She Who Watches:

She Who Watches Patricia H. Rushford, Harrison James, 2006-04-29 A senator's family has been threatened and now one of them is missing. Can Mac and Dana find Sara before it's too late? The senator had raised this niece as his own daughter. So when she doesn't return home and her abandoned car is found in a parking garage, it alarms not only the family but law enforcement agencies throughout the Northwest. The only clue: a set of menacing letters sent to the senator's office. Now it's up to Oregon state police officers Mac McAllister and Dana Bennett and their team to find a lead or to find Sara before they find her dead. The case will be made harder because not only must they share evidence with the FBI but navigate stand-offs between the government, Native American tribal customs, political pride, family intrigue, and even their own hearts. Meanwhile, two questions loom that if answered could provide the missing link in their investigation: First, is Sara a victim or a dissatisfied wife who has run away? And second, is politics being used to mask a sordid truth, or has someone's passion for a cause possibly led them to violence?

She Who Watches Anthony Pryor, 2016-03-29 A madman's disturbing question: a string of savage murders, the legacy of an ancient goddess, and an evil being seeking to return to our world—all are pieces of a puzzle that investigative reporter Alex St. John must solve to thwart the plans of a murderous cult and its demonic god. Are You the Shepherd? Working for a crummy Portland newspaper, Alex St. John thought his life was at a dead end. But when a madman's nonsensical question sends him in pursuit of a serial killer, Alex finds himself in a nightmare world of violence and occult mysteries. With the help of eccentric writer Damien Smith, he discovers the murders are the work of a modern-day cult seeking to resurrect ancient evil: the demon god known to Native Americans as Onatochee. Joined by a motley crew of allies—Irish researcher Michael O'Regan, beautiful occult enthusiast Trish Martin, fellow journalist Loren Hodges, and her loyal dog Beowulf—Alex and Damien delve deeper into the mysteries surrounding the cult and its evil deity. With the growing realization that everything he thought he knows about the cosmos is wrong, Alex faces death, betrayal, and a growing army of possessed killers. Only by discovering the hidden secrets of the past and accepting a mystical weapon from the hand of an enigmatic goddess can Alex hope to stop the return of the demon god Onatochee.

She Who Watches Julie Schachter, 2022-03-02 The name for this little book, SHE WHO WATCHES, comes from a legend of an aboriginal people who lived in prehistoric times along the Columbia River, the River of Life, which flows between today's Washington and Oregon states. Carved and painted on a stone cliff overlooking an ancient village is a face with huge staring eyes. This petroglyph represents the face of Tsagaglalal, She Who Watches. The legend tells that Tsagaglalal was the chieftess of that entire region. Coyote, the trickster of many Native American stories, happened by and stopped to ask the people whether or not they were living well. The people sent Coyote to their chieftess, who lived high on the cliff above them where she could watch over the village. Tsagaglalal assured Coyote she was guiding her people well. Coyote, however, advised her that in the future, women would no longer be chiefs. And so he transformed Tsagaglalal into a rock, telling her she would thus remain and continue to watch over her people forever.
