Sharpening the Focus of the Church Gene A. Getz, 1986 *Sharpening the Focus of the Church* Gene A. Getz, 2024-10-01 A timeless classic for solid grounding and renewal Is your church adrift Many churches are struggling to stay focused to stay on point and hold fast to gospel essentials Competing voices threaten to divide rather than unite and grow the church In *Sharpening the Focus of the Church* Dr Gene Getz has written a classic insightful biblical treatise on church renewal Getz focuses on New Testament principles as applied to the unique needs of contemporary culture and roots readers in the perspective of the history of the church Discover how to sharpen your church's focus through the lenses of Scripture church history and present day needs As you embark on this in depth study of New Testament teaching you will experience the power of the Word and the power of the Spirit transforming your church from the inside out You'll find positive biblical solutions to the problems facing the church today with practical advice for finding solutions to contemporary questions

A Biblical Theology of Material Possessions Gene A. Getz, 2012-04-01 Some researchers estimate that evangelical Christians give an average of 2 percent of their income to further the kingdom of God Such a practice reveals a theology of material possessions that is clearly out of line with God's Word Gene Getz in an extensive search reveals intriguing detailed information on the subject of material possessions based on Scripture The synthesis of this and selected extrabiblical literature resulted in the formation of more than 120 biblical principles that can be applied by any person in any culture Dr Getz not only shares these principles but offers guidance for church leaders and laypeople who want to apply them in their church

Why on Earth Are There Churches? Michael R. Privett, 2012-08 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so

many local churches seem to function without understanding their biblical mission their God directed reason for existence while other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions customs and worship styles vary from culture to culture and from generation to generation I've been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two So many ministries programs concepts and styles are not new but just repackaged Today's new fresh blended methods will become traditional to the next generation after a short period of time Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God What really matters is whether you have presented a true and accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor esteem and excellence
