Misconduct Anne Marie Aikins, 2005-09-18 Rules are all around us at school at home at the mall on the soccer field and even on the street From the strictest of laws to good manners formal policies to unspoken customs everywhere you look there are limits and guidelines to your conduct For many young people following all those rules may seem impossible Some kids may not see the harm in breaking a rule but Misconduct Deal with it without bending the rules explains how it always pays to stop and think Every citizen must decide if they re going to follow a rule or face the consequences of breaking it This book demonstrates that young people always have the power to make thoughtful choices even when a rule seems overly strict
