which she and her father must soon share with other displaced Jews They describe her factory work as a learning experience and assert in the face of ever worsening conditions that true art never dependent on comfort or peace is capable of triumphing over time and place Heshel's Kingdom Dan Jacobson,1999 The Orthodox rabbi Heshel Melamed s sudden death by heart attack in 1919 set his widow and children free to leave Lithuania the country that he insisted be their home In light of the Holocaust that took place in Europe twenty years later his death became ironically a gift of life Heshel Melamed s family left Europe before the war and settled safely in South Africa In Heshel s Kingdom Dan Jacobson recounts his journey in the 1990s to post Communist Lithuania where he searched for traces of his grandfather Heshel s world More than a genealogical narrative however this deeply personal memoir becomes at times a philosophical tableau of secularism religion family and modern Judaism Book Jacket Escape Through the Pyrenees Lisa Fittko,2000 Story of a high school teacher whose students underprivileged and Hispanic have set standards in mathematics American education A gripping memoir of German Jewish leftist Fittko s life as an alien her path from concentration camp internee to underground rescue operative the great philosopher and was one of many whom she and her comrades saved Translated from the German edition of 1985 Carl Hanser Verlag Munich Annotation copyrighted by Book News Inc Portland OR **The Unwelcome One** Hans Frankenthal,2002-12-25 After surviving the Nazi death camp at Auschwitz Hans Frankenthal chose to return to live in his hometown of Schmallenberg Germany at the age of 19 In this memoir he describes his experiences working as a butcher in the town a town emptied of its Jewish residences where few wanted to hear about his experiences during the war He also describes his experiences after retirement when he finally spoke out and became an advocate for those who had been forced to work as slave laborers for the company I G Farben Translated from Verweigerte Rueckkehr 1999 Annotation c 2003 Book News Inc Portland OR booknews com Mendelssohn is on the Roof Jiří Weil,1998 Julius Schlesinger aspiring SS officer has received orders to remove from the roof of Prague s concert hall the statue of the Jewish composer Felix Mendelssohn But which of the figures adorning the roof is the Jew Remembering his course on racial science Schlesinger instructs his men to pull down the statue with the biggest nose Only as the statue they have carefully chosen begins to topple does he recognize that it is not Mendelssohn it is Richard Wagner Thus begins a story of disarming simplicity that traces the transformation of ordinary lives in Nazi occupied Prague Death abetted by the petty malevolence of Nazi functionaries wins all the battles but ultimately loses the war defeated by the fragile flowering of courage and defiance **The House of Returned Echoes** Arnost Lustig,2001-06-27 Arno t Lustig s fiction has always been too close to the facts for comfort In The House of Returned Echoes he pays tribute to the life of his father who died in Auschwitz in 1944 In Prague in the difficult time between the wars a man fights to keep his family and his business alive despite anti Semitism and economic hardship Emil Ludvig has always relied on the simple rules of his family and the basic laws of civilization to counteract his misfortunes and being a decent man himself he refuses to believe that the Nazi threats will be carried out Yet he also becomes a victim of the camps and his story

resonates with both Lustig's personal experiences and the shared memories of the Holocaust

The Sovereigns Eric Lucas, 2001 This memoir is a moving testament to the power of family The Lucas clan was a close knit successful family of rural German Jews butchers and meat dealers whose strength and pride was challenged by the rise of Nazism As the family grew so did its prosperity and power and the sons daughter and their relatives became known as the Sovereigns But anti Semites under the protection of the Nazi regime began to settle old scores and targeted the economically successful rural Jews New laws stripped Jewish meat dealers of their rights and Aryan competitors eagerly forced them aside That was only the beginning In the Holocaust that followed some members of the family escaped Others did not

Maybe Luck Isn't Just Chance Ruth Liepman, 1997 Soon after the end of the war Ruth returned to Hamburg where she married the journalist Heinz Liepman In 1949 they started what would become one of the most respected literary agencies in the world Ruth runs the agency to this day and she includes in this book many thoughts and reflections on her years working with books and authors

From the Ashes of Sobibor Thomas Toivi Blatt, 1997 Blatt's account of his childhood in Izbica provides a fascinating glimpse of Jewish life in Poland after the German invasion and during the period of mass deportations of Jews to the camps Blatt's tale of escape and of the five horrifying years spent eluding both the Nazis and later anti Semitic Polish nationalists is a firsthand account of one of the most terrifying and savage events of human history

The Jewish War Henryk Grynberg, Celina Wieniewska, Richard Lourie, 2001 To maintain the facade the boy adopts a false life where his father is a captured officer and he himself must study catechism and take first communion

Antisemitism Susan Sarah Cohen, 1987 **Library Journal**, 1997

Ghetto Kingdom Isaiah Spiegel, 1998 Isaiah Spiegel was an inmate of the Lodz Ghetto from its inception in 1940 until its liquidation in 1944 While there he wrote short stories depicting Jewish life in the ghetto and managed to hide them before he was deported to Auschwitz After being freed he returned to Lodz to retrieve and publish his stories The stories examine the relationship between inmates and their families their friends their Christian former neighbors the German soldiers and ultimately the world of hopelessness and desperation that surrounded them In using his creative powers to transform the suffering and death of his people into stories that preserve their memory Spiegel succeeds in affirming the humanity and dignity the Germans were so intent on destroying Originally published as *Malchut geto* Malkhes geto in Yiddish
