From Us For You, 2020-04-14 Twenty-five women aged 30 to 80 tell stories of how they endured or navigated a variety of struggles and emerged having grown and transformed. Their desire is to share lessons learned to provide you with inspiration, hope, and encouragement. Writers describe experiences like altering limiting mindsets to recognize the value of self-care, listening, and manifesting; escaping emotionally or physically abusive environments and emerging stronger, stripping away restrictive expectations of others and creating authentic and passionate lives; and overcoming life-threatening illness through determination and taking charge. Others claim enough and intentionally discover and pursue more fulfilling careers, face harsh labels and inadequate language to become more compassionate, and find unexpected joy in mentoring and uplifting others. Their stories are important to learn from as they help us be more aware of the complexities of other people. Everybody has a story. Everybody. You will be touched by the resiliency and bravery of these writers as, through their words, you'll find reasons to uplift your own life. Net profits from *From Us For You* book sales will be donated to a designated non-profit organization dedicated to advocating for and assisting women.

In The Shadows of His Grace Dolores WM Fleming, 2020-06-23 *In The Shadows of His Grace* By Dolores WM Fleming. *In The Shadows of His Grace* is

Dolores Fleming's compelling faith-driven life story. From her earliest years working alongside her siblings and parents as migrant farm workers in Morrisville, Pennsylvania, and attending a segregated school in Trenton, New Jersey, to her early adult years that were shaped by both the pain of infidelity, domestic violence, and divorce, and the joy of giving birth, raising her sons, and achieving her personal goals, Fleming's story is one of unwavering faith in the Lord. She details her struggles as a single mother, the fulfillment of her hard-won professional and educational accomplishments, and even the immeasurable pain of losing her son, all while declaring her love of the Lord and her commitment to church, describing it as the foundation and the network for all things in family life. Dolores' memoir is about her love and faith in God, the joy of loving, giving, and serving others, and about staying focused and persevering even in the face of grief and sorrow. Just Like Proper Grown-Ups

Christina Hopkinson, 2012-08-16. You don't really grow up until you either have a kid or one of your parents dies. Glamorously carefree and nearing forty, Tess shows no sign of settling down. That is until she drops a bombshell on four of her friends: she's pregnant and has chosen them as godparents. Yet while they rally round the single mother, each one is struggling to face the realities of adulthood. Sierra may be only twenty-three, but her mother is so irresponsible that she's had to grow up fast. Michael is too busy searching for Mrs. Right to worry about collecting the essential accessories of spice racks or investment saucepans, while Owen eases the pain of a mid-life identity crisis with a string of unsuitable fiancés. Only Lucy has the trappings and offspring of a proper grown-up, but is terrified of ageing. On a challenging and hilarious journey through birth, Botox, bad sex, and beyond, all five friends must discover that while growing old is inevitable, growing up is optional. New York Magazine, 1991-10-14. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **The Saturday Review of Politics, Literature, Science and Art**, 1872.
