

A stone monument with a plaque. The monument is made of light-colored stone and has a rectangular shape with a slightly wider top section. The plaque is recessed into the front face of the monument. The background shows a clear blue sky with some clouds and a paved area.

This sculpture, "Shattering Silence" by Iowa artist James Ellwanger, commemorates those decisions in which the court shattered the silence of inequality and commemorates those Iowans, like Alexander Butterworth, who refused to stand by silently when they saw injustice.

Shattering The Silence Telling The Church The Truth About Kids Sexuality

Cari Myers

Shattering The Silence Telling The Church The Truth About Kids Sexuality:

Shattering the Silence Carley Dodd, Darryl Tippens, David K. Lewis, 1995-08-01 Sex, Religion, Media Dane S. Claussen, 2002-10-16 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religion religious conservatives efforts to influence media coverage of sex and values and how religious consumers are influenced by and react to sexual content in media **Shattering the Silence** David K. Lewis, Student of Christ Church and Professor of Ancient History David Lewis, Darryl Tippens, Carley Dodd, 1990-02 **"Same Is Better"** Cari Myers, 2022-10-31 As younger generations drift away from evangelical churches the number of religiously unaffiliated young adults grows Is the drift because of politics personal morality rebelliousness culture wars or something else In this project 16 young adults from the Churches of Christ participate in qualitative interviews over a five year span They describe messages they learned about success and survival from their faith communities as children and how they have embraced and reinterpreted those messages into helpful life principles as adults The resulting study explores issues of ethnicity in evangelical borderland communities and contrasts Latinx narratives with white narratives in religious and educative contexts Findings also revealed gendered narratives class based narratives and the glaring absence of helpful narratives around sexuality filtered through the lenses of religion and education The central finding of the interviews is this participants experienced the Church of Christ as rewarding conformity with community a strategy when it works which secures the future of the denomination and cements a conservative doctrine in the next generation of leadership However the study concludes that true survival narratives were the narratives participants constructed in response to the narratives provided by Churches of Christ Shattering the Illusion Tracy J. Trothen, 2012-09-01 *Shattering the Illusion* is the first book to gather and comparatively analyze policies addressing child sexual abuse complaints in a selection of religious institutions in Canada Although there is a substantial body of literature regarding Christianity and sexual abuse very little of it focuses on religious institutions in Canada and their respective policies In the foreword Tracey J Trothen summarizes the Cornwall Inquiry out of which this book arose She then examines the Roman Catholic Church The United Church of Canada the Anglican Church the Mennonite Church Islam and the Canadian Unitarian Council Unitarian Universalist Association describing in detail the evolution and particular content of policies and procedures that address child sexual abuse complaints directed at paid and volunteer faith community representatives and or leaders She identifies differences and common themes among the approaches taken by the institutions and provides a summary table for an accessible comparative overview Child sexual abuse is not new but the emergence of policies to address abuse complaints within religious institutions is This book identifies significant and shared causal factors behind the emergence of policy and reviews their content carefully This review will serve as a significant tool

