Thornton,1991      **Broken Hallelujahs** Neal J. Anthony,2025-08-19 Ordained Christian ministry can be messy raw frustrating and plagued with judgment errors It swings between poles of despair and joy resentment and gratitude isolation and community depths of pain and healing It occurs in a church body wrestling over fundamental expressions of ministry in times of division The word of God abides within all of it Such is the experience which Neal Anthony an ordained Lutheran minister for over twenty five years has woven together through various threads of first person ministry narrative Broken Hallelujahs provides at once a powerful narration of Christian ministry both its personal investment and a penetrating development of many theological themes within that context What results is more than a pastoral memoir but a profound theology for ministry which sketches the crucified solidarity which unites minister and laity Ultimately Anthony professes the beauty of the church s hallelujahs is not in the heights to which they soar but the crucified depths from which they are uttered In those depths stirs both the liturgy of Christ s presence and the healing begotten of that presence Within these pages are narratives of the church s crucified praise the majesty of Christ s Broken Hallelujah

Micki McGee,2005-09-08 Why doesn t self help help Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self improvement products books audiotapes and extreme makeovers is exploding and there seems to be no end in sight Rather than seeing narcissism at the root of the self help craze as others have contended McGee shows a nation relying on self help culture for advice on how to cope in an increasingly volatile and competitive work world Self Help Inc reveals how makeover culture traps Americans in endless cycles of self invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order A lucid and fascinating treatment of the modern obsession with work and self improvement this lively book will strike a chord with its acute diagnosis of the self help trap and its sharp suggestions for how we can address the alienating conditions of modern work and family life      The Publishers Weekly

,2001 **Religious Traditions and Personal Stories** Uta Blohm,2005 Women in roles of religious leadership represent a relatively new phenomenon within Judaism and Christianity and to some extent a break with traditional assumptions The study gives insight into how women are defining themselves as religious leaders and women within the context of patriarchal religion The research is based on 50 qualitative interviews with women rabbis Anglican priests and other Christian ministers Some of the issues discussed concerning role ordination and tradition are unrelated to gender Christian interviewees describe their journeys into the ministry or priesthood predominantly as experiences of vocation whereas rabbis choose the rabbinate out of an interest in Jewish studies and in the role itself With regard to gender women across the religious divide are facing opposition and are dealing with similar religious questions of inclusive language or the impact of traditional female roles

Greenhouses of Hope Dorie Grinenko Baker, 2010-11-12 Do you know a church where young people regularly shape the liturgy with words that speak their truth in ways that also inspire their elders Do you hear about congregations that reach out in quirky new ways to their ailing neighborhoods instead of locking doors and shipping out to a suburb Do you find churches creating hospitable space that invites the live wriggling questions and doubts of young people in unhurried unworried ways Do you see congregations where young people s gifts are not stored in the basement or bracketed into contemporary worship services but are brought forth and celebrated The authors who collaborated on this book launched a quest for such vibrant life giving greening congregations and observed the diverse practices that grow there They named these churches Greenhouses of Hope A Greenhouse of Hope is a Christian congregation freeing itself to experiment with both newly imagined and time honored ways of following the path of Jesus Its members respond to God s love through practices that genuinely embrace the gifts of youth and young adults Out of these greenhouses emerge young leaders who want to change the world In Greenhouses of Hope Dori Baker and six contributors tell the stories of these remarkable congregations helping others think about how they can create space for the dreams of young people to be grafted into God s dreams for the world
