the church in the world Christian identity and spiritual theology A unique feature of the book is the way Dawson combines a full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for Jesus Ascended Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada *Everworld* Rebecca Phelps,2024-12-17 The final installment of the Down World series sees Marina face old demons while also jumping into the future to a world that was changed by her very hand For fans of Netflix s Dark and the Dark Stars series by Danielle Rollins After a very complicated senior year Marina O connell has relocated to Boston where she is attending her dream university She has moved in with her brother Robbie and his fiance Piper and is trying to get over the heartbreak Adam caused leaving her without a trace While Marina tries to put herself out there and meet new people she still cannot help the pull of the events that happened last year and the doors she left behind at East Township High But the night before Robbie s wedding Marina finds Adam sitting on her aunt s front porch He claims he s been away teaching and apologizes for disappearing Marina still in love with him takes him back But as the two continue where they left off no one but Marina seems to trust Adam Then one night another door to the Down World is found and Marina is once again sucked into the chaos of the portals This time she finds herself in the future in the year 2063 and is astonished to find what her actions have caused in this utopian plane While the future seems bright dark secrets slowly begin to surface and people lost to time begin to appear Marina will have to decide what she is willing to sacrifice in order to get her life back *Blackwood's Magazine* ,1924