for furthering the development of such policies **The Women's Desk Reference** Irene M. Franck, David M. Brownstone, 1993 Contains some 1 500 entries on people organizations issues books politics and health each with see also references and many with bibliographical references Useful as a first stop reference Annotation copyright by Book News Inc Portland OR *Dying to Tell* David K. Lewis, 1992 *Gay Catholic Priests and Clerical Sexual Misconduct* Donald Boisvert, Robert Goss, 2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse *Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence* is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by *The Silence of Sodom* Homosexuality in Modern Catholicism Mark Jordan's controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation The book's contributors an eclectic mix of scholars and clerics question whether the church can survive centuries of secrets and scandals In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members *Gay Catholic Priests and Clerical Sexual Misconduct* continues the efforts of the Gay Men's Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan who contributes his thoughts on the issues raised by the book A panel of former Jesuits a former seminarian with the Congregation of the Blessed Sacrament a Dominican a Franciscan and several feminist authors present different perspectives on gay priests clerical ecclesial misogyny games of power and abuse and religious scapegoating writing with eloquence and pain a great deal of pride and a touch of justifiable divine righteousness *Gay Catholic Priests and Clerical Sexual Misconduct* includes *Celibate Men Ambivalent Saints and Games of Desire A Call to Liberation of Gay Catholic Clergy Speaking Loud or Shutting Up The Homosexual type Problem Those Troubling Gay Priests Catholicism and a Crisis of Intimate Relations* and much more *Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence* is an invaluable resource for academics members of the clergy seminarians chaplains and counselors and anyone interested in homosexuality and religion *A Moral Emergency* Jade Christine Angelica, 1993 Understanding sexuality in our society is difficult Understanding the sexual abuse of children is even more difficult This book presents a wealth of information a history of sexual abuse actual statistics first person accounts from victims legal issues as well as theological reflections all condensed into a concise handbook on what many will readily concede is a moral emergency More than merely informative this book is practical It includes concrete suggestions for ways that religious and other communities can make a real difference by helping to prevent child abuse Back cover

Forthcoming Books Rose Arny, 2002 ***The Politics of Child Sexual Abuse*** Nancy Whittier, 2011 *The Politics of Child Sexual Abuse* is the first study of activism against child sexual abuse tracing its emergence in feminist anti rape efforts its development into mainstream self help and its entry into mass media and public policy Nancy Whittier deftly charts the development of the movement's therapeutic politics demonstrating that activists viewed tactics for changing emotions and

one's sense of self as necessary for widespread social change and combined them with efforts to change institutions and the state. A lucid and moving account, this book draws powerful lessons about the transformative potential of therapeutic politics, their connection to institutions and the processes of incomplete social change that characterize American politics today.

Child Sexual Abuse India Bryce, Wayne Petherick, 2020-04-30. *Child Sexual Abuse: Forensic Issues in Evidence, Impact and Management* covers the issue of child sexual abuse from several viewpoints. The book approaches child abuse from both victimization and offender perspectives, offering applied perspectives from experts and practitioners in the field, including discussions on policing, child safety and intelligence. This is a significant divergence from the literature most commonly provided in the market. Other sections cover psychological, physical abuse and neglect, protective factors at individual and community levels, recognition, responses, biopsychosocial outcomes dealt with in discrete chapters, public policy, prevention, institutional abuse, children and corrections, treatment, management and much more. **Breaking the Silence** Lisha

Lender, 2019-11-19. The hard truth is that no church or faith-based community is immune to having child abuse happen within its church families. *Breaking the Silence* will educate you about the realities of child abuse and why many victims blame God for abuse, have a misguided understanding of who He is and walk away from God and the church. It is time for the church to be educated about child abuse and take a stand to support victims. Child abuse includes physical, sexual and verbal abuse as well as neglect and living in domestic violence. The majority of child abuse is perpetrated by someone in the victim's family or someone the victim has a close relationship with. Go into the life of victims and learn how they are impacted their entire life by those who abuse them. The ACE study is an eye-opening reality check of the lasting effects of child abuse on victims. Abuse within the family system keeps most victims quiet. Victims feel alone and isolated. This isolation affects every relationship the victim has now and in the future, especially their relationship with God. It is time for the faith community to be actively involved in helping victims of child abuse. Child abuse is a crime committed against the very children God has entrusted to us. This is not about protecting the church or maintaining family unity. It is about helping people thrive and live the life God intended for them. This can only happen when the church steps up and is willing to face the reality of the brokenness within many of its church families. There is a desperate, silent cry from millions of victims just waiting for someone to notice them, believe them and help them heal. *Breaking the Silence* is written as a call to educate the church, but it is loaded with information anyone will find useful. Everyone needs to know and understand the realities of child abuse. Whether you know it or not, abuse is happening in your town, in your neighborhood and possibly in your own home. We tend to remain silent about things we do not understand. It is time to break the silence. **Protestant Clergy Sexual Misconduct and Intercultural**

