In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance **Tales in Colour and Other Stories** Kunzang Choden,2012-06-25 These deceptively simple stories uncover both the complexity and irony of women s lives in Bhutan today They show how ordinary lives choices and experiences are both remarkable and poignant In I am a Small Person a despised woman uses her femininity as a means to control a man the young girl in I Won t ask Mother suddenly feels empowered and confident when she makes a decision without consulting her mother All the stories take place in rural settings to which creeping urbanisation brings gradual change and tensions surface between the new and the old or the traditional and the modern For many rural women being able to connect to the city and all its perceived power and glamour is a very real aspiration This yearning is exemplified in Look at her Belly Button where a young woman effortlessly slips out of the role of a farmer to become a real Bhutanese urbanite Published by Zubaan **A Rainy June and Other Stories** Louise de la Ramée,2018-05-23
