Wrestling and Wrestlers Jacob Robinson, Sidney Gilpin, 2022-09-04 In Wrestling and Wrestlers Jacob Robinson alongside Sidney Gilpin offers an evocative portrayal of the rich heritage of Northern English wrestling providing biographical sketches that celebrate the prowess of these early athletes With its roots deeply embedded in local tradition the text serves both as an anthropological study and a compendium of sporting history masterfully delving into the cultural significance of wrestling within rural communities The prose in this work is gripping and vivid arranged to respect the oral tradition from which these stories likely emanated The inclusion of notes on the controversial practices of bull and badger baiting adds a layer of social commentary highlighting the evolving perspectives on animal sports and entertainment In exploring Jacob Robinson's history one may find that his motivation for this work potentially stems from a personal connection to the communities and customs discussed or perhaps a scholarly interest in preserving disappearing folk traditions Insight into the reasons behind the author's dedication can be gleaned from understanding the era's shifting social landscapes and Robinson's desire to document these facets of regional identity before they faded into obscurity The collaboration with Gilpin further suggests a collective effort to capture the essence of a bygone era in Northern athleticism Robinson's Wrestling and Wrestlers thus emerges not only as a historical record but also

as a text of significant literary merit replete with ambience and striking character studies Ideal for enthusiasts of sports history cultural studies and regional English folklore the book is a compelling invitation to explore the athletic gallantry of the past DigiCat Publishing's commitment to preserving this work underscores its importance as a classic steeped in both historical relevance and evocative storytelling and ensures that modern readers have access to the unvarnished chronicles of these early sporting heroes *A flora of the north-east of Ireland*, by S.A.
