January's Thaw J. Conrad Guest, 2012-01-12 Many people obsess over their past but no one more than I Perchance it's because as a man out of time I left behind so much of it un-lived If that makes little sense consider that I'm a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self-professed courage to never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man's nature to judge others or discount my story as the ravings of a lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently **Child Behind the Darkness** Frank F. Atanacio, 2001-07-12 What happens when the soul of an aborted child is trapped between heaven and hell Good and evil wanting the soul so a battle begins The battle takes an aborted child's soul through a frenzy of trials and tribulations He is challenged and tricked into so many ordeals However