Pastoral Care A Hyun Lee, 2025-08-04. This volume examines the often overlooked crisis of sexual misconduct within Korean Protestant churches, exploring how militarized culture, hierarchical power and institutional silence contribute to the abuse of congregants, especially those in vulnerable situations. Through a blend of sociocultural, theological and psychological analysis,

the book goes beyond individual acts of transgression to reveal the systemic forces that perpetuate clergy sexual misconduct By investigating the historical cultural and spiritual dimensions of abuse the book offers a framework for reframing survivor centered care and rethinking pastoral theology It concludes with a call for transformative change in religious practice urging greater transparency and more compassionate faith communities Essential reading for scholars students and practitioners this book provides critical insights into addressing sexual abuse within church settings and fostering ethical ministry

Pearl Cleage and Free Womanhood Tikenya Foster-Singletary,Aisha Francis,2014-11-21 This collection of essays examines popular writer Pearl Cleage s work including her novels short stories and plays It is the first book length consideration of a writer and activist whose bold perspectives on social justice race and gender have been influential for several decades While academically critical the essays mirror Cleage s own philosophical commitment to theoretical transparency and translation The book includes an in depth interview with the author and a foreword by former Cleage student and acclaimed novelist Tayari Jones in addition to essays from contributors representing an interdisciplinary cross section of academic fields

Breaking the Silence Bernie Anderson,2007 He Lived a Secret Life for years A respected pastor husband and father Bernie Anderson battled behind closed doors with pornography and sexual addiction Exposed to pornography early in life he was held captive by the addiction until he allowed God to transform his life It is a problem not often spoken about in the Christian community yet pornography and sexual addiction are devastating countless Christian homes To help others avoid it or break free from its stronghold Anderson tells his personal story of torment hope and the God who changes lives Offering insight encouragement and resources Breaking the Silence boldly reveals the truth about this addiction and how you can protect yourself and your family from the dangers of pornography Book jacket

Child Sexual Abuse, Society, and the Future of the Church Hilary D. Regan,2013-06-30 In November 2012 the Australian federal government announced the establishment of a Royal Commission into Institutional Responses to Child Sexual

Meetings in His Kingdom Mike Peters,1990

The Victimization of Children Janet Mullings,James Marquart,Deborah Hartley,2012-11-12 Explore current social developments issues and controversies concerning young victims The Victimization of Children Emerging Issues keeps students and practitioners working with young victims on the cutting edge of the latest research developments regarding crimes against children Leading experts from the legal medical and sociological communities explore some of the most urgent issues involving child victims Researchers and practitioners in victim services social work mental health public health and criminal justice will all benefit from this useful resource While numerous books have been written on the topic of child abuse and neglect few delve into the more contemporary issues and problems The Victimization of Children fills a large void in the literature by offering advanced discussions of today s most relevant topics making this book an in depth supplement to generic textbooks Forward thinking and thought provoking this timely resource provides sound research to expand your knowledge base This book provides insights into such contemporary

issues as the victimization of youths on the Internet children as victims of war and terrorism spatial patterns of child maltreatment the concentration of child maltreatment within certain geographical areas religion related child abuse the role of health care professionals in response to child victimization children with disabilities abuse neglect and the child welfare system fetal homicide emerging statutory and judicial regulation of third party assaults legal and social issues surrounding closed circuit television testimony of child victims and witnesses juvenile courts and their role in addressing family violence The Victimization of Children provides tables figures and the latest statistics of various aspects of child victimization to complement the experts contributions This book offers new and different responses and interventions to meet the increasingly diverse contexts and situations within which child maltreatment occurs Emerging trends are explored within this book from a cross section of disciplines including law sociology criminal justice psychology and health services **The Gospel According to Generation X** David K. Lewis, Carley H. Dodd, Darryl L. Tippens, 1995 A study of how teenagers are looking at church from the author's opinion
