for the strategic application of this model

500 Great Military Leaders Spencer C. Tucker, 2014-12-16 This insightful encyclopedia examines the most influential commanders who have shaped military history and the course of world events from ancient times to the present From Alexander the Great and Attila the Hun to Ho Chi Minh and Colin Powell **500 Great Military Leaders** provides readers with insight into the most innovative and prominent individuals who have led armies to victory on battlefields all over the world The broad coverage ranges from military leaders from the ancient world to the present day including political figures who directed war efforts and those who were responsible for major technological improvements This encyclopedia goes beyond providing factual information about each individual's life to delve into the greater historical context and impact on their contemporaries as well as on future military history The presentation of information is designed to enable readers to both observe the gradual evolution of warfare over time and clearly perceive the differences in tactics used by generals with varying military resources at their disposal The entries include not only information on the individual's life and work but a summary statement that assesses successes and failures across each leader's career and summarizes the overall impact Each entry also provides several references for further reading about that

individual The accessible writing style of this resource and in depth information and analyses make it appropriate for high school and undergraduate level students as well as scholars of military history and individuals who simply enjoy reading about military history

International Encyclopedia of Military History James C. Bradford, 2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history

Turkey's Entente with Israel and Azerbaijan Alexander Murinson, 2009-12-04 With the end of the Cold War came a new political instability in Turkey and a shift in relations with the West leading the government to adopt new foreign policies and forge alliances with neighbouring states This book offers a detailed and comprehensive analysis of the evolution of the trilateral relationship between Turkey Israel and Azerbaijan Drawing both on first hand interviews and on research not previously available in the English language Alexander Murinson brings a new perspective to the study of the relationship between the three countries In particular he examines the commonalities of state identities that brought the countries together the role of state institutions the security dimension and the influence of globalization In a period of growing concerns about European energy security the book provides an extensive discussion of the activities carried out by various think tanks especially in Washington regarding the regional and domestic politics of the three countries An original contribution to study of regional processes in the expanded Middle East after the end of the Cold War this book is a welcome addition to the literature on the regional politics of the Middle East and the Caucasus As such it will be of great interest to anyone studying international relations security studies and Middle Eastern politics

American Presidents, Religion, and Israel Paul Merkley, 2004-07-30 Shortly after the end of the Second World War President Harry S Truman declared his support for the creation and maintenance of the modern state of Israel basing that support on religious and theological grounds This is the first book to explore the connection between the religious backgrounds and beliefs of U S presidents in relation to their policies toward Israel From Truman to Ford U S presidents relied in part on their religious and moral commitments to support their policies and views toward Israel Beginning with Carter however presidents have abandoned the role of champions of Israel to become champion of the Peace Process stressing peace and a secular approach that rises above the religious and theological fray And yet even in the context of this attempted fair mindedness U S presidents reveal their personal religious and moral beliefs in their responses to the issue of Israel Today George W Bush one of the most vocally religious presidents seems poised to take up the tradition once again of relying on his religious convictions to justify his positions toward the Arab Israeli conflict Here Merkley argues that while faith alone does not determine action or that it even has a controlling influence religious belief does play a role in the policies

that U S presidents and the nation adopt toward Israel When Truman declared I am Cyrus he was emphatically grounding his support of the modern state of Israel in his belief in the Bible Referring to the Persian king who allowed the Jews to return to Israel and to build the Second Temple Truman revealed his religious commitments and supported his policies on biblical grounds Bringing to the fore neglected evidence of the role of religious belief in policies toward Israel Merkley explores an overlooked aspect of presidential decision making suggesting that religion while not the only factor is at least among the influences that determine a president s view of the Arab Israeli conflict From Truman to Ford policies often reflected the Evangelical traditions that dictated unyielding support of Israel but with Carter s commitment to the peace process above all else the trend turned toward moral absolutes and more general religious beliefs that could sustain arguments for a negotiated peace George W Bush thus far however has clearly demonstrated his personal religious beliefs and may in the end reclaim the mantle of Cyrus *Global Politics* Abraham Ben-Zvi,Aharon Klieman,2016-01-20 The essays in this volume discuss and assess the philosophies and writings of Professor David Vital They aim to develop his work within modern diplomacy issues relating to modern Jewish history and within the State of Israel and its conduct of foreign relations

Understanding the Volatile and Dangerous Middle East Steven Carol,2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East*

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Sharon Israels Warriorpolitician**

In a global inundated with screens and the cacophony of fast interaction, the profound energy and emotional resonance of verbal beauty frequently fade in to obscurity, eclipsed by the continuous barrage of noise and distractions. Yet, situated within the lyrical pages of **Sharon Israels Warriorpolitician**, a fascinating perform of literary splendor that impulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Written with a virtuoso wordsmith, that exciting opus courses readers on a mental odyssey, lightly revealing the latent potential and profound influence embedded within the elaborate internet of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is key themes, dissect their interesting writing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
